*Income Trap* that women who want to get married and have children will find their home lives less chaotic and far more  
satisfying by making motherhood not career their primary focus The premise of *The Two Income Trap* Why Parents Are  
Choosing to Stay Home is that childrearing is no longer recognized for the enormous undertaking it is Having it all is an  
impossible goal for anyone male or female The needs of children dont allow two married parents the freedom to dedicate  
themselves fully to something else Its time to shift our paradigm There is value in pursuing both work and family but  
prioritizing family over career and being realistic with ones goals is the only way women can be successful at both *The Two*
