Happiness Darrin M. McMahon, 2006 An intellectual history of man's most elusive yet coveted goal Today we think of happiness as a natural right but people haven t always felt this way Historian McMahon argues that our modern belief in happiness is a recent development the product of a revolution in human expectations carried out since the eighteenth century He investigates that fundamental transformation by synthesizing two thousand years of politics culture and thought In ancient Greek tragedy happiness was considered a gift of the gods During the Enlightenment men and women were first introduced to the novel prospect that they could in fact should be happy in this life as opposed to the hereafter This recognition of happiness as a motivating ideal led to its consecration in the Declaration of Independence McMahon then shows how our modern search continues to generate new forms of pleasure but also paradoxically new forms of pain From Pithy Polish Proverbial Sayings Pasquale De Marco, 2025-04-11 Embark on a journey of self publisher description discovery and personal growth with Pithy Polish Proverbial Sayings a captivating collection of Polish proverbs and adages that offer profound insights into the human condition Within these pages you ll find a treasure trove of wisdom wit and timeless truths that have been passed down through generations These proverbs capture the essence of human nature relationships morality success happiness and the ultimate questions of life and death Drawing upon the rich cultural heritage of Poland this book presents a unique perspective on the human experience offering guidance inspiration and a fresh outlook on life s challenges and opportunities Each proverb stands as a self contained gem yet collectively they form a cohesive tapestry of wisdom weaving together a narrative of the human condition With its captivating blend of wit wisdom and timeless truths Pithy Polish Proverbial Sayings is an invaluable resource for anyone seeking to navigate the complexities of life s journey Discover the profound beauty and enduring relevance of these ancient sayings and allow them to illuminate
