Vindra Rennie Coolman,2015-02-03 The only gift we can give to the world is the manifestation of the Spirit in our every moment We can be the Light that is needed in our country and our world today Every one of us has the power to bring about change if only we can believe and touch the Spirit within For Vindra Naipaul Coolman these words were reflected in the life that she lived She was a modern day contemplative born in Trinidad and Tobago who believed that she could make a difference in its development at all levels Her much publicised kidnapping and murder in December 2006 has left an indelible mark in the landscape of our country This book introduces other aspects of her extraordinary life in the hope that her story will become more than just a passing memory Ultimately it should serve as a catalyst for change both in our inner and outer worlds *Decision Making and the Will of God* Garry Friesen,J. Robin Maxson,2009-10-07 Does God Have a Perfect Will for Your Life Does God have a perfect will for each Christian Can you be absolutely certain of God s specific will for your life In this expanded twenty fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God s will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources Study guide for small groups Responses to Frequently Asked Questions Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God s will yet many are still unsure whether they ve found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God s will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God s will was biblically deficient Maybe
