The Glory Now Revealed Andrew M. Davis,2021-10-19 Believers know that when we die we enter heaven and will spend eternity there with God and the saints who have gone before us But what actually happens in heaven What are we going to be doing there Won't it get boring at some point According to Scripture a large part of our experience of heaven will be a continual revealing of God's glory Not just his glory in the moment but during all of time The mysteries of providence the hidden movements of God throughout history and the forgotten and unnoted works of even the most obscure of God's people will be unveiled so that we can see how wise loving gracious and powerful our God is And though we will experience perfection in heaven we will never be omniscient which means we will always be learning more about God's glory inspiring us to return joyful praise and thanksgiving If your vision of heaven has been limited to clouds and harps and angels it's time to expand that view with the truth found in this biblically based look at the afterlife *Man Seeks God* Eric Weiner,2011-09-01 Bestselling author of *Geography of Bliss* returns with this funny illuminating chronicle of a globe

spanning spiritual quest to find a faith that fits When a health scare puts him in the hospital Eric Weiner an agnostic by default finds himself tangling with an unexpected question posed to him by a well meaning nurse Have you found your God yet The thought of it nags him and prods him and ultimately launches him on a far flung journey to do just that Weiner a longtime spiritual voyeur and inveterate traveler realizes that while he has been privy to a wide range of religious practices he s never seriously considered these concepts in his own life Face to face with his own mortality and spurred on by the question of what spiritual principles to impart to his young daughter he decides to correct this omission undertaking a worldwide exploration of religions and hoping to come if he can to a personal understanding of the divine The journey that results is rich in insight humor and heart Willing to do anything to better understand faith and to find the god or gods that speak to him he travels to Nepal where he meditates with Tibetan lamas and a guy named Wayne He sojourns to Turkey where he whirls not so well as it turns out with Sufi dervishes He heads to China where he attempts to unblock his chi to Israel where he studies Kabbalah sans Madonna and to Las Vegas where he has a close encounter with Raelians followers of the world s largest UFO based religion At each stop along the way Weiner tackles our most pressing spiritual questions Where do we come from What happens when we die How should we live our lives Where do all the missing socks go With his trademark wit and warmth he leaves no stone unturned At a time when more Americans than ever are choosing a new faith and when spiritual questions loom large in the modern age Man Seeks God presents a perspective on religion that is sure to delight inspire and entertain

Blind Faith: How Christianity Abandoned God Daniel N. N, 2016-03-22 Blind Faith How Christianity abandoned God Part One the Trinity doctrine is the first book in a three part series focused on exposing age old spiritual beliefs that have been proven to be false The trinity doctrine is arguably the most accepted if not a fundamental belief in Christianity today It s the belief that claims God is made up of three distinct persons all unique but yet one The focus of blind faith is to prove to you that the trinity doctrine is a false belief that was concocted and voted on by the 4th century CE Roman appointed Ecumenical Bishops who then went on to

mislead the whole church into believing in a false god and have done so until this day The only reason this doctrine is still viewed as truth is because of sixteen centuries of indoctrination control and monopoly of the church when in fact there is no evidence anywhere in history or in the Bible to support the existence of such a god a triune god If this doctrine is false then its goes without saying that the core or the foundation of what Christians believe today about who God is is equally false In other words Christianity today is based on a lie and the 2 2 billion Christians around the world are following a lie A lie if brought to light would shake the very foundations of Christianity as we know it
