**Samantha Murray**

## **Questioning Circumcision A Jewish Perspective:**

*Questioning Circumcision* Ronald Goldman, 1998 QUESTIONING CIRCUMCISION A JEWISH PERSPECTIVE is the first critical examination of the growing controversy of male infant circumcision with special attention to contemporary concerns of the Jewish community Endorsed by five rabbis among others this extraordinary book examines the origins assumed benefits risks and unrecognized consequences of the Jewish practice with thorough documentation and moving personal experiences Consider these facts Circumcision is not universal among Jews Jewish press articles have questioned circumcision A male child born of a Jewish mother is a Jew whether he is circumcised or not Jewish circumcision has never had anything to do with health concerns Circumcision conflicts with significant Jewish laws and values An Israeli organization publicly opposes circumcision Dr Goldman has written a thoughtful provocative book on a difficult subject He challenges us to reexamine long held assumptions and to reconsider the practice of milah ritual circumcision in light of contemporary evidence By giving us an insightful and carefully documented exploration of a controversial perspective Dr Goldman helps to foster a healthy and valuable dialogue within the Jewish community Rabbi Jonathan Kraus Beth El Temple Center If you are a liberal Jew whether you see circumcision as the sanctification of the covenant as a ceremony marking you as a Jew or otherwise this book stimulates deeper reflection about the practice As an aware concerned and introspective people Jews must examine whether our rites are right We must determine if our ceremonies traditions and practices reflect our innermost beliefs Asking ourselves and each other the question Why is one of the most sacred tasks to which a modern Jew can dedicate himself or herself Rabbi Donald Pollock pastoral psychotherapist writer and lecturer Ronald Goldman Ph D a psychological researcher educator and writer is the executive director of the Circumcision Resource Center in Boston a nonprofit educational organization He is internationally known for his work on circumcision gives lectures and seminars on the subject and provides consultation to expectant parents and circumcised men As the author of *Circumcision The Hidden Trauma* Dr Goldman has been a featured guest on local and national radio and television shows and has been published in medical journals newspapers parenting publications and Jewish periodicals *Marked in Your Flesh* Leonard B. Glick, 2005-06-30 The book of Genesis tells us that God made a covenant with Abraham promising him a glorious posterity on the condition that he and all his male descendents must be circumcised For thousands of years thereafter the distinctive practice of circumcision served to set the Jews apart from their neighbors The apostle Paul rejected it as a worthless practice emblematic of Judaism's fixation on physical matters Christian theologians followed his lead arguing that whereas Christians sought spiritual fulfillment Jews remained mired in such pointless concerns as diet and circumcision As time went on Europeans developed folklore about malicious Jews who performed sacrificial murders of Christian children and delighted in genital mutilation But Jews held unwaveringly to the belief that being a Jewish male meant being physically circumcised and to this day even most non observant Jews continue to follow this practice In this book Leonard B Glick offers a history of

Jewish and Christian beliefs about circumcision from its ancient origins to the current controversy By the turn of the century more and more physicians in America and England but not interestingly in continental Europe were performing the procedure routinely Glick shows that Jewish American physicians were and continue to be especially vocal and influential champions of the practice which he notes serves to erase the visible difference between Jewish and gentile males Informed medical opinion is now unanimous that circumcision confers no benefit and the practice has declined In Jewish circles it is virtually taboo to question circumcision but Glick does not flinch from asking whether this procedure should continue to be the defining feature of modern Jewish identity

**What Your Doctor May Not Tell You About(TM): Circumcision** Paul M. Fleiss, Frederick M. Hodges, 2002-09-01 This guide aims to explode the myths and misinformation about circumcision in an accessible easy to read format After describing the anatomy of the penis the book explains the procedure describes the risks associated and debunks the six most common reasons doctors will give when recommending it

**Why Aren't Jewish Women Circumcised?** Shaye J. D. Cohen, 2005-09-06 Why aren't Jewish women circumcised This improbable question first advanced by anti Jewish Christian polemicists is the point of departure for this wide ranging exploration of gender and Jewishness in Jewish thought With a lively command of a wide range of Jewish sources from the Bible and the Talmud to the legal and philosophical writings of the Middle Ages to Enlightenment thinkers and modern scholars Shaye J D Cohen considers the varied responses to this provocative question and in the process provides the fullest cultural history of Jewish circumcision available

