

Questioning Slavery

- ◆ Some Americans begin to question slavery
- ◆ 1778, governor of New Jersey asked his government to free all slaves; slaves in New Hampshire made similar requests

Questioning Slavery

Norman R. Yetman

Questioning Slavery:

Questioning Slavery James Walvin, 2002-11 Surveying the key questions of slavery this book traces the arguments which have surrounded its history in recent years A wide ranging thematic organisation covers racial economic political social cultural gender and colonial dimensions

Questioning Slavery James Walvin, 1996 James Walvin plots the story of black slavery and traces the intellectual and historical arguments which have swirled around its history in recent years This comparative analysis of slavery in the English speaking Americas offers new perspectives and a wide ranging thematic organization which covers the racial social economic political cultural gender and colonial dimensions of this complex subject

Deliver Us from Evil Lacy K. Ford, 2009-09-03 A major contribution to our understanding of slavery in the early republic Deliver Us from Evil illuminates the white South's twisted and tortured efforts to justify slavery focusing on the period from the drafting of the federal constitution in 1787 through the age of Jackson Drawing heavily on primary sources including newspapers government documents legislative records pamphlets and speeches Lacy K Ford recaptures the varied and sometimes contradictory ideas and attitudes held by groups of white southerners as they tried to square slavery with their democratic ideals He excels at conveying the political intellectual economic and social thought of leading white southerners vividly recreating the mental world of the varied actors and capturing the vigorous debates over slavery He also shows that there was not one antebellum South but many and not one southern white mindset but several with the debates over slavery in the upper South quite different in substance from those in the deep South In the upper South where tobacco had fallen into comparative decline by 1800 debate often centered on how the area might reduce its dependence on slave labor and whiten itself whether through gradual emancipation and colonization or the sale of slaves to the cotton South During the same years the lower South swirled into the vortex of the cotton revolution and that area's whites lost all interest in emancipation no matter how gradual or fully compensated An ambitious thought provoking and highly insightful book Deliver Us from Evil makes an important contribution to the history of slavery in the United States shedding needed light on the white South's early struggle to reconcile slavery with its Revolutionary heritage

A Question of Freedom William G. Thomas, 2020 Winner of the Mark Lynton Prize in History the story of the longest and most complex legal challenge to slavery in American history A rich roiling history that Thomas recounts with eloquence and skill The very existence of freedom suits assumed that slavery could only be circumscribed and local what Thomas shows in his illuminating book is how this view was eventually turned upside down in decisions like Dred Scott Freedom was local Thomas writes Slavery was national Jennifer Szalai New York Times Gripping Profound and prodigiously researched Alison L LaCroix Washington Post For over seventy years and five generations the enslaved families of Prince George's County Maryland filed hundreds of suits for their freedom against a powerful circle of slaveholders taking their cause all the way to the Supreme Court Between 1787 and 1861 these lawsuits challenged the legitimacy of slavery in American law and put slavery on trial in the nation's capital Piecing together

evidence once dismissed in court and buried in the archives William Thomas tells an intricate and intensely human story of the enslaved families the Butlers Queens Mahoneys and others their lawyers among them a young Francis Scott Key and the slaveholders who fought to defend slavery beginning with the Jesuit priests who held some of the largest plantations in the nation and founded a college at Georgetown A Question of Freedom asks us to reckon with the moral problem of slavery and its legacies in the present day *The Fiery Trial: Abraham Lincoln and American Slavery* Eric Foner, 2011-09-26 A masterwork by the preeminent historian of the Civil War era Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review this landmark work gives us a definitive account of Lincoln s lifelong engagement with the nation s critical issue American slavery A master historian Eric Foner draws Lincoln and the broader history of the period into perfect balance We see Lincoln a pragmatic politician grounded in principle deftly navigating the dynamic politics of antislavery secession and civil war Lincoln s greatness emerges from his capacity for moral and political growth *Oration by Frederick Douglass. Delivered on the Occasion of the Unveiling of the Freedmen's Monument in Memory of Abraham Lincoln, in Lincoln Park, Washington, D.C., April 14th, 1876, with an Appendix* Frederick Douglass, 2024-06-14 Reprint of the original first published in 1876 **Slavery by Another Name** Douglas A. Blackmon, 2012-10-04 A Pulitzer Prize winning history of the mistreatment of black Americans In this precise and eloquent work as described in its Pulitzer Prize citation Douglas A Blackmon brings to light one of the most shameful chapters in American history an Age of Neoslavery that thrived in the aftermath of the Civil War through the dawn of World War II Using a vast record of original documents and personal narratives Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter By turns moving sobering and shocking this unprecedented account reveals these stories the companies that profited the most from neoslavery and the insidious legacy of racism that reverberates today Slavery Before Race Katherine Howlett Hayes, 2014-05-22 The study of slavery in the Americas generally assumes a basic racial hierarchy Africans or those of African descent are usually the slaves and white people usually the slaveholders In this unique interdisciplinary work of historical archaeology anthropologist Katherine Hayes draws on years of fieldwork on Shelter Island s Sylvester Manor to demonstrate how racial identity was constructed and lived before plantation slavery was racialized by the legal codification of races Using the historic Sylvester Manor Plantation site turned archaeological dig as a case study Hayes draws on artifacts and extensive archival material to present a rare picture of northern slavery on one of the North s first plantations There white settlers enslaved Africans and Native Americans worked side by side While each group played distinct roles on the Manor and in the larger plantation economy of which Shelter Island was part their close collaboration and cohabitation was essential for the Sylvester family s economic and political power in the Atlantic Northeast Through the lens of social memory and forgetting this study addresses the significance of Sylvester Manor s plantation history to American attitudes about diversity Indian land politics slavery and

