wasn't about to desert his buddies on the front lines when they needed him. Chick volunteered. A day later he was on a cargo ship headed to Vietnam, armed with Irish luck and a backpack full of alcohol. Landing in Qui Nho n, Chick set off on an adventure that would change his life forever: an odyssey that took him through a series of hilarious escapades and harrowing close calls, including the Tet Offensive. But none of that mattered if he could bring some cheer to his pals and show them how much the folks back home appreciated them. This is the story of that epic beer run, told in Chick's own words and those of the men he visited in Vietnam.
