Mails,1998 To the Plains Indians the Sun Dance has traditionally been a profound religious ceremony the highest form of worship of the Most Holy One Thomas E Mails was invited to attend and record in detail the Sioux Sun Dances at Rosebud and Pine Ridge This was a singular honor no white man has been accorded before or since The result is this groundbreaking work illustrated with rare photographs

and stunning four color paintings **The Way Back** RLC,2018-08-06 One minute Richard is giving tennis lessons at the club to a plump female client who cannot play a lick The next minute he awakens in a mystical deserted forest without any idea of how he arrived there While listening to the multitude of voices in his head Richard sets out on a quest to find his way back home Soon Richard happens upon an ancient cabin and a strange American Indian who commits to helping him unravel the mysteries of not only the strange world he has landed in but also the one he is attempting to return to It is not long before Richard realizes that he must first learn the warriors way of life and unveil his true self before he can ever hope to find his way back home The Way Back reveals the tale of one mans unanticipated philosophical journey into a mystical forest where a warrior mentor helps him learn how to overcome his enemies live in the moment and listen to his inner voice

Principles of Tsawalk Umeek / E. Richard Atleo,2024-03-20 The word tsawalk literally one expresses the ancient Nuuchah nulth view that all living things human plant and animal form part of an integrated whole brought into harmony through constant negotiation and mutual respect In Principles of Tsawalk Umeek argues that contemporary environmental and political crises reflect a world out of balance Building upon his first book Tsawalk A Nuuchah nulth Worldview Umeek weaves together indigenous and Western worldviews into an alternative framework for responding to global environmental and political crises and to the dispossession and displacement of indigenous peoples These problems the author shows stem from an historical and persistent failure to treat all peoples and life forms with respect and accord them constitutional recognition As this book demonstrates the Nuuchah nulth principles of recognition consent and continuity embodied in songs language and ceremonies hold the promise of achieving sustainable lifeways in this shared struggle for balance
