Questions English Teachers Ask Robert Baird Shuman,1977 *The Knowledge Gap* Natalie Wexler,2019-08-06
Essential reading for teachers education administrators and policymakers alike STARRED Library Journal The untold story of the root cause of America s education crisis It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country s frustrating lack of progress when it comes to providing every child with a quality education The problem wasn t one of the usual scapegoats lazy teachers shoddy facilities lack of accountability It was something no one was talking about the elementary school curriculum s intense focus on decontextualized reading comprehension skills at the expense of actual knowledge In the tradition of Dale Russakoff s *The Prize* and Dana Goldstein s *The Teacher Wars* Wexler brings together history research and compelling characters to pull back the curtain on this fundamental flaw in our education system one that fellow reformers journalists and policymakers have long overlooked and of which the general public including many parents remains unaware But *The Knowledge Gap* isn t just a story of what schools have gotten so wrong it also follows innovative educators who are in the process of shedding their deeply ingrained habits and describes the rewards that have come along students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed If we truly want to fix our education system and unlock the potential of our neediest children we have no choice but to pay attention *Questions English Teachers Ask* ,1977 Developmental Education for Young Children Bert van Oers,2012-06-16 Developmental Education is an approach to education in school that aims at promoting children s cultural development and their abilities to participate autonomously and well informed in the cultural practices of their community From the point of view of Cultural historical Activity theory CHAT a play based curriculum has been developed over the past decades for primary school which presents activity contexts for pupils in the classroom that create learning and teaching opportunities for helping pupils with appropriating cultural knowledge skills and moral understandings in meaningful ways The approach is implemented in numerous Dutch primary schools classrooms with the explicit intention to support the learning of both pupils and teachers The book focuses especially on education of young children 4 8 years old in primary school and presents the underpinning concepts of this approach and chapters on examples of good practices in a variety of subject matter areas such as literacy vocabulary acquisition reading writing mathematics and arts Successful implementation of Developmental Education in the classroom strongly depends on dynamic assessment and continuous observations of young pupils development Strategies for implementation of both the teaching practices and assessment strategies are discussed in detail in the book **How to Read a Book** Kwame Alexander,2019-06-18 A stunning new picture book from Newbery Medalist Kwame Alexander and Caldecott Honoree Melissa Sweet This New York Times bestselling duo has teamed up for the first time to bring you *How to Read a Book* a poetic and beautiful journey about the experience of reading Find a tree a black tupelo or dawn redwood will

do and plant yourself It s okay if you prefer a stoop like Langston Hughes With these words an adventure begins Kwame Alexander s evocative poetry and Melissa Sweet s lush artwork come together to take readers on a sensory journey between the pages of a book

English Teaching Forum ,2003 **International Handbook of English Language Teaching** Jim Cummins,Chris Davison,2007-12-31 This two volume handbook provides a comprehensive examination of policy practice research and theory related to English language teaching ELT in international contexts Nearly 70 chapters highlight the research foundation for the best practices frameworks for policy decisions and areas of consensus and controversy in the teaching and development of English as a second and or additional language for kindergarten through to adult speakers of languages other than English In doing so it problematizes traditional dichotomies and challenges the very terms that provide the traditional foundations of the field A wide range of terms has been used to refer to the key players involved in the teaching and learning of the English language and to the enterprise of English language teaching as a whole At various times and in different contexts the following labels have been used in countries where English is the dominant language to describe programs learners or teachers of English English as a second language ESL English as an additional language EAL limited English proficient LEP and English language learners ELL In contexts where English is not the dominant language the following terms have been used English as a foreign language EFL English as an international language EIL and English as a lingua franca ELF
