Questioning Romanticism

George Alexander Kennedy

Questioning Romanticism:

Questioning Romanticism John B. Beer, 1995 Romanticism is notoriously hard to define There are indeed those who believe that a concept which has by now been projected through so many perspectives has become so miasmic in the process that the very term should be dropped from the critical vocabulary This volume demonstrates its continuing importance as a necessary point of focus In Questioning Romanticism John Beer assembles eleven original essays which consider various aspects of contemporary critical practice and Romantic literature While providing a coherent reconstruction of Romantic literary theory the collection offers a diverse and expansive sense of Romanticism's concerns addressing topics such as mimesis phenomenology gender language metaphor and aesthetics The contributors are Martin Aske John Beer Drummond Bone Frederick Burwick A C Goodson Nigel Leask Philip Martin Anne Mellor Lucy Newlyn Tilotama Rajan and Susan Wolfson Questioning Romanticism is a very strong and important collection of essays by scholars of international reputation They are focused on the attempt to rethink the philosophical aesthetic linguistic and social grounds of Romantic theory Rather than seeking to present Romanticism as a unified school of thought the essays in this collection suggest that the Romantic desire to achieve a unified theory of life and literature must be read against an equally strong assertion of questioning irony and uncertainty By drawing on the differing views of a wide range of contemporary Romantic theorists feminism language theory hermeneutics reader response formalism phenomenology aesthetics the collection provides a comprehensive yet diverse focus on the broad ranging concerns that shaped how Romantic writers theorized their writing It is unique in its primary focus on reconstructing the historical complexities the productive uncertainties and the shifting ground of Romantic theory Alan Bewell University of Toronto *Romanticism, Economics and the Question of 'culture'* Philip Connell, 2005 Drawing upon a wide range of source material this study reassesses the idea that the Romantic defence of spiritual and humanistic culture developed as a reaction to the perceived individualistic philistine values of the science of political economy British Romanticism and the Catholic Question M. Tomko, 2010-11-17 The debate over extending full civil rights to British and Irish Catholics not only preoccupied British politics but also informed the romantic period's most prominent literary works This book offers the first comprehensive interdisciplinary study of Catholic Emancipation one of the romantic period's most contentious issues **The Truth about Romanticism** Tim Milnes, 2010-06-03 How have our conceptions of truth been shaped by romantic literature This question lies at the heart of this examination of the concept of truth both in romantic writing and in modern criticism The romantic idea of truth has long been depicted as aesthetic imaginative and ideal Tim Milnes challenges this picture demonstrating a pragmatic strain in the writing of Keats Shelley and Coleridge in particular that bears a close resemblance to the theories of modern pragmatist thinkers such as Donald Davidson and Jürgen Habermas Romantic pragmatism Milnes argues was in turn influenced by recent developments within linguistic empiricism This book will be of interest to readers of romantic literature but also to philosophers literary theorists

and intellectual historians **Five Families** Lewis Wilson, Lewis, 1971-02-01 [The Romanticism Handbook](#) Sue Chaplin, Joel Faflak, 2011-03-10 A one stop resource containing introductory material through to practical case studies in reading primary and secondary texts to introducing criticism and new directions in research *Walter Benjamin and Romanticism* Andrew Benjamin, Beatrice Hanssen, 2002-11-01 Walter Benjamin and Romanticism explores the relationship between Walter Benjamin's literary and philosophical work and the tradition of German Romanticism as well as Herder and Goethe Through a detailed and scholarly analysis of the major texts the book explores the endurance of Benjamin's relationship to Romanticism the residual presence of Romantic Goethean and Herderian motifs in Benjamin's subsequent writings and how Benjamin's understanding of the relationship between criticism and Romanticism can still play a vital role in contemporary philosophical and literary practice Contributors Andrew Benjamin Josh Cohen David Ferris Beatrice Hanssen Philippe Lacoue Labarthe Charlie Louth Bettine Menke Winfried Menninghaus Anthony Phelan Sigrid Weigel **A Companion to European Romanticism** Michael Ferber, 2008-04-15 This companion is the first book of its kind to focus on the whole of European Romanticism Describes the way in which the Romantic Movement swept across Europe in the early nineteenth century Covers the national literatures of France Germany Italy Poland Russia and Spain Addresses common themes that cross national borders such as orientalism Napoleon night nature and the prestige of the fragment Includes cross disciplinary essays on literature and music literature and painting and the general system of Romantic arts Features 35 essays in all from leading scholars in America Australia Britain France Italy and Switzerland [Encyclopedia of the Romantic Era, 1760-1850](#) Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism **The Romanticism of Contemporary Theory** Justin Clemens, 2017-03-02 Using Philippe Lacoue Labarthe and Jean Luc Nancy's groundbreaking study of the persistence of German Idealist philosophy as his starting point Justin Clemens presents a valuable study of the links between Romanticism and contemporary theory The central contention of this book is that contemporary theory is still essentially Romantic despite all its declarations to the contrary and despite all its attempts to elude or exceed the limits bequeathed it by Romantic thought The argument focuses on the ruses of Romanticism's indefinable character under two main rubrics Contexts and Interventions The first three chapters investigate Contexts examining some of the broad trends in the historical and institutional development of Romantic criticism the second section Interventions comprises close readings of the work of Jacques Lacan Gilles Deleuze and Félix Guattari Eve Kosofsky Sedgwick Ian Hunter and Alain Badiou In the first chapter Clemens identifies and traces the development of two interlocking recurrent

