The Time Is Now Joan Chittister, 2019-03-05 A beloved nun and social activist offers a soul stirring guide for all who feel disillusioned and dissatisfied with the power hungry institutions and systems of this world. A *cri de coeur* against the status quo and for a bold spirituality to fight injustice. The New York Times In The Time Is Now Sister Joan Chittister a rabble rousing force of nature for social justice and fervent proponent of personal faith and spiritual fulfillment draws on the wisdom of prophets both ancient and modern to help us confront the societal forces that oppress and silence the sacred voices among us. Pairing scriptural insights with narratives of the truth tellers that came before us Sister Joan offers a compelling vision for readers to combat complacency and to propel ourselves toward creating a world of justice, freedom, peace and empowerment. For the weary, the cranky and the fearful this energizing message invites us to participate in a vision for a world greater than the one we find ourselves in today. This is spirituality in action, this is practical and powerful activism for our times. Praise for The Time Is Now For decades Chittister has been a prolific author and advocate for women and social justice inside and outside the realm of the Catholic Church. Here she shares her perspective on the current state of equity, social justice and the environment and calls on all Christians to explore the traits of prophets many of which they can find within themselves offering motivation as well as ways to accomplish change. Booklist A series of short essays to encourage and refresh the spirit of activists applicable to both progressive and conservative Christians. Will appeal to spiritual readers seeking an encouraging book for social justice advocacy. Library Journal starred review.

**Dare to Lead** Brené Brown, 2018-10-09 1 NEW YORK TIMES BESTSELLER Bren Brown has taught us what it means to dare greatly rise strong and brave the wilderness Now based on new research conducted with leaders change makers and culture shifters she's showing us how to put those ideas into practice so we can step up and lead Don't miss the five part Max docuseries Bren Brown Atlas of the Heart ONE OF BLOOMBERG'S BEST BOOKS OF THE YEAR Leadership is not about titles status and wielding power A leader is anyone who takes responsibility for recognizing the potential in people and ideas and has the courage to develop that potential When we dare to lead we don't pretend to have the right answers we stay curious and ask the right questions We don't see power as finite and hoard it we know that power becomes infinite when we share it with others We don't avoid difficult conversations and situations we lean into vulnerability when it's necessary to do good work But daring leadership in a culture defined by scarcity fear and uncertainty requires skill building around traits that are deeply and uniquely human The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster What can we do better Empathy connection and courage to start Four time 1 New York Times bestselling author Bren Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives and the past seven years working with transformative leaders and teams spanning the globe She found that leaders in organizations ranging from small entrepreneurial startups and family owned businesses to nonprofits civic organizations and Fortune 50 companies

all ask the same question How do you cultivate braver more daring leaders and how do you embed the value of courage in your culture In *Dare to Lead* Brown uses research stories and examples to answer these questions in the no BS style that millions of readers have come to expect and love Brown writes One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable observable and measurable It s learning and unlearning that requires brave work tough conversations and showing up with your whole heart Easy No Because choosing courage over comfort is not always our default Worth it Always We want to be brave with our lives and our work It s why we re here Whether you ve read *Daring Greatly* and *Rising Strong* or you re new to Bren Brown s work this book is for anyone who wants to step up and into brave leadership *Braving the Wilderness: Reese's Book Club* Brené Brown, 2019-08-27 1

NEW YORK TIMES BESTSELLER REESE S BOOK CLUB PICK A timely and important book that challenges everything we think we know about cultivating true belonging in our communities organizations and culture from the 1 bestselling author of *Rising Strong* *Daring Greatly* and *The Gifts of Imperfection* Don t miss the five part Max docuseries Bren Brown Atlas of the Heart True belonging doesn t require us to change who we are It requires us to be who we are Social scientist Bren Brown PhD MSW has sparked a global conversation about the experiences that bring meaning to our lives experiences of courage vulnerability love belonging shame and empathy In *Braving the Wilderness* Brown redefines what it means to truly belong in an age of increased polarization With her trademark mix of research storytelling and honesty Brown will again change the cultural conversation while mapping a clear path to true belonging Brown argues that we re experiencing a spiritual crisis of disconnection and introduces four practices of true belonging that challenge everything we believe about ourselves and each other She writes True belonging requires us to believe in and belong to ourselves so fully that we can find sacredness both in being a part of something and in standing alone when necessary But in a culture that s rife with perfectionism and pleasing and with the erosion of civility it s easy to stay quiet hide in our ideological bunkers or fit in rather than show up as our true selves and brave the wilderness of uncertainty and criticism But true belonging is not something we negotiate or accomplish with others it s a daily practice that demands integrity and authenticity It s a personal commitment that we carry in our hearts Brown offers us the clarity and courage we need to find our way back to ourselves and to each other And that path cuts right through the wilderness Brown writes The wilderness is an untamed unpredictable place of solitude and searching It is a place as dangerous as it is breathtaking a place as sought after as it is feared But it turns out to be the place of true belonging and it s the bravest and most sacred place you will ever stand **A More Beautiful Question** Warren Berger, 2014-03-04 To get the best answer in business in life you have to ask the best possible question Innovation expert Warren Berger shows that ability is both an art and a science It may be the most underappreciated tool at our disposal one we learn to use well in infancy and then abandon as we grow older Critical to learning innovation success even to happiness yet often discouraged in our schools and workplaces it can unlock new business opportunities and reinvent industries spark

creative insights at many levels and provide a transformative new outlook on life. It is the ability to question and to do so deeply imaginatively and beautifully. In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems: from "How can I adapt my career in a time of constant change?" to "How can I step back from the daily rush and figure out what really makes me happy?" By showing how to approach questioning with an open, curious mind and a willingness to work through a series of "Why?", "What if?", and "How?" queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.
