Quest For The White

Tanith Lee

Quest For The White:

Quest for the White Witch Tanith Lee, 2015-04-30 He called himself by the name of the father he had never known Vazkor king of a forgotten land In his veins were mingled the blood of that regal warrior and that of his witch mother the silver masked snowy haired survivor of the hated Old Race He had sworn that she would die at his hands in the name of his father and all that his world had become Across that barbaric and age haunted planet his quest went relentlessly on As he searched so grew his own powers his fearful heritage Across wide seas in conquered cities and among haunted mountains the hunt took him And as he drew closer to his objective the clearer became the way she must be slain the more certain his ability to sunder all her witchcraft and ancient science to rid the world once and for all of his creator the white witch from the volcano

Peregrine Quest Clayton M. White, 2006 Phoenix Prime Ted White, 2011-09-29 The dream of being a superman came true for Max Quest and immediately turned into a nightmare He was not alone There were Others with extraordinary powers and the last thing they wanted was another superman on Earth especially one working for good instead of evil They couldn't kill him But they could send him elsewhere Elsewhere was the viciously hostile world of Qanar where Max's powers didn't work and sorcery was a more potent weapon than science where shadows were as menacing as steel Max Quest still had to save Earth from the corrupt threat of the Others but he found his destiny intricately linked with that of Qanar as well And somewhere in space time was his lost love

The Quest for the Great White Quail John R. Erickson, 2017-12-31 Everyone knows that a dog's gotta chew what a dog's gotta chew But when Hank's doggie urges have him chomping on plastic including Little Alfred's toy truck Hank knows he's got to get things under control Then Beulah the long eared lady dog of his dreams shows up at the ranch and Hank is thrilled At last he thinks she's finally given up her infatuation with Plato the Bird Dog But it turns out that Plato is missing and Beulah wants Hank to help find him Can he put his doggie dreams aside and do the right thing

Futureface Alex Wagner, 2018-04-17 From the host of MSNBC's Alex Wagner Tonight a rich and revealing memoir The New York Times about her travels around the globe to solve the mystery of her ancestry confronting the question at the heart of the American experience of immigration race and identity Who are my people A thoughtful beautiful meditation on what makes us who we are and the values and ideals that bind us together as Americans Barack Obama The daughter of a Burmese mother and a white American father Alex Wagner grew up thinking of herself as a futureface an avatar of a mixed race future when all races would merge into a brown singularity But when one family mystery leads to another Wagner's post racial ideals fray as she becomes obsessed with the specifics of her own family's racial and ethnic history Drawn into the wild world of ancestry she embarks upon a quest around the world and into her own DNA to answer the ultimate questions of who she really is and where she belongs The journey takes her from Burma to Luxembourg from ruined colonial capitals with records written on banana leaves to Mormon databases genetic labs and the rest of the twenty first century genealogy complex But soon she begins to grapple with a deeper question Does it matter Is

our enduring obsession with blood and land race and identity worth all the trouble it's caused us Wagner weaves together fascinating history genetic science and sociology but is really after deeper stuff than her own ancestry in a time of conflict over who we are as a country she tries to find the story where we all belong Praise for Futureface Smart searching Meditating on our ancestors as Wagner's own story shows can suggest better ways of being ourselves Maud Newton The New York Times Book Review Sincere and instructive This timely reflection on American identity with a bonus exposé of DNA ancestry testing deserves a wide audience Library Journal The narrative is part Mary Roach style participation heavy research part family history and part exploration of existential loneliness The journey is worth taking Kirkus Reviews A ruminative exploration of ethnicity and identity Wagner's odyssey is an effective riposte to anti immigrant politics Publishers Weekly

Fable: The Balverine Order Peter David, 2010-10-05 The days of magic and adventure are fading away giving way to the age of industry and science As the aged last Hero sits upon the throne of Albion two friends the privileged Thomas and his loyal servant John set out for the East in search of a legendary beast the vicious rarely seen balverine But their desire for adventure may be their ultimate undoing because their quarry has just found them