Why Aren't Jewish Women Circumcised? Shaye J. D. Cohen, 2005-09-06 This book represents engaged scholarship at its very best Cohen presents the vast range of texts at his command with brevity and wit Elegantly written this is a very stimulating book that is sure to provoke admiration discussion and controversy David Biale author of *Cultures of the Jews* A distinguished and wide ranging work of scholarship Cohen's definitive discussion of the covenant of circumcision enhances our understanding of Jewish identity formation women's status in Judaism Jewish Christian polemic and the impact of diverse cultural environments on the evolution of Jewish tradition Judith R Baskin author of *Midrashic Women*

*Judaism* Dan Cohn-Sherbok, 2003-09-02 This all encompassing textbook is an unrivalled guide to the history belief and practice of Judaism written by a scholar and rabbi who is also an experienced university teacher

Queer Theory and the Jewish Question Daniel Boyarin, Daniel Itzkovitz, Ann Pellegrini, 2003-12-10 The essays in this volume boldly map the historically resonant intersections between Jewishness and queerness between homophobia and anti-Semitism and between queer theory and theorizations of Jewishness With important essays by such well known figures in queer and gender studies as Judith Butler Daniel Boyarin Marjorie Garber Michael Moon and Eve Sedgwick this book is not so much interested in revealing outing queer Jews as it is in exploring the complex social arrangements and processes through which modern Jewish and homosexual identities emerged as traces of each other during the last two hundred years

*Cutting to the Core* David Benatar, 2006-03-07 Surgery inevitably inflicts some harm on the body At the very least it damages the tissue that is

cut These harms often are clearly outweighed by the overall benefits to the patient However where the benefits do not outweigh the harms or where they do not clearly do so surgical interventions become morally contested Cutting to the Core examines a number of such surgeries including infant male circumcision and cutting the genitals of female children the separation of conjoined twins surgical sex assignment of intersex children and the surgical re assignment of transsexuals limb and face transplantation cosmetic surgery and placebo surgery When if ever do the benefits of these surgeries outweigh their costs May a surgeon perform dangerous procedures that are not clearly to the patient s benefit even if the patient consents to them May a surgeon perform any surgery on a minor patient if there are no clear benefits to that child These and other related questions are the core themes of this collection of essays Flesh and Blood George C. Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2013-03-09 Who owns your sex organs Different cultures today and in different epochs have given a variety of answers to this question It may seem self evident that every individual owns and has sovereignty over his or her own body parts such as the head legs nose stomach pancreas and other body parts The sex organs however seem to be an exception Even though they are as much an integral part of the individual as a leg or a liver the sex organs are unique in that many cultures have established laws and taboos over the use and even the mere display of the sex organs Thus certain cultures have placed constraints over the individual s ownership of his or her sex organs and actively regulate and restrict the individual s access and use of those organs In other cultures the question of ownership of the sex organs is more decisively answered In any culture where circumcision to any degree of either the male or female is practiced permitted encouraged or even merely tolerated it is clear that the individual is not considered to own his own sex organs In the United States today the medical establishment has created an is considered acceptable and desirable that anyone for environment where it any reason can authorize or execute the amputation of the foreskin from a male child s penis *Ethical Canary* Margaret A. Somerville, 2004 Addresses such topics as cloning genetically modifying food mapping human chromosomes and using animal organs for human transplants Provides an engaged and engaging answer to one of our era s most difficult questions should society set ethical limits on scientific advances Male & Female Circumcision Sami Awad Aldeeb Abu-Sahlieh, 2001 **Understanding Emerging Epidemics** Ananya Mukherjea, 2010-02-25 Focuses on the contributions that social scientists can make to understanding emerging epidemics their impact the threats they pose and their social and political contexts This book examines emerging epidemics and offers a theoretical analysis of the use of epidemics and epidemiology as frameworks for understanding these phenomena Reading Paul within Judaism Mark D. Nanos, 2017-10-17 The dominant portrayals of the apostle Paul are of a figure who no longer valued Jewish identity and behavior opposing them for both Jew and non Jew in his assemblies This prevailing version of Paul depends heavily upon certain interpretations of key flashpoint passages In this book and the subsequent volumes in this series Mark Nanos undertakes to test a Paul within Judaism re reading of the apostle especially of these flashpoint texts Nanos demonstrates

how traditional conclusions about Paul and the meaning of his letters are dramatically altered by testing the hypothesis that the historical Paul practiced a Jewish Torah observant way of life and that he expected those whom he addressed to know that he did so Nanos also tests the hypothesis that the non Jews addressed were expected to know that his guidance was based on promoting a Jewish way of life for themselves at the same time insisting that they remain non Jews and thus not technically under Torah on the same terms as himself and the other Jews in this new Jewish movement In conversation with the prevailing views Nanos argues that the Paul within Judaism perspective offers not only more historically probable interpretations of Paul s texts but also more promise for better relations between Christians and Jews because these texts have informed Christian concepts of ways of talking about and behavior toward Jews based on the premise that Paul considered Jews and Judaism the mirror opposites of what Christians should be and become

