## Quest For Apache Gold:

**Quest for Apache Gold** Howard Pelham, 1988      Apache Gold Joseph A. Altsheler, 2021-08-31 In *Apache Gold* Joseph A. Altsheler crafts a riveting tale set against the backdrop of the American West during the late 19th century. The novel intricately weaves themes of conflict, courage, and cultural encounters within its fast-paced narrative, showcasing Altsheler's deft handling of adventure and character development. The literary style combines vivid descriptions with realistic dialogue, embodying the spirit of the Wild West while offering commentary on the tumultuous relationships between settlers and Native Americans amidst the gold rush frenzy. Altsheler's work sits within the broader context of early American adventure novels, capturing both the romanticism and the harsh realities of frontier life. Joseph A. Altsheler, an American author known for his historical novels, drew inspiration from his deep fascination with American history and the frontier experience. Born in 1862 in Kentucky, Altsheler's formative years were influenced by the Civil War's aftermath and the mythologized narratives surrounding American expansion. His keen interest in the Old West, combined with a profound understanding of character motivations and historical contexts, synergizes to create gripping stories that reflect the struggles and triumphs of his fictional characters. *Apache Gold* is a compelling read for enthusiasts of Western literature and adventure narratives. Apache Gold Earl Farabaugh, 2021-08-04 *Apache Gold* By Earl Farabaugh Jack Cummings receives a call from his mother with some troubling family news. Suddenly he finds his ordinary life in Chicago uprooted, landing himself on a Native American reservation where his grandfather built a life as a well-respected veterinarian. The reservation is a far cry from the modern civilization Cummings is used to. He doesn't quite fit in, but the desert landscape has its own alluring charm. And the Apache people have so much to teach him about their culture and his own. As Cummings begins to unravel his family history, he begins to understand the injustices the Apache Indians have endured at the hands of the American government. He also learned of a lost gold treasure that many have hunted but never found. All other explorers were left for the vultures to find. The gold could change history, certainly could change Cummings' life forever, but can he find it and live to tell the tale.

Altsheler,2019-09-25 Reproduction of the original *The Forest Runners* by Joseph A Altsheler     *The Forest of Swords: A Story of Paris and the Marne* Joseph Alexander Altsheler,2010-01-01 John Scott and Philip Lannes walked together down a great boulevard of Paris The young American s heart was filled with grief and anger The Frenchman felt the same grief but mingled with it was a fierce burning passion so deep and bitter that it took a much stronger word than anger to describe it Both had heard that morning the mutter of cannon on the horizon and they knew the German conquerors were advancing They were always advancing Nothing had stopped them The metal and masonry of the defenses at Li ge had crumbled before their huge guns like china breaking under stone The giant shells had scooped out the forts at Maubeuge Maubeuge the untakable as if they had been mere eggshells and the mighty Teutonic host came on almost without a check John had read of the German march on Paris nearly a half century before how everything had been made complete by the genius of Bismarck and von Moltke how the ready had sprung upon and crushed the unready but the present swoop of the imperial eagle seemed far more vast and terrible than the earlier rush could have been A month and the legions were already before the City of

Light Men with glasses could see from the top of the Eiffel Tower the gray ranks that were to hem in devoted Paris once more and the government had fled already to Bordeaux It seemed that everything was lost before the war was fairly begun The coming of the English army far too small in numbers had availed nothing It had been swept up with the others escaping from capture or destruction only by a hair and was now driven back with the French on the capital John had witnessed two battles and in neither had the Germans stopped long Disregarding their own losses they drove forward immense overwhelming triumphant He felt yet their very physical weight pressing upon him crushing him giving him no time to breathe The German war machine was magnificent invincible and for the fourth time in a century the Germans the exulting Kaiser at their head might enter Paris The Emperor himself might be nothing mere sound and glitter but back of him was the greatest army that ever trod the planet taught for half a century to believe in the divine right of kings and assured now that might and right were the same Every instinct in him revolted at the thought that Paris should be trodden under foot once more by the conqueror The great capital had truly deserved its claim to be the city of light and leading and if Paris and France were lost the whole world would lose He could never forget the unpaid debt that his own America owed to France and he felt how closely interwoven the two republics were in their beliefs and aspirations
