Quest For Community And Identity Critical Essays In Africana Social Philosophy:

The Quest for Community and Identity Robert E. Birt, 2002 This collection of essays engages two of the most fundamental social and political issues of our time community and identity Wrestling with the perplexities of these two issues within the Africana world the contributors delve into the influences of a postmodern world of globalization with outdated crumbling forms of identity and sociality In the wake of such an order new forms of identity and community must be established Birt has collected an informed group of contributors here who lay the foundation for a new approach to finding community and identity in the Africana world

Globalizing Critical Theory Max Pensky, 2005 The anthology begins with discussions of globalization and hegemony by the two giants Jürgen Habermas and Jacques Derrida Other contributors whose fields or institutions are not mentioned then consider the global public sphere race memory and forgetting and globalizing visions of science technology and aesthetics Annotation 2004 Book News

New Critical Theory William S. Wilkerson, Jeffrey R. Paris, Jeffrey Paris, 2001 New Critical Theory surveys contemporary leftist thought while introducing the tenets of this new form of critical theory Beginning with an exploration of the relationship between Marxism Habermas and the politics of identity William S Wilkerson and Jeffrey R Paris present a collection that critiques the globalization of capital The development of personality appears as subject to socialized standards in an age of global capitalism Only after scrutinizing the effects of such a system can liberation be found The essays within join Critical Theory with postmodern insights on language and subjectivity to provide a more comprehensive view of emancipatory social theory Through this and other reflections on critical race gender and queer theories Wilkerson and Paris emerge with an encompassing volume defining New Critical Theory

Handbook of Black Studies Molefi Kete Asante, Maulana Karenga, 2006 Publisher Description

After Capitalism David Schweickart, 2011-08-16 Since first published in 2002 After Capitalism has offered students and political activists alike a coherent vision of a viable and desirable alternative to capitalism David Schweickart calls this system Economic Democracy a successor system to capitalism which preserves the efficiency strengths of a market economy while extending democracy to the workplace and to the structures of investment finance In the second edition Schweickart recognizes that increased globalization of companies has created greater than ever interdependent economies and the debate about the desirability of entrepreneurship is escalating The new edition includes a new preface completely updated data reorganized chapters and new sections on the economic instability of capitalism the current economic crisis and China Drawing on both theoretical and empirical research Schweickart shows how and why this model is efficient dynamic and applicable in the world today

From Class to Race Charles Mills, 2003-11-19 Mills argues for a new critical theory that develops the insights of the black radical political tradition While challenging conventional interpretations of key Marxist concepts and claims the author contends that Marxism has been white insofar as it has failed to recognize the centrality of race and white supremacy to the making of the modern world

We Who Are Dark Tommie Shelby, 2009-06-30 We Who

Are Dark provides the first extended philosophical defense of black political solidarity Tommie Shelby argues that we can reject a biological idea of race and agree with many criticisms of identity politics yet still view black political solidarity as a needed emancipatory tool In developing his defense of black solidarity he draws on the history of black political thought focusing on the canonical figures of Martin R Delany and W E B Du Bois [Richard Wright](#) Keneth Kinnamon,2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography Black Boy and fiction Native Son By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author s earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics [Academic Freedom in Africa](#) Yamikani Ndasauka,Garton Kamchedzera,2024-10-14 This book leaves no stone unturned in its comprehensive examination of the complex challenges surrounding academic freedom in Africa Drawing on diverse perspectives and methodologies it delves into the historical philosophical legal and socio political dimensions shaping academic freedom across the continent The authors grapple with colonial legacies tensions between Western and African notions of intellectual liberty government authoritarianism and institutional constraints that hinder open discourse and the pursuit of knowledge The book highlights systemic obstacles and promising avenues for progress through case studies comparative analysis and empirical research such as constitutional reforms scholar activism and regional networks This thought provoking volume offers critical insights into the state of academic freedom in Africa emphasising the necessity of supporting African voices and agencies in the quest for meaningful intellectual autonomy Academic Freedom in Africa is an essential read for students scholars policymakers and anyone concerned with the future of higher education and democracy on the continent *W. E. B. Du Bois and the Problems of the Twenty-First Century* Reiland Rabaka,2008-04-29 W E B Du Bois and the Problems of the Twenty First Century utilizes Du Bois s thought and texts to develop an informed critical theory of contemporary society This book broadens the base of critical theory making it more multicultural transethnic transgender and non Western European philosophy focused by placing it in dialogue with theory and phenomena that had been heretofore woefully neglected Taking the preeminent black intellectual of the twentieth century as his primary point of departure Reiland Rabaka identifies and analyzes several key contributions that Du Bois and the black racial tradition offer to those interested in redeveloping and racially revising contemporary critical social theory With chapters on critical race theory postcolonial theory feminism and Marxism this volume builds bridges from Africana Studies to disparate discursive