Jim Crow in tension with idealized visions of white colonial community Book jacket Thoughts Upon Slavery John Wesley, 1774 **The Anti-Slavery Project** Joel Quirk, 2011-05-26 It is commonly assumed that slavery came to an end in the nineteenth century While slavery in the Americas officially ended in 1888 millions of slaves remained in bondage across Africa Asia and the Middle East well into the first half of the twentieth century Wherever laws against slavery were introduced governments found ways of continuing similar forms of coercion and exploitation such as forced bonded and indentured labor Every country in the world has now abolished slavery yet millions of people continue to find themselves subject to contemporary forms of slavery such as human trafficking wartime enslavement and the worst forms of child labor The Anti Slavery Project From the Slave Trade to Human Trafficking offers an innovative study in the attempt to understand and eradicate these ongoing human rights abuses In The Anti Slavery Project historian and human rights expert Joel Quirk examines the evolution of political opposition to slavery from the mid eighteenth century to the present day Beginning with the abolitionist movement in the British Empire Quirk analyzes the philosophical economic and cultural shifts that eventually resulted in the legal abolition of slavery By viewing the legal abolition of slavery as a cautious first step rather than the end of the story he demonstrates that modern anti slavery activism can be best understood as the latest phase in an evolving response to the historical shortcomings of earlier forms of political activism By exposing the historical and cultural roots of contemporary slavery The Anti Slavery Project presents an original diagnosis of the underlying causes driving one of the most pressing human rights problems in the world today It offers valuable insights for historians political scientists policy makers and activists seeking to combat slavery in all its forms **Slave Revolt on Screen** Alyssa Goldstein Sepinwall, 2021 A trailblazing book on the depiction of the Haitian Revolution in film and video games Writing the History of Slavery David Stefan Doddington, Enrico Dal Lago, 2022-01-13 Exploring the major historiographical theoretical and methodological approaches that have shaped studies on slavery this addition to the Writing History series highlights the varied ways that historians have approached the fluid and complex systems of human bondage domination and exploitation that have developed in societies across the world The first part examines more recent attempts to place slavery in a global context touching on contexts such as religion empire and capitalism In its second part the book looks closely at the key themes and methods that emerge as historians reckon with the dynamics of historical slavery These range from politics economics and quantitative analyses to race and gender to psychohistory history from below and many more Throughout examples of slavery and its impact are considered across time and place in Ancient Greece and Rome Medieval Europe colonial Asia Africa and the Americas and trades throughout the Atlantic and Indian Oceans Also taken into account are thinkers from Antiquity to the 20th century and the impact their ideas have had on the subject and the debates that follow This book is essential reading for students and scholars at all levels who are interested in not only the history of slavery but in how that history has come to be written and how its debates have been framed across civilizations **Voices from Slavery** Norman R.

Yetman,2012-03-15 Vivid descriptions of the horrors of slave auctions and many other unforgettable and sometimes unrepeatable details of slave life Accompanied by 32 starkly compelling photographs **Human Rights** Darren

O'Byrne,2014-06-06 Human Rights An Introduction is an important text that provides a comprehensive overview of human rights and related issues from a social science perspective First this book does more than discuss theory it uses case studies and personal testimonies in the debate Human rights as an area of academic interest cannot be easily divorced from human rights struggles and the reality of contemporary conditions Second the book is aimed at what is an emerging and growing cross disciplinary field of study Human rights issues are increasingly coming to the fore in a number of academic debates Whereas the study of human rights has traditionally been included in departments of law international relations and philosophy a number of courses are now being set up in departments of sociology and anthropology Consequently there is an increasing need to bring these disparate approaches together Liberty and Slavery William J. Cooper, Jr.,2021-04-16

