

A close-up photograph of a woman's face and a child's head resting on a green, textured surface. The woman has dark hair and blue eyes, looking slightly to the side. The child's head is resting on the woman's shoulder. The green surface has a rough, crystalline texture, possibly representing ice or a rock.

## Question Of Loyalty:

**A Question of Loyalty** Douglas C. Waller, 2009-10-13 A Question of Loyalty plunges into the seven week Washington trial of Gen William Billy Mitchell the hero of the U S Army Air Service during World War I and the man who proved in 1921 that planes could sink a battleship In 1925 Mitchell was frustrated by the slow pace of aviation development and he sparked a political firestorm accusing the army and navy high commands and by inference the president of treason and criminal negligence in the way they conducted national defense He was put on trial for insubordination in a spectacular court martial that became a national obsession during the Roaring Twenties Uncovering a trove of new letters diaries and confidential documents Douglas Waller captures the drama of the trial and builds a rich and revealing biography of Mitchell A Question of Loyalty Barbara Greenwood, 1995 While her father is in Toronto helping to quell the Mackenzie rebellion Deborah finds a wounded rebel in the barn and must choose between loyalty to her father and the wounded boy A Question of Loyalty Paul M. Sniderman, 2024-07-19 **The End of Loyalty** Rick Wartzman, 2017-05-30 Having a good stable job used to be the bedrock of the American Dream Not anymore In this richly detailed and eye opening book Rick Wartzman chronicles the erosion of the relationship between American companies and their workers Through the stories of four major employers General Motors General Electric Kodak and Coca Cola he shows how big businesses once took responsibility for providing their workers and retirees with an array of social benefits At the height of the post World War II economy these companies also believed that worker pay needed to be kept high in order to preserve morale and keep the economy humming Productivity boomed But the corporate social contract didn't last By tracing the ups and downs of these four corporate icons over seventy years Wartzman illustrates just how much has been lost job security and steadily rising pay guaranteed pensions robust health benefits and much more Charting the Golden Age of the 50s and 60s the turbulent years of the 70s and 80s and the growth of downsizing outsourcing and instability in the modern era Wartzman's narrative is a biography of the American Dream gone sideways Deeply researched and compelling The End of Loyalty will make you rethink how Americans can begin to resurrect the middle class Finalist for the Los Angeles Times book prize in current interest A best business book of the year in economics Strategy Business **Beyond the Ultimate Question** Bob E. Hayes, 2009 *The Limits of Loyalty* Simon Keller, 2007 Simon Keller explores the varieties of loyalty and their psychological and ethical differences *The Pretenses of Loyalty* John Perry, 2011-07-06 In the face of ongoing religious conflicts and unending culture wars what are we to make of liberalism's promise that it alone can arbitrate between church and state In this wide ranging study John Perry examines the roots of our thinking on religion and politics placing the early modern founders of liberalism in conversation with today's theologians and political philosophers From the story of Antigone to debates about homosexuality and bans on religious attire it is clear that liberalism's promise to solve all theological and political conflict is a false hope The philosophy connecting John Locke to John Rawls seeks a world free of tragic dilemmas where there can be no Antigones

Perry rejects this as an illusion. Disputes like the culture wars cannot be adequately comprehended as border encroachments presided over by an impartial judge. Instead, the political conflict must be considered a contest of loyalties within each citizen and believer. Drawing on critics of Rawls ranging from Michael Sandel to Stanley Hauerwas, Perry identifies what he calls a turn to loyalty by those who recognize the inadequacy of our usual thinking on the public place of religion. The Pretenses of Loyalty offers groundbreaking analysis of the overlooked early work of Locke where liberalism's founder himself opposed toleration. Perry discovers that Locke made a turn to loyalty analogous to that of today's communitarian critics. Liberal toleration is thus more sophisticated, more theologically subtle, and ultimately more problematic than has been supposed. It demands not only governmental neutrality as Rawls believed but also a reworked political theology. Yet this must remain under suspicion for Christians because it places religion in the service of the state. Perry concludes by suggesting where we might turn next, looking beyond our usual boundaries to possibilities obscured by the liberalism we have inherited.

Exit, Voice, and Loyalty Albert O. Hirschman, 1972-02-01 An innovator in contemporary thought on economic and political development looks here at decline rather than growth. Hirschman makes a basic distinction between alternative ways of reacting to deterioration in business firms and in general to dissatisfaction with organizations.