communities accessibly demonstrating Du Bois's and the black radical tradition's contributions to and the potential impact on a wide range of new social scientific research and radical political struggles

A Companion to African-American Studies Jane Anna Gordon, Lewis Gordon, 2008-04-15 A Companion to African American Studies is an exciting and comprehensive re appraisal of the history and future of African American studies Contains original essays by expert contributors in the field of African American Studies Creates a groundbreaking re appraisal of the history and future of the field Includes a series of reflections from those who established African American Studies as a bona fide academic discipline Captures the dynamic interaction of African American Studies with other fields of inquiry

Critical Race Theory in the Academy Vernon Lee Farmer, Evelyn Shepherd W. Farmer, 2020-09-01 Critical Race Theory in the Academy explores the deep implications of race and its effects on the expanse of the American social fabric and its fragile democratic process This volume contributes to a more effective powerful and insightful theorization of racism across the social spectrum while furthering the movement for greater equity in higher education and beyond The audience for this book is broad and should be of great interest and value to all Americans who fight against racism which is focused on the destruction of Black people and other people of color Ideally educators scholars and practitioners will be compelled to engage the ideas within this volume to break down the color line and challenge the problematic master narrative in education and other aspects of society Critical Race Theory in the Academy offers current applications debates theories strategies and evolutions about critical race theory CRT with particular attention to CRT's intersections with the field of higher education and beyond As a part of the CRT corpus this volume details some of the most relevant and current topics deployed in varied disciplines of the academy confronting the complex interplay of race racism education and social justice in the twenty first century Specifically the authors explore topics from health disparities politics religion literature music social work psychology sports distance learning media bias affirmative action to education policies practices and scholarship The chapters in this volume should help navigate the tensions in the academy and beyond to work toward alleviating institutionalized racism Praise for Critical Race Theory in the Academy The field of Critical Race Theory is enriched by this important collection of new and original scholarship Vernon Farmer has brought together a dynamic and eclectic mix of radical voices from multiple disciplinary backgrounds including both established and early career scholars The result is a volume that constantly challenges and surprises the reader David Gillborn Professor of Critical Race Studies University of Birmingham UK Founding Editor of Race Ethnicity Education Critical Race Theory in the Academy has excavated the terrain of critical race theory to unearth multiple perspectives that are central to defining the fundamental contours of the field Each essay enhances the ways in which we read and understand the complexity of critical race theory It will be an invaluable resource for building a critical academy Aileen Moreton Robinson Queens and University of Technology Australia Author of The White Possessive Property Power and Indigenous Sovereignty Vernon Lee Farmer has done it again and for the final time He has pulled together a star studded

cast of academics of color to address an essential concern of the academy Throughout his career Farmer has demonstrated the uncanny ability to identify matters that require attention and attacked them with vigor In doing so he provided us with high impact resources that are beneficial to the professional trajectory of scholars of color This book is no different and we all should race to the bookstore to add this instant classic to our personal library Jerlando F L Jackson Vilas Distinguished Professor of Higher Education University of Wisconsin Madison Former Editor ASHE Reader Series on Higher Education Critical Race Theory in the Academy adds substantially to our understanding of the roles that race racism and social justice play as we tackle the myriad problems of pre K through higher education For those interested in gaining a deeper understanding of the issues in higher education from curriculum to the lack of diversity in the professoriate this work provides helpful insights that can enrich conversations and problem solving across sectors of society Freeman A Hrabowski III President University of Maryland Baltimore County Baltimore Maryland

Love and Revolution Signe Waller,2002
Love and Revolution A Political Memoir is both memoir and people s history It is a factually detailed and passionate account of events surrounding the Greensboro Massacre by a woman intimately connected with the events narrated The author s husband a pediatrician who abandoned medicine to work in a textile mill and organize low wage workers was among the slain