themes in Romantic criticism the Romantic desire to escape Romanticism and the problem posed to aesthetico philosophical thought by the modern domiciliation of philosophy in the university He develops these themes in the second chapter by examining the link forged between aesthetics and the subject in the work of Immanuel Kant In the third chapter Clemens shows how the Romantic problems of the academic institution and aesthetics were effectively bound together by the philosophical diagnosis of nihilism Chapter Four focuses on two key moments in the work of Jacques Lacan his theory of the mirror stage and his formulas of sexuation and demonstrates how Lacan returns to the grounding claims of Kantian aesthetics in such a way as to render him complicit with the Romantic thought he often seems to contest In the following chapter taking Deleuze and Guattari's notion of multiplicity as a guiding thread Clemens links their account to their professed anti Platonism showing how they find themselves forced back onto emblematically Romantic arguments Chapter Six provides a close reading of Sedgwick's most influential text Epistemology of the Closet Clemens reading localizes her practice both in the newly consolidated academic field of Queer Theory and in a conceptual genealogy whose roots can be traced back to a particular anti Enlightenment strain of Romanticism Clemens next turns to the professedly anti Romantic arguments of Ian Hunter a major figure in the ongoing re writing of modern histories of education In the final chapter he examines the work of the contemporary French philosopher Alain Badiou Clemens argues that if Badiou's hostility to the diagnosis of nihilism his return to Plato and mathematics and his expulsion of poetry from philosophical method all place him at a genuine distance from dominant Romantic trends even this attempt admits ciphered Romantic elements This study will be of interest to literary theorists philosophers political theorists and cultural studies scholars Romanticism Carmen Casaliggi, Porscha Fermanis, 2016-05-12 The Romantic period coincided with revolutionary transformations of traditional political and human rights discourses as well as witnessing rapid advances in technology and a primitivist return to nature As a broad global movement Romanticism strongly impacted on the literature and arts of the late eighteenth and early nineteenth centuries in ways that are still being debated and negotiated today Examining the poetry fiction non fiction drama and the arts of the period this book considers Important propositions and landmark ideas in the Romantic period Key debates and critical approaches to Romantic studies New and revisionary approaches to Romantic literature and art The ways in which Romantic writing interacts with broader trends in history politics and aesthetics European and Global Romanticism The legacies of Romanticism in the twentieth and twenty first centuries Containing useful reader friendly features such as explanatory case studies chapter summaries and suggestions for further reading this clear and engaging book is an invaluable resource for anyone who intends to study and research the complexity and diversity of the Romantic period as well as the historical conditions which produced it "Romanticism" - and Byron Peter Cochran, 2009-03-26 Romanticism and Byron is a book in two parts In the first part Dr Cochran examines Romanticism and shows that it is a word meaning anything and therefore nothing It is an academic construct created by academics and has no basis in the writings of the early

nineteenth century Its continued use argues Dr Cochran is a modern marketing phenomenon solely In the second part Dr Cochran examines the life and work of Byron in the non romantic context of his contemporaries He shows how Byron s antithetical nature created problems when he was forced into compromising situations with friends who were close to parts of his mind yet irreconcilable with one another This mobility argues Cochran was often an embarrassment for Byron s social life but of great benefit to his creativity This part of the book features chapters on Shelley Scott Blake Keats Coleridge and Wordsworth and is notable for the amount of original archive documentation with which Cochran illustrates his theme

The Cambridge History of Literary Criticism: Volume 5, Romanticism George Alexander Kennedy,1989 The history of the most hotly debated areas of literary theory including structuralism and deconstruction **Philosophical Romanticism** Nikolas Kompridis,2006-09-27 Philosophical Romanticism is one of the first books to address the relationship between philosophy and romanticism an area which is currently undergoing a major revival This collection of specially written articles by world class philosophers explores the contribution of romantic thought to topics such as freedom autonomy and subjectivity memory and imagination pluralism and practical reasoning modernism scepticism and irony art and ethics and cosmology time and technology While the roots of romanticism are to be found in early German idealism Philosophical Romanticism shows that it is not a purely European phenomenon the development of romanticism can be traced through to North American philosophy in the era of Emerson and Dewey and up to the current work of Stanley Cavell and Richard Rorty The articles in this collection suggest that philosophical romanticism offers a compelling alternative to both the reductionist tendencies of the naturalism in analytic philosophy and deconstruction and other forms of scepticism found in continental philosophy This outstanding collection will be of interest to those studying philosophy literature and nineteenth and twentieth century thought *Romantic Women Writers, Revolution, and Prophecy* Orianne Smith,2013-03-28 This book challenges our current critical understanding of the relations between gender genre and literary authority in this period *Romantic 'Anglo-Italians'* Maria Schoina,2016-12-05 Focusing on key members of the Pisan Circle Byron the Shelleys and Leigh Hunt Maria Schoina explores configurations of identity and the acculturating practices of British expatriates in post Napoleonic Italy The problems involved in British Romanticism s relations to its European others are her point of departure as she argues that the emergence and mission of what Mary Shelley termed the Anglo Italian is inextricably linked to the social political economic and cultural conditions of the age the forging of the British identity in the midst of an expanding empire the rise of the English middle class and the establishment of a competitive print culture and the envisioning by a group of male and female Romantic liberal intellectuals of social and political reform Schoina s emphasis on the political implications of the British Romantics hyphenated self representation results in fresh readings of the Pisan Circle s Italianate writings that move them away from interpretations focused on a purely aesthetic or poetic attachment to Italy to uncover their complex ideological underpinnings Recognizing that Mary Shelley was instrumental in conceptualizing