**Loyalty** George P. Fletcher, 1995-07-13 At a time when age-old political structures are crumbling, civil strife abounds, and economic uncertainty permeates the air, loyalty offers us security in our relationships with associates, friends, and family. Yet loyalty is a suspect virtue. It is not impartial. It is not blind. It violates the principles of morality that have dominated Western thought for the last two hundred years. Loyalties are also thought to be irrational and contrary to the spirit of Capitalism. In a free market society, we are encouraged to move to the competition when we are not happy. This way of thinking has invaded our personal relationships and undermined our capacities for friendship and loyalty to those who do not serve our immediate interests. As George P. Fletcher writes, it is time for loyal bonds born of history and experience to prevail both over impartial morality and the self-interested thinking of the market trader. In this extended essay, George P. Fletcher offers an account of loyalty that illuminates its role in our relationships with family and friends, our ties to country, and the commitment of the religious to God and their community. Fletcher opposes the traditional view of the moral self as detached from context and history. He argues instead that loyalty, not impartial detachment, should be the central feature of our moral and political lives. Writing as a political liberal, he claims that a commitment to country is necessary to improve the lot of the poor and disadvantaged. This commitment to country may well require greater reliance on patriotic rituals in education and a reconsideration of the Supreme Court's extending the First Amendment to protect flag burning. Given the worldwide currents of parochialism and political decentralization, the task for us, Fletcher argues, is to renew our commitment to a single nation united in its diversity. Bringing to bear his expertise as a law professor, Fletcher reasons that the legal systems should defer to existing relationships of loyalty. Familial, professional, and religious loyalties should be respected as relationships beyond the limits of

the law Thus surrogate mothers should not be forced to surrender and betray their children spouses should not be required to testify against each other in court parents should not be prevented from willing their property to their children and the religiously committed should not be forced to act contrary to conscience Yet the question remains Aren t loyalty and particularly patriotism dangerously one sided Indeed they are but no more than are love and friendship The challenge Fletcher maintains is to overcome the distorting effects of impartial morality and to develop a morality of loyalty properly suited to our emotional and spiritual lives Justice has its sphere as do loyalties In this book Fletcher provides the first step toward a new way of thinking that recognizes the complexity of our moral and political lives     The Price of Loyalty Ron Suskind,2013-03-28 A devastating account of the inner workings of the George W Bush administration written with the extensive cooperation of former U S Treasury Secretary Paul O Neill As readers are taken to the very epicentre of government this news making book offers a definitive view of Bush and his closest advisers as they manage crucial domestic policies and global strategies within the most secretive White House of modern times     **The Cost of Loyalty** Tim Bakken,2020-02-18 A Kirkus Reviews Best Book of 2020 A courageous and damning look at the destruction wrought by the arrogance incompetence and duplicity prevalent in the U S military from the inside perspective of a West Point professor of law Veneration for the military is a deeply embedded but fatal flaw in America s collective identity In twenty years at West Point whistleblower Tim Bakken has come to understand how unquestioned faith isolates the U S armed forces from civil society and leads to catastrophe Pervaded by chronic deceit the military s insular culture elevates blind loyalty above all other values The consequences are undeniably grim failure in every war since World War II millions of lives lost around the globe and trillions of dollars wasted Bakken makes the case that the culture he has observed at West Point influences whether America starts wars and how it prosecutes them Despite fabricated admissions data rampant cheating epidemics of sexual assault archaic curriculums and shoddy teaching the military academies produce officers who maintain their privileges at any cost to the nation Any dissenter is crushed Bakken revisits all the major wars the United States has fought from Korea to the current debacles in the Middle East to show how the military culture produces one failure after another The Cost of Loyalty is a powerful multifaceted revelation about the United States and its singular source of pride One of the few federal employees ever to win a whistleblowing case against the U S military Bakken in this brave timely and urgently necessary book and at great personal risk helps us understand why America loses wars     On Loyalty and Loyalties John Kleinig,2014 Deep friendship may express profound loyalty but so too may virulent nationalism What can and should we say about this Janus faced virtue of the will This volume explores at length the contours of an important and troubling virtue its cognates contrasts and perversions its strengths and weaknesses its awkward relations with universal morality its oppositional form and limits as well as the ways in which it functions in various associative connections such as friendship and familial relations organizations and professions nations countries and religious tradition     *A Question of Loyalties* Allan

Massie,2002 This moving novel rife with the anguish of hindsight and the irony of circumstance explores the ties between fathers and sons and the pains of love and duty in a period in European history that is still characterised by denial and hatred

A Matter of Loyalty Anselm Audley,Elizabeth Edmondson,2017-10-19 January 1954 Mists cover the hills around Selchester Someone at the research facility known as the Atomic is leaking secrets to Soviet Russia and when nuclear scientist Bruno Rothesay goes missing the British Intelligence Services are convinced he s the mole Hugo Hawksworth isn t so sure Then a body turns up and Hugo s instincts are proven correct But if Rothesay wasn t selling secrets to the Soviets who is As Hugo digs deeper into buried connections and unlikely coincidences he knows there s more to this case than his London superiors believe But following his instincts will pit him against the Establishment and tangle him once again in the poisonous legacy of the late Lord Selchester As he closes in on the truth Hugo finds himself confronted by an adversary who will stop at nothing in a case that will prove the most personal of his career With a touch of Downton Abbey a whisper of Agatha Christie and a nod to John Le Carr A Matter Of Loyalty is the third and final book in this delightfully classic and witty murder mystery series

