place to end his misery At the outset Major imposed difficult commandments for the road for himself and had an inkling that the trek would be demanding precisely the punishment he thought he deserved However he had no way of knowing where his travels would lead nor how the varied experiences he would face could impact his mental well being and future It began rudely when an unfriendly hunting dog peed on Major s sleeping bag while he cringed inside hoping not to be attacked Assaults by ants leeches and hoodlums added to his desired misery Other encounters quickly showed that many people have severe problems and he helped many of them over major life hurdles Those occasions caused him to look outwardly instead of inwardly and his self esteem began to rise A chance encounter with an attractive young lady created a new dimension to his life but neither she nor anything else deterred him from finding the relief he sought At the end of the test year Major was greatly affected by the numerous events during his trek some delightful some dangerous and harrowing and some were inspiring and uplifting Major concluded that he could reasonably expect a normal life even one that included painful memories and shame for his past sins One of his self imposed rules for the year was to completely sever ties with his former life and was unaware of surprising developments that had a bearing on his misery Crusades end eventually some in dignity and accomplishments some causing misery and some with the crusader finding his or her elusive Holy Grail Major s yearlong crusade ended with startling surprises with him finding a Holy