**Women's Bodies, Women's Wisdom** Christiane Northrup, 2010 Offers information on a variety of women s health issues including nutrition menstruation fertility pregnancy menopause sexuality breast health surgery illness and mental and emotional well being

*Circumcision* Ronald Goldman, 1997 CIRCUMCISION THE HIDDEN TRAUMA is the first intensive exploration of the unrecognized psychological and social aspects of this increasingly controversial American cultural practice The book has been endorsed by dozens of professionals in psychology psychiatry child development pediatrics obstetrics childbirth education sociology and anthropology including Ashley Montagu Christiane Northrup Warren Farrell Sheila Kitzinger Sam Keen and Penelope Leach Without much knowledge the American public generally assumes that our cultural practice of circumcision is a trivial and benign procedure Plain facts and research results conflict with these beliefs and raise serious questions Dr Goldman s application of psychological and social research coherently explains both the tenacity of the practice and the contradictory information and beliefs about it After a review of the surprising abilities of infants and their responses to circumcision pain the long term psychological effects of circumcision are examined from the perspectives of both traditional and innovative psychological theories We learn that circumcision has potential effects not only on men and sexuality but also on mother child relationships male female relationships and societal traits and problems The text is supported with clinical reports interviews surveys and thorough documentation CIRCUMCISION THE HIDDEN TRAUMA identifies an overlooked source of early pain and points us in the direction of both healing and preventing this pain It is of particular interest to men who seek to explore their sexuality and deepen self awareness women who want to understand men better parents and children s advocates childbirth educators and allied workers and mental health medical and academic professionals The book has wide appeal because more generally it is about trusting our instincts questioning some of our cultural values and assumptions and reflecting on who we are and who we can be as individuals and as a society Ronald Goldman Ph D is a psychologist educator and executive director of the Circumcision Resource Center in Boston [www.circumcision.org](http://www.circumcision.org) a nonprofit educational organization He gives lectures and seminars on the psychological and social aspects

of circumcision and provides consultation to expectant parents and circumcised men Dr Goldman has been a featured guest on local and national radio and television shows and has been cited in numerous newspapers and periodicals

**Somatechnics** Samantha Murray,2016-04-01 Somatechnics highlights the reciprocal bond between the soma and the techn of the body and the techniques in which bodies are formed and transformed as crafted responses to the world around us Structured around the themes of the governance of social bodies the gendering of sexed bodies and the techniques associated with the formation of the self Somatechnics presents a groundbreaking study of body modification Its contributions to the work of Spinoza Nietzsche Merleau Ponty Deleuze and Guattari make it a must read for scholars of sociology cultural and queer studies and philosophy [A Jewish Ceremony for Newborn Girls](#) Sharon R. Siegel,2014-02-04

Formulates a framework for the development of Jewish rituals for newborn girls **Dear Editor** ,2015-02-17 Progressive opinionated published and unpublished letters to editors free to be copied and or modified and re published Gun control politics religion LGBT War on Women torture Islam terrorism 9 11 healthcare Planned Parenthood taxation job creation human rights circumcision supreme court secularism US secular Constitution Social security patriotism Obamacare presidential qualifications Pat Tillman assassination has GOP any future [Fighting Words](#) Hector Avalos, Is religion inherently violent If not what provokes violence in the name of religion Do we mischaracterize religion by focusing too much on its violent side In this intriguing original study of religious violence Prof Hector Avalos offers a new theory for the role of religion in violent conflicts Starting with the premise that most violence is the result of real or perceived scarce resources Avalos persuasively argues that religion creates new scarcities on the basis of unverifiable or illusory criteria Through a careful analysis of the fundamental texts of Judaism Christianity Islam and Hinduism Dr Avalos explains how four scarce resources have figured repeatedly in creating religious violence sacred space e g the perception by three world religions that Jerusalem is sacred the creation of holy scriptures believed to be privileged revelations of God s will group privilege stemming from such beliefs as a chosen people or predestination which also creates a group of outsiders and salvation by which concept some are accepted and others rejected Thus Avalos shows religious violence is often the most unnecessary violence of all since the scarce resources over which religious conflicts ensue are not actually scarce or need not be scarce Comparing violence in religious and nonreligious contexts Avalos makes the compelling argument that if we condemn violence caused by scarce resources as morally objectionable then we must consider even more objectionable violence provoked by alleged scarcities that cannot be proven to exist He also examines the Nazi Holocaust and the Stalinist Terror which have been attributed to the pernicious effects of atheism or secular humanism By contrast Avalos pinpoints underlying religious factors as the cause of these horrific instances of genocidal violence This serious philosophical examination of the roots of religious violence adds much to our understanding of a perennial source of widespread human suffering Hector Avalos Ames IA is associate professor of Religious Studies at Iowa State University the author of five books on biblical studies