Explores the South s paradoxical devotion to liberty and the practice of slavery The recipient of high praise and considerable debate for its provocative thesis William J Cooper Jr s sweeping survey of antebellum southern politics returns to print for classroom and general use with this new paperback volume In Liberty and Slavery Cooper contends that southerners defined their notions of liberty in terms of its opposite slavery He suggests that a jealous guardianship of the peculiar institution unified white southerners of differing economic social and religious standing and grounded their debates on nationalism and sectionalism agriculture and manufacturing territorial expansion and Western settlement Cooper assesses how the South s devotion to liberty shaped its response to major legislation judicial decisions and military actions and how abolitionism in the eyes of white southerners threatened the destruction of local control and the death of liberty **Slavery and the American**

West Michael A. Morrison,2000-11-15 Tracing the sectionalization of American politics in the 1840s and 1850s Michael Morrison offers a comprehensive study of how slavery and territorial expansion intersected as causes of the Civil War Specifically he argues that the common heritage of the American Revolution bound Americans together until disputes over the extension of slavery into the territories led northerners and southerners to increasingly divergent understandings of the Revolution s legacy Manifest Destiny promised the literal enlargement of freedom through the extension of American institutions all the way to the Pacific At each step from John Tyler s attempt to annex Texas in 1844 to the Kansas Nebraska Act to the opening shots of the Civil War the issue of slavery had to be confronted Morrison shows that the Revolution was the common prism through which northerners and southerners viewed these events and that the factor that ultimately made consensus impossible was slavery itself By 1861 no nationally accepted solution to the dilemma of slavery in the territories had emerged no political party existed as a national entity and politicians from both North and South had come to believe that those on the other side had subverted the American political tradition **The Law and Slavery** Jean Allain,2015-05-19

The Law and Slavery sets out the articles book reviews and case notes by Professor Jean Allain which led to pioneering

exploration of forced labour servitudes slavery the slave trade and trafficking in his 2013 Slavery in International Law Of Human Exploitation and Trafficking MNP This collection brings together Professor Allain s considerations of the evolution of legal abolition internationally his critique of the then status quo in the area of slavery and the law and goes on to develop the foundations of a legal understanding of various servitudes and slavery based on his archival research and legal analysis Professor Allain s research has transformed the landscape of how we understand contemporary slavery and those other servitudes which constitute human exploitation

The 1812 Aponte Rebellion in Cuba and the Struggle against Atlantic Slavery Matt D. Childs, 2009-01-05 In 1812 a series of revolts known collectively as the Aponte Rebellion erupted across the island of Cuba comprising one of the largest and most important slave insurrections in Caribbean history Matt Childs provides the first in depth analysis of the rebellion situating it in local colonial imperial and Atlantic World contexts Childs explains how slaves and free people of color responded to the nineteenth century sugar boom in the Spanish colony by planning a rebellion against racial slavery and plantation agriculture Striking alliances among free people of color and slaves blacks and mulattoes Africans and Creoles and rural and urban populations rebels were prompted to act by a widespread belief in rumors promising that emancipation was near Taking further inspiration from the 1791 Haitian Revolution rebels sought to destroy slavery in Cuba and perhaps even end Spanish rule By comparing his findings to studies of slave insurrections in Brazil Haiti the British Caribbean and the United States Childs places the rebellion within the wider story of Atlantic World revolution and political change The book also features a biographical table constructed by Childs of the more than 350 people investigated for their involvement in the rebellion 34 of whom were executed

Remembering Slavery Marc Favreau, 2021-09-07 The groundbreaking bestselling history of slavery with a new foreword by Pulitzer Prize winning historian Annette Gordon Reed With the publication of the 1619 Project and the national reckoning over racial inequality the story of slavery has gripped America s imagination and conscience once again No group of people better understood the power of slavery s legacies than the last generation of American people who had lived as slaves Little known before the first publication of Remembering Slavery over two decades ago their memories were recorded on paper and in some cases on primitive recording devices by WPA workers in the 1930s A major publishing event Remembering Slavery captured these extraordinary voices in a single volume for the first time presenting them as an unprecedented first person history of slavery in America Remembering Slavery received the kind of commercial attention seldom accorded projects of this nature nationwide reviews as well as extensive coverage on prime time television including Good Morning America Nightline CBS Sunday Morning and CNN Reviewers called the book chilling and riveting Publishers Weekly and something truly truly new The Village Voice With a new foreword by Pulitzer Prize winning scholar Annette Gordon Reed this new edition of Remembering Slavery is an essential text for anyone seeking to understand one of the most basic and essential chapters in our collective history

Questioning Slavery Introduction

In the digital age, access to information has become easier than ever before. The ability to download Questioning Slavery has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Questioning Slavery has opened up a world of possibilities. Downloading Questioning Slavery provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Questioning Slavery has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Questioning Slavery. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Questioning Slavery. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Questioning Slavery, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Questioning Slavery has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Questioning Slavery Books

1. Where can I buy Questioning Slavery books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Questioning Slavery book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Questioning Slavery books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Questioning Slavery audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Questioning Slavery books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