the Romantics discourse of acculturation expands our understanding of this phenomenon as does Schoina s convincing case for the importance of gender as a major determinant of Mary Shelley s construction of Anglo Italianness Inside the Ring John Louis DiGaetani,2015-03-14 Once tainted by association with Hitler and Nazism Richard Wagner s work has experienced an international cultural renaissance in the last 25 years His magnum opus Der Ring des Nibelungen which took him over 20 years to finish is a complex tale with themes of greed corruption and loss spun out in more than 16 hours of powerfully moving opera This book with provocative essays for both the uninitiated and the seasoned fan examines Wagner s Ring cycle from a wide array of modern perspectives Divided into six parts this anthology first offers a foundation for the Ring with a chronology and an introduction along with a look at Wagner as an enterprising marketer Part Two explores different interpretations of the Ring with reference to politics romanticism and international inspirations Part Three studies the complex relationship between Wagner s Ring and Germany with a summary of the opera s influence on German culture and a discussion of its Munich premiere Part Four offers a production history including studies of the Ring s effects in America and its influence on world literature Part Five provides a technical examination of language in the Ring as well as an interview with the famous Wagnerian soprano Jane Eaglen The book concludes with an essay on the trouble with Wagnerian opera and an overview of the recorded Ring on disc video and print *The Cambridge Introduction to William Wordsworth* Emma Mason,2010-08-19 William Wordsworth is the most influential of the Romantic poets and remains widely popular even though his work is more complex and more engaged with the political social and religious upheavals of his time than his reputation as a nature poet might suggest Outlining a series of contexts biographical historical and literary as well as critical approaches to Wordsworth this Introduction offers students ways to understand and enjoy Wordsworth s poetry and his role in the development of Romanticism in Britain Emma Mason offers a completely up to date summary of criticism on Wordsworth from the Romantics to the present and an annotated guide to further reading With definitions of technical terms and close readings of individual poems Wordsworth s experiments with form are fully explained This concise book is the ideal starting point for studying Lyrical Ballads The Prelude and the major poems as well as Wordsworth s lesser known writings

Romantic Rocks, Aesthetic Geology Noah Heringman,2011-02-23 Why are rocks and landforms so prominent in British Romantic poetry Why for example does Shelley choose a mountain as the locus of a voice to repeal large codes of fraud and woe Why does a cliff in the boat stealing episode of Wordsworth s Prelude chastise the young thief Why is petrification or stonifying in Blake s coinage the ultimate figure of dehumanization Noah Heringman maintains that British literary culture was fundamentally shaped by many of the same forces that created geology as a science in the period 1770 1820 He shows that landscape aesthetics the verbal and social idiom of landscape gardening natural history the scenic tour and other forms of outdoor improvement provided a shared vernacular for geology and Romanticism in their formative stages Romantic Rocks Aesthetic Geology reexamines a wide range of eighteenth and nineteenth century poetry to discover its relationship to a

broad cultural consensus on the nature and value of rocks and landforms Equally interested in the initial surge of curiosity about the earth and the ensuing process of specialization Heringman contributes to a new understanding of literature as a key forum for the modern reorganization of knowledge **Joanna Baillie, Romantic Dramatist** Thomas C.

Crochunis, 2004-02-24 This superb collection of new essays offers a unique insight into the work of a leading women dramatist of the Romantic era Contributors offer contextual material for those new to Baillie s work examinations of the relationships between her plays and the philosophical and scientific writing of the era discussion of Baillie s theatrical methods extended interpretations of individual plays Ending years of neglect of Baillie s crucial work this volume is essential reading for those working on Romanticism women s writing or drama of the late eighteenth and early nineteenth centuries

Questioning Romanticism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Questioning Romanticism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Questioning Romanticism has opened up a world of possibilities. Downloading Questioning Romanticism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Questioning Romanticism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Questioning Romanticism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Questioning Romanticism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Questioning Romanticism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Questioning Romanticism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Questioning Romanticism Books

1. Where can I buy Questioning Romanticism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Questioning Romanticism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Questioning Romanticism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Questioning Romanticism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or

community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Questioning Romanticism books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
