American poet Frederick Goddard Tuckerman focuses on his development as both a Romantic whose work was influenced by Keats Emerson and Tennyson and as an anti Romantic in the mold of Hawthorne Melville and Dickinson Using previously unexamined letters family records and notes by Tuckerman Eugene England traces the poet s unique combination of Anglican rationalism legal training and skill in natural observation under the tutelage of his brother Edward a noted botanist

all of which caused him to depart from the orthodox Emersonian Romanticism in unusual and instructive ways England examines Tuckerman's challenging resolution to basic aesthetic and epistemological dilemmas posed by Romanticism and demonstrates that his poems are a first rate artistic achievement of continuing value Beyond Romanticism includes a general bibliography as well as a complete bibliography of Tuckerman's writings and works about him and his poetry [Complete Poems and Collected Letters of Adelaide Crapsey](#) Susan S. Smith, 2016-06-15 This book presents the poetry and letters of the American writer Adelaide Crapsey 1878-1914 Her best poetry deserves to be enjoyed by a larger audience and her letters and newly discovered biographical materials reveal new charm and meaning in an intriguingly elusive character Crapsey did not live to see any of her mature poetry published she received notice that her first poem had been accepted for publication only a week before she died Posthumous editions of her Verse in 1915 1922 and 1934 however brought her recognition and respect Carl Sandburg paid her a poetic tribute American critic Yvor Winters praised her as a minor poet of great distinction and felt that her poems remained in their way honest and acutely perceptive Her best work is compressed terse related in this respect to the work of another American poet who won posthumous recognition Emily Dickinson Crapsey is best known as the inventor of the cinquain a poem of five short lines of unequal length one stress two stress three stress four stress and one stress The cinquain is one of the few modern verse forms developed in English and its brevity and characteristic thought pattern seem to have been influenced by Japanese forms Crapsey's indebtedness to Japanese poetry and her relation to Imagism have long been subjects for debate As Winters notes the work of Crapsey achieves more effectively than did almost any of the Imagists the aims of Imagism The critical introduction by Professor Susan Sutton Smith examines these problems Much of Crapsey's poetry is reticent withdrawn and private and she believed strongly in the individual's right to privacy Whatever new biographical materials reveal of her and of her relations with family and friends however shows a charming and courageous woman Her courage and humor show especially well in her correspondence with her friend Esther Lowenthal and in the letters with her friend Jean Webster McKinney author of Daddy Long Legs who died soon after Crapsey

multiple forms of postcolonial critique this book turns back to salient eighteenth century British lives and work for a different kind of enlightenment Among its central subjects are the elusive subjectivity of William Collins the exilic religious experience of William Cowper and its multiple readings in the twentieth century by a self fashioned exilic Donald Davie the missed encounter between Christopher Smart and Samuel Johnson and the ways in which that problem was re inscribed in the work of W Jackson Bate and Lionel Trilling the problem of imperial fixity in James Cook s journals with a view to Gray s Elegy and Goldsmith s Deserted Village and the problem of purity as a paradoxically privileged and exilic force in the work of John Newton and Christopher Smart In these explorations this book illustrates both an expanded view of eighteenth century colonial liabilities and a new emphasis on postcolonial critique as a means of exploring the fissures always present in imperial ambition
