

# THE QUEST AT GLASTONBURY

A BIOGRAPHICAL STUDY OF FREDERICK BLIGH BOND

The search of a dedicated archeologist and  
ecclesiastical architect, who sought the  
historic realities of England's ancient  
Glastonbury Abbey under the guidance of his  
own psychic visions.

BY WILLIAM W. KENAWELL

# Quest At Glastonbury Biographical Study

**S Ashworth**

## **Quest At Glastonbury Biographical Study:**

**The Quest at Glastonbury** William W. Kenawell, 1965 Frederick Bligh Bond Director of Excavations of Glastonbury Abbey until 1922 proclaimed his work was under the direction through automatic writing of those who inhabited that very site Using divining rods he would search for buried treasure in the drains This book is primarily concerned with presenting as many facets as possible of the life and work of Bond rather than with making judgements in psychic matters

**Anglo-Saxon Glastonbury** Lesley Abrams, 1996 A survey of the landed endowment of Glastonbury Abbey before 1066 with a history of its estates *The Holy Grail* Juliette M Wood, 2012-09-15 The Holy Grail is one of the most fascinating themes in medieval literature It was described as the vessel used by Jesus to celebrate the first Eucharist and it became the object of the greatest quest undertaken by King Arthur's knight This book examines the traditions attached to the Holy Grail from its first appearance in medieval romance through its transformation into an object of mystical significance in modern literature and film It is a journey filled with knightly quests mystics and holy relics poets and novelists outlandish speculation and serious thought *Medieval Literature* Holly Crocker, D. Vance Smith, 2023-05-31 Medieval Literature Criticism and Debates combines classic critical essays alongside new voices and approaches highlighting vibrant debates on medieval literature that will continue to shape critical conversations for the coming decades Holly A Crocker and D Vance Smith present a fascinating collection of essays from leading contemporary scholars of medieval literature and culture examining topics including gender sexuality politics belief language nationhood science and desire The volume sheds light on critical discussions of the medieval period and shows the continuing relevance and vivacity of Medieval English literature in the twenty first century Each section is thoroughly introduced and the essays develop various debates in key areas providing a springboard for readers to establish their own study arguments and opinions Further reading sections make this volume an accessible and important resource for those studying literature from the Medieval period and beyond Contributors Anthony Bale Sarah Beckwith Anke Bernau Glenn Burger Ardis Butterfield Christopher Cannon Christine Chism Lisa H Cooper Susan Crane Holly A Crocker George Edmondson Ruth Evans Sylvia Federico Laurie Finke Aranye Fradenburg Frank Grady Richard Firth Green Patricia Clare Ingham Hannah Johnson Steven Justice David Lawton Robert Mills J Allan Mitchell Nicholas Perkins Tison Pugh Elizabeth Robertson Kellie Robertson Jessica Rosenfeld Sarah Salih Corinne Saunders Martin Shichtman D Vance Smith Emily Steiner Jennifer Summit Stephanie Trigg Marion Turner David Wallace Angela Jane Weisl Nicolette Zeeman **Eternal Chalice** Juliette Wood, 2008-06-30 The sacred allure of the Holy Grail has fascinated writers and ensnared knights for over a thousand years From Malory to Monty Python the eternal chalice said to be the very cup from which Christ drank at the Last Supper has the richest associations of any icon in British myth Many different meanings have been devised for the Grail which has been linked to the Celts and King Arthur the eucharistic rites of Eastern Christianity ancient mystery religions Jungian archetypes dualist heresies Templar treasure and even the alleged

descendants of Christ himself and Mary Magdalene The common thread running through all these stories is the assumption that the Grail legend has a single source with a meaning that if only we could decode it is concealed in the romances themselves That meaning has become the subject of coded secret documents and is the central feature of a vast conspiracy supposedly stretching back to the dawn of western civilization Juliette Wood here reveals the elusive and embedded significance of the Grail story in popular consciousness as myth medieval romance tangible holy relic and finally as the centre of an esoteric theory of global conspiracy The author shows how various interpretations of the Grail over the centuries reflect changing cultural needs and desires Her book will enthrall those who like Sir Perceval seek to unlock the mysterious secrets of western mythology s most extraordinary and tantalising enigma and will delight students of history myth and religion alike

