Boyd,2009-05-18 The church was established to serve the world with Christ like love not to rule the world It is called to look like a corporate Jesus dying on the cross for those who crucified him not a religious version of Caesar It is called to manifest the kingdom of the cross in contrast to the kingdom of the sword Whenever the church has succeeded in gaining what most American evangelicals are now trying to get political power it has been disastrous both for the church and the culture Whenever the church picks up the sword it lays down the cross The present activity of the religious right is destroying the heart and soul of the evangelical church and destroying its unique witness to the world The church is to have a political voice but we are to have it the way Jesus had it by manifesting an alternative to the political power over way of doing life We are to transform the world by being willing to suffer for others exercising power under not

The Quest for Myth Michael T. O'Donoghue, 198? A World Of Their Own Making John Gillis, 1996-07-11 A World of Their Own Making questions our idealized notion of The Family a mind set in which myth and symbol still hold sway As the families we live with become more fragile the symbolic families we live by become more powerful Yet it is only by accepting the notion that our rituals myths and images must be open to perpetual revision that we can satisfy our human needs and changing circumstances Our families are worlds of our own making
