Quest for the Best Stanley Marcus, 2001 Quest for the Best is not just a nostalgic look however at the age of handcrafted elegance Marcus gives good advice on how consumers can educate themselves about the best demand it and get it He describes his own experiences with the best in chapters such as The Things You Love to Touch and Bed and Board Witty urbane but always accessible Marcus is a joy to read BOOK JACKET The Best Care Possible Ira Byock, 2012-03-15 A palliative care doctor on the front lines of hospital care illuminates one of the most important and controversial ethical issues of our time on his quest to transform care through the end of life It is harder to die in this country than ever before Statistics show that the vast majority of Americans would prefer to die at home yet many of us spend our last days fearful and in pain in a healthcare system ruled by high tech procedures and a philosophy to fight disease and illness at all cost Dr Ira Byock one of the foremost palliative care physicians in the country argues that end of life care is among the biggest national crises facing us today In addressing the crisis politics has trumped reason Dr Byock explains that to ensure the best possible care for those we love and eventually ourselves we must not only remake our healthcare system we must also move past our cultural aversion to talking about death and acknowledge the fact of mortality once and for all Dr Byock describes what palliative care really is and with a doctor's compassion and insight puts a human face on the issues by telling richly moving heart wrenching and uplifting stories of real people during the most difficult moments in their lives Byock takes us inside his busy cutting edge academic medical center to show what the best care at the end of life can look like and how doctors and nurses can profoundly shape the way families experience loss Like books by Atul Gawande and Jerome Groopman The Best Care Possible is a compelling meditation on medicine and ethics told through page turning life or death medical drama It is passionate and timely and it has the power to lead a new kind of national conversation Across the Top of the World James Delgado, 2009-12-01 The centuries long quest for the fabled Northwest Passage rivals the story of Antarctic exploration for heroism drama and tragedy Expedition after expedition set off in search of a sea route connecting Europe with Asia's riches each expedition suffered extreme hardship and ended in defeat until Roald Amundsen finally succeeded in 1903 06 Across the Top of the World brings this incredible saga to life through exhaustive research grim firsthand accounts and hundreds of dramatic images Paintings engravings and photos of the intrepid men and their ships as well as of relics and archaeological sites provide a poignant and compelling link with the past while landscapes and seascapes of the harsh yet beautiful Arctic illustrate the challenges that faced explorers Covering all the major expeditions in detail and written with passion and authority this book is both a scholarly reference and an eminently readable history of Arctic exploration **Ouest for Justice** Richard Jaffe, 2020-03-23 Richard Jaffe's explosive second edition of Quest for Justice Defending the Damned affirms the vital role criminal defense lawyers play in the balance between life and death liberty and lockup It is a compelling journey into the legal and human drama of life or death criminal cases that often reads more like hard to imagine fiction yet these

it s a daily practice that demands integrity and authenticity It s a personal commitment that we carry in our hearts Brown offers us the clarity and courage we need to find our way back to ourselves and to each other And that path cuts right through the wilderness Brown writes The wilderness is an untamed unpredictable place of solitude and searching It is a place as dangerous as it is breathtaking a place as sought after as it is feared But it turns out to be the place of true belonging and it s the bravest and most sacred place you will ever stand The Ouest for Being, and Other Studies in Naturalism and Humanism Sidney Hook, 1961 Essays by a contemporary American philosopher on secularism religion moral freedom etc published in journals covering the years 1934 1960 The Totally Awesome Epic Quest of the Brave Boy Knight Pranas T.