**The Ultimate Question 2.0 (Revised and Expanded Edition)** Fred Reichheld,2011-09-20 In the first edition of this landmark book business loyalty guru Fred Reichheld revealed the question most critical to your company s future Would you recommend us to a friend By asking customers this question you identify detractors who sully your firm s reputation and readily switch to competitors and promoters who generate good profits and true sustainable growth You also generate a vital metric your Net Promoter Score Since the book was first published Net Promoter has transformed companies across industries and sectors constituting a game changing system and ethos that rivals Six Sigma in its power In this thoroughly updated and expanded edition Reichheld with Bain colleague Rob Markey explains how practitioners have built Net Promoter into a full fledged management system that drives extraordinary financial and competitive results With his trademark clarity Reichheld Defines the fundamental concept of Net Promoter explaining its connection to your company s growth and sustained success Presents the closed loop feedback process and demonstrates its power to energize employees and delight customers Shares new and compelling stories of companies that have transformed their performance by putting Net Promoter at the center of their business Practical and insightful The Ultimate Question 2 0 provides a blueprint for long term growth and success

**The Tao of Loyalty** Ajit Rao,2006-11-14 In today s business environment people rather than products technology and processes are increasingly becoming the crucial factor in differentiating profitable organizations from those that are not It is therefore important to understand employee commitment and loyalty in organizations This book begins by defining loyalty the types of loyalty emotional and behavioural and how these can be measured and interpreted The author discusses the potency of combining the two types of loyalty to segment employees into different categories which can then yield loyalty rankings He goes on to discuss the elements that can be tweaked and managed and which impact on the loyalty scores of an employee This book concludes with the processes

involved in building accountability in order to ensure that everyone in the organization is aligned to and expends energy in building employee loyalty      *Questions of Order* Peter Price, 2021 Canadian Confederation has long been assessed as a political moment that created a new national entity This book breaks new ground by arguing that Confederation was an imperial event that generated new questions and ideas about the future of global political order      **Hachiko** Pamela S. Turner, 2009-04-06 Imagine walking to the same place every day to meet your best friend Imagine watching hundreds of people pass by every morning and every afternoon Imagine waiting and waiting and waiting For ten years This is what Hachiko did Hachiko was a real dog who lived in Tokyo a dog who faithfully waited for his owner at the Shibuya train station long after his owner could not come to meet him He became famous for his loyalty and was adored by scores of people who passed through the station every day This is Hachiko's story through the eyes of Kentaro a young boy whose life is changed forever by his friendship with this very special dog Simply told and illustrated with Yan Nascimbene's lush watercolors the legend of Hachiko will touch your heart and inspire you as it has inspired thousands all over the world      **The Philosophy of Loyalty** Josiah Royce, 1995 Regarded by many as the foremost American idealist Royce 1855-1916 offers in this book a key to understanding his influence on the development of pragmatism Philosophy      **American Inquisition** Eric L. Muller, 2007-10-15 When the U S government forced 70 000 American citizens of Japanese ancestry into internment camps in 1942 it created administrative tribunals to pass judgment on who was loyal and who was disloyal In *American Inquisition* Eric Muller relates the untold story of exactly how military and civilian bureaucrats judged these tens of thousands of American citizens during wartime Some citizens were deemed loyal and were freed but one in four was declared disloyal to America and condemned to repressive segregation in the camps or barred from war related jobs Using cultural and religious affiliations as indicators of Americans' loyalties the far reaching bureaucratic decisions often reflected the agendas of the agencies that performed them rather than the actual allegiances or threats posed by the citizens being judged Muller explains *American Inquisition* is the only study of the Japanese American internment to examine the complex inner workings of the most draconian system of loyalty screening that the American government has ever deployed against its own citizens At a time when our nation again finds itself beset by worries about an enemy within considered identifiable by race or religion this volume offers crucial lessons from a recent and disastrous history

### Question Of Loyalty Introduction

In today's digital age, the availability of Question Of Loyalty books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Question Of Loyalty books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Question Of Loyalty books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Question Of Loyalty versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Question Of Loyalty books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Question Of Loyalty books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Question Of Loyalty books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Question Of Loyalty books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Question Of Loyalty books and manuals for download and embark on your journey of knowledge?

### **FAQs About Question Of Loyalty Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Question Of Loyalty is one of the best book in our library for free trial. We provide copy of Question Of Loyalty in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Question Of Loyalty. Where to download Question Of Loyalty online for free? Are you looking for Question Of Loyalty PDF? This is definitely going to save you time and cash in something you should think about.