The Puzzle Solver Tracie White, 2021-01-05 A Father His Son and an Unrelenting Quest for a Cure At the age of twenty seven Whitney Dafoe was forced to give up his life as a photographer who traveled the world Bit by bit a mysterious illness stole away the pieces of his life First it took the strength of his legs then his voice and his ability to eat Finally even the sound of a footstep in his room became unbearable The Puzzle Solver follows several years in which he desperately sought answers from specialist after specialist where at one point his BMI frame dropped to 115 lbs For years he underwent endless medical tests but doctors told him there was nothing wrong Then finally a diagnosis Chronic Fatigue Syndrome also known as myalgic encephalomyelitis In the 80s when an outbreak of people immobilized by an indescribable fatigue were reported near Lake Tahoe Nevada doctors were at a loss to explain the symptoms The condition would alternatively be nicknamed Raggedy Ann Syndrome or the Yuppie Disease and there was no cure or answers about treatment They were to remain sick But there was one answer Whitney's father Ron Davis PhD a world class geneticist at Stanford University whose legendary research helped crack the code of DNA suddenly changed the course of his career in a race against time to cure his son's debilitating condition In The Puzzle Solver journalist Tracie White who first wrote a viral and award winning piece on Davis and his family in Stanford Medicine tells his story In gripping prose she masterfully takes readers along on this journey with Davis to solve one of the greatest mysteries in medicine In a piercing investigative narrative closed doors are opened and masked truths are exposed as Davis uncovers new proof confirming that Chronic Fatigue Syndrome is a biological disease At the heart of this book is a moving story that goes far beyond medicine this is a story about how the power of love and science can shine light in even the darkest most hidden corners of the world

The Quest for Citizenship Kim Cary Warren, 2010-09-13 In The Quest for Citizenship Kim Cary Warren examines the formation of African American and Native American citizenship belonging and

identity in the United States by comparing educational experiences in Kansas between 1880 and 1935 Warren focuses her study on Kansas thought by many to be the quintessential free state not only because it was home to sizable populations of Indian groups and former slaves but also because of its unique history of conflict over freedom during the antebellum period After the Civil War white reformers opened segregated schools ultimately reinforcing the very racial hierarchies that they claimed to challenge To resist the effects of these reformers actions African Americans developed strategies that emphasized inclusion and integration while autonomy and bicultural identities provided the focal point for Native Americans understanding of what it meant to be an American Warren argues that these approaches to defining American citizenship served as ideological precursors to the Indian rights and civil rights movements This comparative history of two nonwhite races provides a revealing analysis of the intersection of education social control and resistance and the formation and meaning of identity for minority groups in America The Wilderness McKay Coppins,2015 The Story Pirates Present: Quest for the Crystal Crown Story Pirates,Annabeth Bondor-Stone,Connor White,2020-02-11 A hidden lost world A powerful crystal crown This gripping fantasy adventure inspired by a real kid s idea doubles as a creative writing guide for young writers An enchanted arrow pierces the wall of Hillview the city is under attack Years ago a powerful crystal crown was stolen from a group of magic wielders called Lysors Lacking the crown s protection the Lysors hid themselves behind the city walls shut off from the rest of the world But with danger upon them once more can Laura a spunky girl with a knack for adventure journey outside Hillview and reclaim the crystal crown Changing kids lives one story at a time is the motto of the Story Pirates a group of professional comedians and teachers who bring kids writing to life in animated short films on their hit podcast and in theaters and schools across America Like the first two books Stuck in the Stone Age and Digging Up Danger this imaginative fantasy is based on an idea from a real kid The story is also a jumping off point for an introduction to the basics of creative writing With the help of Story Pirate Captain Vincent Rolo and the Fantasy Creation Zone readers can use this novel as inspiration to create their OWN great fantasy adventure Halfway to Heaven Mark Obmascik,2009-05-12 Fat forty four father of three sons and facing a vasectomy Mark Obmascik would never have guessed that his next move would be up a 14 000 foot mountain But when his twelve year old son gets bitten by the climbing bug at summer camp Obmascik can t resist the opportunity for some high altitude father son bonding by hiking a peak together After their first joint climb addled by the thin air Obmascik decides to keep his head in the clouds and try scaling all 54 of Colorado s 14 000 foot mountains known as the Fourteeners and to do them in less than one year The result is Halfway to Heaven Pulitzer Prize winning journalist Obmascik s rollicking witty sometimes harrowing often poignant chronicle of an outrageous midlife adventure that is no walk in the park although sometimes it s A Walk in the Woods but with more sweat and less oxygen Half a million people try climbing a Colorado Fourteener every year but only twelve hundred have reported summiting them all Can an overweight stay at home dad become No 1 201 With his ebullient personality and sparkling prose Obmascik brings us

