## Questions Of Jesus Challenging Ourselves To Discover Lifes Great Answers:

The Questions of Jesus John Dear, 2007-12-18 This illuminating examination of the Gospels reveals how the questions Jesus asks of his followers lead the way to a deeper understanding of the meaning of life and the mystery of God The Gospels are filled with stories parables miracles commandments and dramatic incidents that trace Jesus life and recount his teachings A close reading of the Gospels reveals however that they are also filled with questions As John Dear points out in this remarkable book Jesus like any great teacher and rabbi has a question for everyone he meets for every occasion for every experience for every potential disciple Dear uses these questions as a starting point an invitation to readers to discover the lessons they contain by searching their own hearts and minds for answers Throughout *The Questions of Jesus* Dear interweaves insights from ethical and religious teachers ranging from Buddha to Gandhi to Martin Luther King Jr Using recent events as powerful and poignant examples he shows why a renewed commitment to Jesus message of nonviolence compassion justice and peace is essential to healing a world torn by violence and war

*Encounters with Jesus* Timothy Keller, 2013-11-19 Explores how people were changed when they met Jesus personally and how we can be changed today through our own encounter with him Dust jacket flap

**What Seek Ye?** S. Michael Wilcox, 2020-07-27

*Jesus Is the Question* Martin B. Copenhaver, 2014-09-02 Contrary to some common assumptions Jesus is not the ultimate Answer Man but more like the Great Questioner In the Gospels Jesus asks many more questions than he answers To be precise Jesus asks 307 questions He is asked 183 of which he only answers 3 Asking questions was central to Jesus life and teachings In fact for every question he answers directly he asks literally a hundred Jesus is the Question considers the questions Jesus asks what they tell us about Jesus and more important what our responses might say about what it means to follow Him Through Jesus questions he modeled the struggle the wondering the thinking it through that helps us draw closer to God and better understand not just the answer but ourselves our process and ultimately why questions are among Jesus most profound gifts for a life of faith A game changer of a book

**Questions for Christians** John Morreall, 2014-06-17 From the gender of God to what happens when we die *Questions for Christians* digs into some of the thorniest questions of the Christian faith questions that many people would rather ignore Drawing on sources both ancient and modern John Morreall explores issues while identifying points of controversy Some of the answers are surprising while others provide a more complete understanding of common beliefs

**Philosophical Hermeneutics and the Priority of Questions in Religions** Nathan Eric Dickman, 2022-02-24 Buddhas gods prophets and oracles are often depicted as asking questions But what are we to understand when Jesus asks Who do you say that I am or Mazu the Classical Zen master asks Why do you seek outside Is their questioning a power or weakness Is it something human beings are only capable of due to our finitude Is there any kind of question that is a power Focusing on three case studies of questions in divine discourse on the level of story the god depicted in the Jewish Bible the master Mazu in his recorded sayings literature and Jesus as he is depicted in canonized

Christian Gospels Nathan Eric Dickman meditates on human responses to divine questions He considers the purpose of interreligious dialogue and the provocative kind of questions that seem to purposefully decenter us drawing on methods from confessionally oriented hermeneutics and skills from critical thinking He allows us to see alternative ways of interpreting religious texts through approaches that look beyond reading a text for the improvement of our own religion or for access to some metaphysically transcendent reality This is the first step in a phenomenology of religions that is inclusive diverse relevant and grounded in the world we live in *What Do You Seek?* Buckley,2016 Throughout the Gospels Jesus teaches people and proclaims the kingdom of God But that s not all He also questions a lot Jesus asks questions that challenge and unsettle Questions that cut to the heart of human experience Questions that like a plow plunging deeply into hard soil split life open Distinguished theologian Michael Buckley in this book meditates on fourteen key personal questions that Jesus asks in the Gospel of John such questions as What do you seek Do you know what I have done to you How can you believe Do you take offense at this Do you love me Readers will be challenged to new ways of thinking and living as they seek to follow Jesus

Questions are like seeds buried in the rich dark soil of our hearts Nurtured with oxygen and water they unfold into that which they were meant to become Absent these conditions they wither in the dark Those most resistant to Christianity are those whose questions did not receive oxygen in their faith communities while they were children and teenagers Not a Hopeless Case is the story of questions the questions of young adults about faith and spirituality young adults who are lost and want to be found and the questions of pastors who seek to find them *Finding the Flow* Tara Miller,Jenn Peppers,2010-05-07 This is one of the most practical books available regarding how to develop transformational leaders who can in turn lead transformational groups What sets their work apart from all the other small group books out there is their focus on the leader of the group I ve seen Jenn and Tara at work firsthand in the church where I pastor and they ve taken the small group ministry to a new level of effectiveness Simple Discipleship Dana Allin,2019-01-08 A Clear and Personalized Path for Discipleship Discipleship can feel like a meandering journey we don t know what we want and none of the programs offered seem to get us anywhere We need something to orient ourselves and something to direct our steps toward a clear destination Simple Discipleship with its companion assessment tool offers a plan for discipleship that is tailored to your real life and your personality and clearly pointed in the way of Jesus Most discipleship resources are designed as mass productions efficient for touching many but often failing to see individuals grow in Christ This is the best of both worlds an assessment tool for your entire church combined with an achievable personalized discipling strategy *Kindred Souls* Stephanie Ford,2017-05-15 Many of us go through our busy lives with many acquaintances but few true close friends Most of our daily conversations focus on the mundane or we barely scratch the surface of what s going on in our friends lives as we try to catch up on the run We weren t meant to travel alone Yet many of us are afraid to reveal our innermost thoughts of being too nosy or not religious enough to commit to spiritual kinships Using the story of Ruth and Naomi as an example Stephanie Ford describes how to overcome the risk and fear of sharing and explains how to be a faithful listener She offers new insights that will empower you to build and nurture soul friendships Through this book you will discover what spiritual friendship is and how it differs from other forms find practical ways to develop and nurture spiritual friendships meet spiritual companions from biblical and Christian history explore the most profound friendship of all friendship with God and learn how it can transform your life *Kindred Souls* is for individuals prayer partners or small groups who want to deepen the friendships they already have and open themselves to new possibilities God offers Let this book guide you as you seek kindred companions to encourage and challenge you on the spiritual journey **11** Leonard Sweet,2012-02-01 As believers our journey is just as important as the destination And because relationships are essential to our walk through life it is vital that we partner with people who positively impact our world Dr Leonard Sweet believes these essential people are found in the pages of God s Word Using eleven classic figures from the Bible Dr Sweet details key personal attributes that make up God s Dream Team for your life Readers of all ages will be encouraged to not only seek out such people but to find their place with those around

Western one Has our fondness for a fixed printed text capable of being analyzed with precision and exactitude blinded us to other hermeneutic possibilities Does God require all people to be able to analyze grammar to interpret Scripture Does God assume all people can interpret Scripture through oral means The authors recognize the effects of centuries of literacy socialization that produced a blind spot in the Western Christian world the neglect by most in the academies agencies and assemblies of the foundational and forceful role orality had on the biblical text and teaching From the inspired spoken word of the prophets including Jesus pre text to the elite literate scribes who painstakingly hand printed the sacred text to post text interpretation and teaching the footprint of orality throughout the entire process is acutely visible to those having the oral aural influenced eyes of the Mediterranean ancients Could oral hermeneutics be the mother of relational theology
