*Drei Schwestern und ihre Kinder* Oliver Kortendick,1996     Current Index to Journals in Education ,1999     *Critical Han Studies* Thomas Mullaney,James Patrick Leibold,Stéphane Gros,Eric Armand Vanden Bussche,2012-02-15 Constituting over ninety percent of China s population Han is not only the largest ethnonational group in that country but also one of the largest categories of human identity in world history In this pathbreaking volume a multidisciplinary group of scholars examine this ambiguous identity one that shares features with but cannot be subsumed under existing notions of ethnicity culture race nationality and civilization     Human Activities and the Tropical Rainforest Bernard K. Maloney,2013-11-11

Arising initially from a conference the papers published here have been integrated into book form to provide information on human activities and the tropical rainforest in the past and present and on the possible future of the rainforest in a unique way Other books have considered some but not all of these themes however none has stressed the continuity of change over time and its possible outcome for the people of the forest as well as for the forest itself Because of the approach taken this book should appeal across traditional disciplinary boundaries Indeed a prime aim has been to suggest that rainforest because of its complexity and the complexity of people rainforest relationships throughout time deserves study from a broad perspective This book poses more questions than answers about the rainforest and it is hoped that it will encourage readers to think about the rainforest in a wider way than hitherto This book is aimed at geographers physical and human social anthropologists archaeologists pedologists foresters and tropical botanists and will be of value to graduates of various disciplines setting out to research the rainforest     **Gaming the Metrics** Mario Biagioli,Alexandra Lippman,2020-01-28

How the increasing reliance on metrics to evaluate scholarly publications has produced new forms of academic fraud and misconduct The traditional academic imperative to publish or perish is increasingly coupled with the newer necessity of impact or perish the requirement that a publication have impact as measured by a variety of metrics including citations views and downloads Gaming the Metrics examines how the increasing reliance on metrics to evaluate scholarly publications has produced radically new forms of academic fraud and misconduct The contributors show that the metrics based audit culture has changed the ecology of research fostering the gaming and manipulation of quantitative indicators which lead to the invention of such novel forms of misconduct as citation rings and variously rigged peer reviews The chapters written by both scholars and those in the trenches of academic publication provide a map of academic fraud and misconduct today They consider such topics as the shortcomings of metrics the gaming of impact factors the emergence of so called predatory journals the salami slicing of scientific findings the rigging of global university rankings and the creation of new watchdogs and forensic practices     *Environmental Knowledge and Resource Management* Silvia Werner,2004     Reassembling Scholarly Communications Martin Paul Eve,Jonathan Gray,2020-10-20 A range of perspectives on the complex political philosophical and pragmatic implications of opening research and scholarship through digital technologies The Open Access

Movement proposes to remove price and permission barriers for accessing peer reviewed research work to use the power of the internet to duplicate material at an infinitesimal cost per copy In this volume contributors show that open access does not exist in a technological vacuum there are complex political philosophical and pragmatic implications for opening research through digital technologies The contributors examine open access across spans of colonial legacies knowledge frameworks publics and politics archives and digital preservation infrastructures and platforms and global communities *DHHS Publication No. (ADM). ,1985* **Disciplinary and Semiotic Relations Across Human-computer Interaction** Luiz Ernesto Merkle,2002 Chicana Movidas Dionne Espinoza,María Eugenia Cotera,Maylei Blackwell,2018-06-01 With contributions from a wide array of scholars and activists including leading Chicana feminists from the period this groundbreaking anthology is the first collection of scholarly essays and testimonios that focuses on Chicana organizing activism and leadership in the movement years The essays in Chicana Movidas New Narratives of Activism and Feminism in the Movement Era demonstrate how Chicanas enacted a new kind of politica at the intersection of race class gender and sexuality and developed innovative concepts tactics and methodologies that in turn generated new theories art forms organizational spaces and strategies of alliance These are the technologies of resistance documented in Chicana Movidas a volume that brings together critical biographies of Chicana activists and their bodies of work essays that focus on understudied organizations mobilizations regions and subjects examinations of emergent Chicana archives and the politics of collection and scholarly approaches that challenge the temporal political heteronormative and spatial limits of established Chicano movement narratives Charting the rise of a field of knowledge that crosses the boundaries of Chicano studies feminist theory and queer theory Chicana Movidas New Narratives of Activism and Feminism in the Movement Era offers a transgenerational perspective on the intellectual and political legacies of early Chicana feminism Tapping the Green Market Patricia Shanley,2002 This special issue of the journal Public Archaeology explores indigenous involvement in archaeology and the wide range of areas where archaeological activities have implications for indigenous concerns Representing one of the most dynamic aspects of pu