inside the quirky colorful subculture of mountaineering obsessives who summit these mountains year after year Honoring his concerned wife s orders not to climb alone Obmascik drags old friends up the slopes some of them lifelong flatlanders tasting thin air for the first time and lures seasoned Rockies junkies into taking on a huffing puffing newbie by bribing them with free beer lunches and car washes Among the new friends he makes are an ex drag racer trying to perform a headstand on every summit the lead oboe player in a Hebrew salsa band and a climber with the counterproductive pre climb ritual of gulping down four beers and a burrito Along the way Obmascik experiences the raw rowdy and rarely seen intimacy of male friendship braced by the double intoxicants of adrenaline and altitude Though danger is always present the Colorado Fourteeners have killed more climbers than Mount Everest Mark knows his aging scalp can t afford the hair raising adventures of Jon Krakauer s Into Thin Air and his quest becomes a story of family friendship and fraternity In Obmascik s summer of climbing he loses fifteen pounds finds a few dozen man dates and gains respect for the history of these storied mountains home to cannibalism gold rushes shoot outs and one of the nation s most famed religious shrines As much about midlife and male bonding as it is about mountains Halfway to Heaven tells how weekend warriors can survive them all as they reach for those most distant things the summits of mountains and a teenage son And as one man exceeds the physical achievements of his youth he discovers that age like summit height is just a number

Racing the White Silence Adam Killick,2004 Unlike the Iditarod the Yukon Quest International Sled Dog Race isn t for moneyed adventurers with a fanciful interest in mushing The race billed as the toughest in the world crosses 1 000 miles of forbidding land between Whitehorse and Fairbanks Alaska and pits man woman and dog against the nastiest that nature has to offer In Racing the White Silence Canadian journalist Adam Killick follows the racers and their dogs for two weeks taking us not only into the heartland of the Yukon and Alaska but into the minds of the extraordinary people who dare to race

Archer's Quest Linda Sue Park,2008 Twelve year old Kevin Kim helps Chu mong a legendary king of ancient Korea return to his own time

White Women Regina Jackson,Saira Rao,2022-11-01 A no holds barred guidebook aimed at white women who want to stop being nice and start dismantling white supremacy It s no secret that white women are conditioned to be nice but did you know that the desire to be perfect and to avoid conflict at all costs are characteristics of white supremacy culture As the founders of Race2Dinner an organization which facilitates conversations between white women about racism and white supremacy Regina Jackson and Saira Rao have noticed white women s tendency to maintain a veneer of niceness and strive for perfection even at the expense of anti racism work In this book Jackson and Rao pose these urgent questions how has being nice helped Black women Indigenous women and other women of color How has being nice helped you in your quest to end sexism Has being nice earned you economic parity with white men Beginning with freeing white women from this oppressive need to be nice they deconstruct and analyze nine aspects of traditional white woman behavior from tone policing to weaponizing tears that uphold white supremacy society and hurt all of us who are trying to live a freer more equitable life

White Women is a call to action to those of you who are looking to take the next steps in dismantling white supremacy Your white supremacy If you are in fact doing real anti racism work you will find few reasons to be nice as other white people want to limit your membership in the club If you are not ticking white people off on a regular basis you are not doing it right

T.H. White's Troubled Heart Kurth Sprague,2007 An analysis of women in *The Once and Future King* The contexts for the *The Once and Future King* are here expertly analysed through the lenses of previously unpublished materials and drawings from the Ransom Center by the late novelist and poet Kurth Sprague The author concentrates on White s misogyny as a result of his reaction to his difficult mother Constance but he equally focuses on the charm of White s other queen Guenevere Nothing had more impact on White than his mother his dogs and his friendships though his readings in the history of chivalry are very deep and this book enables us to see the development of White s monumental and symphonic work

Great White Fathers John Taliaferro,2003-12-18 Shares the accomplishments of Gutzon Borglum the sculptor responsible for the creation of Mount Rushmore revealing his motivations for constructing the monument and the response he received after its completion

Quest for Equality Neil Foley,2010-05 Neil Foley examines the complex interplay among regional national and international politics that plagued the efforts of Mexican Americans and African Americans to find common ground in ending employment discrimination and school segregation

Patrick White Within the Western Literary Tradition John Beston,2010 Representing the author s interest spanning over thirty five years the essays expose White s evocation of dimensions other than material reality his preoccupation with epiphanies and mythmaking and his constant forging of a poetic style

Doodle Quest Anthony Holden,2015-01-01 A collection of black and white drawings from 2011 2014 by animation artist and illustrator Anthony Holden

White Richard Dyer,2013-10-18 White people are not literally or symbolically white yet they are called white What does this mean In Western media whites take up the position of ordinariness not a particular race just the human race How is this achieved White takes these questions as starting points for an examination of the representation of whiteness by whites in Western visual culture Dyer places this representation within the contexts of Christianity race and colonialism In a series of absorbing case studies he shows the construction of whiteness in the technology of photography and film as part of a wider culture of light discusses heroic white masculinity in muscle man action cinema from Tarzan and Hercules to Conan and Rambo analyses the stifling role of white women in end of empire fictions like *The Jewel in the Crown* and traces the associations of whiteness with death in *Falling Down* horror movies and cult dystopian films such as *Blade Runner* and the *Aliens* trilogy