and religion the former editor of the Journal for the Critical Study of Religion and executive director of the Committee for the Scientific Examination of Religion      *Making the Body Beautiful* Sander L. Gilman, 2021-12-07 Nose reconstructions have been common in India for centuries South Korea Brazil and Israel have become international centers for procedures ranging from eyelid restructuring to buttock lifts and tummy tucks Argentina has the highest rate of silicone implants in the world Around the globe aesthetic surgery has become a cultural and medical fixture Sander Gilman seeks to explain why by presenting the first systematic world history and cultural theory of aesthetic surgery Touching on subjects as diverse as getting a nose job as a sweet sixteen birthday present and the removal of male breasts in seventh century Alexandria Gilman argues that aesthetic surgery has such universal appeal because it helps people to pass to be seen as a member of a group with which they want to or need to identify Gilman begins by addressing basic questions about the history of aesthetic surgery What surgical procedures have been performed Which are considered aesthetic and why Who are the patients What is the place of aesthetic surgery in modern culture He then turns his attention to that focus of countless human anxieties the nose Gilman discusses how people have reshaped their noses to repair the ravages of war and disease principally syphilis to match prevailing ideas of beauty and to avoid association with negative images of the Jew the Irish the Oriental or the Black He examines how we have used aesthetic surgery on almost every conceivable part of the body to try to pass as younger stronger thinner and more erotic Gilman also explores some of the extremes of surgery as personal transformation discussing transgender surgery adult circumcision and foreskin restoration the enhancement of dueling scars and even a performance artist who had herself altered to resemble the Mona Lisa The book draws on an extraordinary range of sources Gilman is as comfortable discussing Nietzsche Yeats and Darwin as he is grisly medical details Michael Jackson and Barbra Streisand's decision to keep her own nose The book contains dozens of arresting images of people before during and after surgery This is a profound provocative and engaging study of how humans have sought to change their lives by transforming their bodies

## Whispering the Techniques of Language: An Mental Quest through **Questioning Circumcision A Jewish Perspective**

In a digitally-driven world wherever screens reign supreme and quick connection drowns out the subtleties of language, the profound strategies and mental nuances hidden within phrases frequently get unheard. However, set within the pages of **Questioning Circumcision A Jewish Perspective** a fascinating fictional treasure pulsating with natural emotions, lies a fantastic journey waiting to be undertaken. Written by a skilled wordsmith, this wonderful opus attracts viewers on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within the cloth of each word. Within the psychological depths of the emotional evaluation, we will embark upon a genuine exploration of the book is core styles, dissect their charming publishing model, and succumb to the effective resonance it evokes strong within the recesses of readers hearts.

### **Questioning Circumcision A Jewish Perspective Introduction**

In today's digital age, the availability of Questioning Circumcision A Jewish Perspective books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Questioning Circumcision A Jewish Perspective books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Questioning Circumcision A Jewish Perspective books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Questioning Circumcision A Jewish Perspective versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Questioning Circumcision A Jewish Perspective books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Questioning Circumcision A Jewish Perspective books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for

Questioning Circumcision A Jewish Perspective books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Questioning Circumcision A Jewish Perspective books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Questioning Circumcision A Jewish Perspective books and manuals for download and embark on your journey of knowledge?

### **FAQs About Questioning Circumcision A Jewish Perspective Books**

1. Where can I buy Questioning Circumcision A Jewish Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Questioning Circumcision A Jewish Perspective book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Questioning Circumcision A Jewish Perspective books? Storage: Keep them away from direct

sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Questioning Circumcision A Jewish Perspective audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Questioning Circumcision A Jewish Perspective books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