**Medieval Archaeology** Chris Gerrard,2003-10-04 Chris Gerrard looks at the people and excavations that have been important in medieval archaeology and the core theory and methodology used creating an essential text for all medieval archaeologists Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1968 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December *Journal of the Society for Psychical Research* Society for Psychical Research (Great Britain),2007 Encyclopedia of Pseudoscience William F. Williams,2013-12-02 The Encyclopedia of Pseudoscience is the first one volume A to Z reference that identifies defines and explains all of the terms and ideas dealing with the somewhat murky world of the almost sciences Truly interdisciplinary and multicultural in scope the Encyclopedia examines how fringe or marginal sciences have affected people throughout history as well as how they continue to exert an influence on our lives today This comprehensive reference brings together superstitions and fads that are part of popular culture such as fortune telling healing practices once thought marginal that are now become increasingly accepted such as homeopathy and acupuncture frauds and hoaxes that have occurred throughout history such as UFOs mistaken theories first put forward as serious science but later discarded as false such as phrenology and racial typing etc More than 2000 extensively cross referenced and illustrated entries cover prominent phenomena major figures events topics places and associations **The Patience of Pearl** Daniel B. Shea,2012-12-15 When St Louis homemaker Pearl Curran began writing fiction and poetry at a Ouija board in 1913 she attributed the work to the discarnate entity Patience Worth a seventeenth century Puritan Though now virtually forgotten her writing garnered both critical praise and public popularity at the time The Patience of Pearl uncovers more of Curran s and thus Patience Worth s biography than has been known before Daniel B Shea provides close readings of the Patience dictated writings and explores the historical and local context applying current cognitive and neuro psychology research Though Pearl Curran had only a ninth grade education Patience Worth was able to dictate a biblical novel and a Victorian novel Echoes of Dickens and the Potters a circle of St Louis women writers make clear that Patience Worth reflects literary debts that go as far back as Curran being read to as a child Shea argues that the workings of implicit memory suggest the medium s creative

achievements were her own body's property Curran also had musical training and recent developments in the field of psychology regarding the overlap between musical and linguistic rhythms of regularity anticipation and surprise supply a firm foundation for attributing skills both automatic and creative to Curran Her reflections on her doubleness in her self study anticipate the many personed Ouija board writing of poet James Merrill Shea approaches Curran Worth as a summary figure for the Victorian era woman writer's buried voice at the point of its transition into modernism He investigates many lingering questions about Curran's fluent productivity at the Ouija board including the smart versus dumb unconscious Shea links unconscious memory dissociation and automatic writing and reconsiders problematic assumptions about individual identity and claims of personal agency The Curran Worth Puritan writer figure also allows scrutiny of gendered assumptions about the dangers of female speech and the idealization of women's passive reception of divine or husbandly revelation Novelistic in its own way Curran's life included three husbands and a child adopted on command from Patience Worth Pearl Curran enjoyed a brief period of celebrity in Los Angeles before her death in 1937 The Patience of Pearl once again brings her the attention she deserves for her life her writing and her place in women's literary history

**The Theory of Architecture** Paul-Alan Johnson, 1994-04-18 The Theory of Architecture Concepts Themes Practices Paul Alan Johnson Although it has long been thought that theory directs architectural practice no one has explained precisely how the connection between theory and practice is supposed to work This guide asserts that architectural theory does not direct practice but is itself a form of reflective practice Paul Alan Johnson cuts through the jargon and mystery of architectural theory to clarify how it relates to actual applications in the field He also reveals the connections between new and old ideas to enhance the reader's powers of critical evaluation Nearly 100 major concepts themes and practices of architecture as well as the rhetoric of architects and designers are presented in an easily accessible format Throughout Johnson attempts to reduce each architectural notion into its essential concept By doing so he makes theory accessible for everyday professional discussion Topics are arranged under ten headings identification definition power attitudes ethics order authority governance relationship and expression Areas covered under these headings include Utopic thought in theories of architecture Advocacy and citizen participation in architecture The basis of architectural quality and excellence The roles of the architect as artist poet scientist and technologist Ethical obligations of architecture Rationales for models and methods of design How authority is determined in architecture How architects structure their concepts Conventions of communication within the architectural profession Each section begins by showing the etymology of key terms of the topic discussed along with a summary history of the topic's use in architecture Discussions probe the conceptual and philosophical difficulties of different theories as well as their potential and limitations in past and present usage Among the provocative issues discussed in terms of their relationship to architecture are chaos theory feminism service to the community and the use of metaphor Johnson points out with stunning clarity the intentions as well as the contradictions and inconsistencies of all notions and

concepts All architects and designers as well as students and teachers in these disciplines will gain many insights about architectural thought in this groundbreaking text      **English Heritage Book of Glastonbury** Philip A. Rahtz,1993