Forms of Fanonism Reiland Rabaka,2010-03-08 When Frantz Fanon s critiques of racism sexism colonialism capitalism and humanism are brought into the ever widening orbit of Africana critical theory something unprecedented in the annals of Africana intellectual history happens five distinct forms of Fanonism emerge Forms of Fanonism Frantz Fanon s Critical Theory and the Dialectics of Decolonization is discursively distinguished from other engagements of Fanon s thought and texts insofar as it is the first study to consciously examine his contributions to Africana Studies and critical theory or rather the Africana tradition of critical theory Forms of Fanonism identifies and intensely analyzes Fanon s contributions to the deconstruction and reconstruction of Africana Studies radical politics and critical social theory In highlighting his unique solutions to the problems of racism sexism colonialism capitalism and humanism five distinct forms of Fanonism materialize These five forms of Fanonism allow contemporary critical theorists to innovatively explore the ways in which his thought and texts can be dialectically put to use in relieving the wretched experience of this generation s wretched of the earth Critics can also apply these forms to deconstruct and reconstruct Africana Studies radical politics and critical social theory using their anti imperialist interests Throughout Forms of Fanonism Reiland Rabaka critically dialogues with Fanon incessantly asking his corpus critical questions and seeking from it crucial answers This book in short solemnly keeps with Fanon s own predilection for connecting critical theory to revolutionary praxis by utilizing his thought and texts as paradigms and points of departure to deepen and develop the Africana tradition of critical theory

Africalogical Perspectives ,2007 **A**
Philosophy of Struggle Leonard Harris,2020-04-30 Collating for the first time the key writings of Leonard Harris this volume introduces readers to a leading figure in African American and liberatory thought Harris writings on honor

insurrectionist ethics tradition and his work on Alain Locke have established him as a leading figure in critical philosophy His timely and urgent responses to structural racism and structural violence mark him out as a bold cultural commentator and a deft theoretician The wealth and depth of Harris writings are brought to the fore in this collection and the incisive introduction by Lee McBride serves to orient contextualize and frame an oeuvre that spans four decades In his prolegomenon Harris eschews the classical meaning of philosophy supplanting it with an idiosyncratic conception of philosophy philosophia nata ex conatu that features an avowedly value laden dimension As well as serving as an introduction to Harris philosophy A Philosophy of Struggle provides new insights into how we ought conceptualize philosophy race tradition and insurrection in the 21st century

Du Bois's Dialectics Reiland Rabaka,2009-01-01 With chapters that undertake ideological critiques of education religion the politics of reparations and the problematics of black radical politics in contemporary culture and society Du Bois s Dialectics employs Du Bois as its critical theoretical point of departure and demonstrates his and Africana Studies contributions to as well as contemporary critical theory s connections to critical pedagogy sociology of religion and reparations theory Rabaka offers the first critical theoretical treatment of the W E B Du Bois Booker T Washington debate which lucidly highlights Du Bois s transition from a bourgeois black liberal to a black radical and revolutionary democratic socialist

Beyond Philosophy Enrique D. Dussel,2003 Enrique Ambrosini Dussel is and has been one of the most prolific Latin American philosophers of the last 100 years This is the definitive English language collection of Dussel s enormous body of work in ethics economics history and liberation theology

Constructs of "home" in Gloria Naylor's Quartet Claudia Drieling,2011

Neither Victim nor Survivor Marilyn Nissim-Sabat,2009-07-16 In *Neither Victim nor Survivor Thinking toward a New Humanity* Marilyn Nissim Sabat offers a comprehensive critique of the interrelated concepts of victim and survivor as they have been ideologically distorted in Western thought Framed by the phenomenological perspective of Edmund Husserl Nissim Sabat carries out her argument through an intense engagement with current scholarly work on Toni Morrison s *Beloved* Sophocles *Antigone* akrasia psychoanalysis critical race theory feminist philosophy of science and Marxism Nissim Sabat ultimately proposes that a new consciousness enabled by the phenomenological attitude of the way in which ideological distortion of the concepts of victim and survivor helps to perpetuate victimization will empower us to find ways to end victimization and its anti human consequences The book s interdisciplinary approach will make it appealing to a broad range of students and scholars alike
