## Questions Non Christians Ask Today:

*The Questions Christians Hope No One Will Ask* Mark Mittelberg, 2010-10-29 2011 Retailers Choice Award winner Why are Christians against same sex people getting married Why do you believe God exists at all Why would God allow evil and suffering Why trust the Bible when it s full of mistakes How could a loving God send people to hell What makes you think Jesus was more than just a good teacher Why are Christians so judgmental Some questions can stop a conversation Today more than ever people are raising difficult penetrating questions about faith God and the Bible Based on an exclusive new Barna survey of 1 000 Christians *The Questions Christians Hope No One Will Ask* presents compelling easy to grasp answers to ten of the most troubling questions facing Christians today These include everything from the existence of heaven to the issues of abortion and homosexuality as well as the question of whether evolution eliminates our need for a God *Share Jesus Without Fear* Linda Evans Shepherd, Bill Fay, William Fay, 1999 This inspirational tool encourages and enables Christians to share their faith with confidence and God given assurance *50 Simple Questions for Every Christian* Guy P. Harrison, 2013-03-19 Written in a respectful and conversational style this unique book is designed to promote constructive dialogue and foster mutual understanding between Christians and non Christians The author a skeptic and journalist asks basic questions about Christian belief What is the born again experience Why would God want to sacrifice his only son for the world Do miracles really happen How reliable is the Bible What is the rapture Why isn t everyone a Christian Each question is followed by commentary and analysis that is skeptical and tough but never argumentative or condescending Christians will find the book useful as a basis for developing their apologetics while skeptics will welcome Harrison s probing rational analysis of religious claims *Questions Non-Christians Ask* Barry Wood, 1977 *Questions Christians Aren't Supposed to Ask* James V. Brownson, 2021-06-18 Why should anyone believe in God in a world with so much pain Why should I become a Christian when I find the public agenda of many Christians so offensive I have been hurt by the church in the past Why should I bother with it now Most Christians have found themselves in conversations with nonbelieving friends and family where these kinds of questions have come up In fact most Christians have probably found themselves asking these questions too But everyone who has ever wondered about such complicated things knows that this is dangerous territory after all what if there s no easy answer This book welcomes and encourages these questions that Christians aren t supposed to ask In each chapter James Brownson introduces a particular question and then reframes it with a relevant passage from the Bible bringing to bear his expertise as a biblical scholar Rather than providing dogmatic and ultimately unsatisfying Sunday school answers he explores the questions in provocative ways that often challenge the status quo of American Christianity Fittingly each chapter closes with discussion questions and suggestions for further reading so that the conversations begun here can continue among the book s readers in fruitful ways *Who on Earth Is the Holy Spirit?* Tim Chester, Christopher De la Hoyde, 2005-10 A concise practical book on the person and work of the Holy Spirit *A Universe from Nothing* Lawrence

Maxwell Krauss,2013 This is a provocative account of the astounding new answers to the most basic philosophical question Where did the universe come from and how will it end      **Keeping Your Kids on God's Side** Natasha Crain,2016-03-01

Senate offers thoughtful biblical insights to modern questions      **Questioning Evangelism, 3rd edition** Randy Newman,2023-01-17 You don't need to memorize evangelical formulas or answers You just have to be willing to ask questions There was something different about the way Jesus communicated with the lost He didn't force answers upon people He asked questions So why don't we Campus ministry veteran Randy Newman has been using a questioning style of evangelism for years In this thought provoking book he provides practical insights to help Christians engage others in meaningful spiritual conversations To Newman asking questions challenges how we think about unbelievers their questions and our message instead of telling unbelievers what to think A perennial best seller this third edition includes both revisions of current chapters such as an expanded discussion on LGBTQ issues and the debate on transgenderism and new chapters that ponder issues such as science and suffering Distilled out of twenty years of personal evangelism this book reflects both a deep grasp of biblical theology and a penetrating compassion for people and finds a way forward in wise probing questions How very much like the Master Himself D A Carson Trinity Evangelical Divinity School Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day Mitch Glaser Chosen People Ministries      **Christians Today—Questions—Choices We Make !** Charles Phillips,2019-05-31 The one purpose of this book is that you can understand the relationship our Creator God wants with His children that He has created on this earth As you have read and discover how far we all have departed from what our Creator made at creation week we all need to renew our relationship with our Creator God My friend whoever you are and wherever you are and no matter how far you have gone away from God this call is for you Accept Christ's atoning sacrifice for your sins there on Calvary's cross where the old account was settled years ago You cannot purchase His Gift only except His Gift of Love Soon and very soon The Son of Man shall come in the glory of His Father with His angels and then He shall reward every man according to his works Matt 16:27 Do you want to be one of those that will hear His voice calling those who Love Christ Make your decision today

**Now, That's a Good Question!** R. C. Sproul,2011-08-24 In Now That's a Good Question R C Sproul answers more than 300 challenging questions about life and faith Addressing doctrinal points and contemporary issues such as euthanasia evolution and abortion Sproul covers more than three hundred topics in a personable easy to read style that's perfect for the lay person New believers as well as those mature in the faith will find this book a solid resource for those challenging questions of life and faith      *60 Questions Christians Ask About Jewish Beliefs and Practices* Michael L. Brown,2011-10 Respected scholar and Messianic Jew answers sixty common questions Christians have about Jewish people culture practices and the Jewish background to the New Testament      **Questions Asked by New-In-The-Lord Christians!** Jay Dunning,2016-07-09 This book has been written for very young Christians only of any earthly age There are three books in the series and they have been written especially to prepare the young Christian for what lies ahead in their Christian walk Many mature Christians believe they have knowledge of the Bible but sadly their knowledge is in many cases marred by error

This is not an indictment on them but rather a case of less than perfect doctrine or teaching I have therefore thoroughly researched the Christian life and have prepared the contents of the books accordingly I only wish I could have had books like these when I was a youngster in the Lord     *A New and Ancient Evangelism* Judith Paulsen, 2024-06-25 Evangelism has a bad reputation It s been loaded with sales tactics market analysis and high pressure psychology an approach that often flattens other cultures and dishonors those we want to reach Evangelizers are encouraged to believe that everything depends on their understanding of the gospel and their powers of persuasion No wonder so few people want to get involved in sharing the faith This book recovers the ancient tradition of the church s evangelism rooted in the conversion stories of the Bible to offer a truly biblical understanding of evangelism Drawing on 25 years of experience teaching evangelism to laypeople and ministry students Judith Paulsen shows that God uses ordinary people of faith within their everyday spheres of influence to draw people to himself She helps readers share the Good News in a way that is authentic respectful and ideally suited to the cultural dynamics of today s world Above all she places the real work of evangelism where it belongs with the God who is still at work calling people to himself The book includes discussion questions a Scripture index and a bibliography
