head on yet with gentleness and respect Cold-case Christianity J. Warner Wallace, 2013 Do you believe about the claims of Christianity but aren't sure you believe in them J Warner Wallace knows what that's like For the first thirty five years of his life he was a devout atheist But when he decided to apply his skills as a detective to the claims of the New Testament he came to a startling realization the case for Christianity was as convincing as any case he'd ever worked as a detective A unique apologetic Cold Case Christianity will give you new confidence in Christ and a renewed passion for articulating the case for Christianity **Christian Conversations with Jehovah's Witnesses** Christian R. Darlington, 2012-11-22 Follow the inspiring dialogues between a Christian named Karen and a Jehovah's Witness named Cindy as they discuss the Watchtower brochure What Does God Require of Us and explore the core differences between Biblical Christianity and the Watchtower religion In this book Biblical truth is presented in an effective way that challenges the common reasoning embraced by faithful members of the Watchtower organization Originally published under the title What Does God Require this book is the product of experiences the author had talking with Jehovah's Witnesses of all levels of leadership Written in dialogue format this book includes photocopies of the pages referenced from official Watchtower publications and other sources essential for Christians using this book to witness to Jehovah's Witnesses Discussion topics are New Light Changes In Watchtower Doctrine False Prophecies Of The Watchtower Society The Watchtower's Definition Of A Cult Watchtower History and Cover ups The Jehovah's Witness Claim To Be The Only True Religion The Divine Name Jehovah The Trinity And The Deity Of Christ Faith and Works in Salvation Blood Transfusions War And Political Neutrality Holiday And Birthdays Celebrations Hell and Immortal Soul The Cross Loyalty To Jehovah God A Christian who reads Christian Conversations with JWs will not only learn the reasoning behind many of the doctrinal differences that separate Jehovah's Witnesses from Biblical Christianity but he or she will be inspired to approach Jehovah's Witnesses in a more gentle non confrontational way that will help open the door to more effective dialogues rather than closed minded defensive debates Likewise any thinking Jehovah's Witness will find the documentation presented from Watchtower publications and solid Biblical arguments stimulating to Make sure of all things hold fast to what is fine 1 Thessalonians 5:21 New World Translation Regarding the Karen and Cindy conversations in this book readers have said I am currently studying each and every page of the Karen and Cindy studies looking up every Bible passage They are very well put together very well documented with references and all enormously helpful I had Jehovah's Witnesses visiting for six years The sad thing is now I have their beliefs in my head So I put myself into God's hands and asked for direction Well the feeling of freedom is amazing I am like a child learning again for the first time The reason I had to write to you was the Karen and Cindy conversations Instead of me asking for help one question at a time they are all there for me It seems as if Cindy could read my mind It's so lovely for things to fall into place I was scared while I did not understand even the tiny bit I do now It's such a joy instead of feeling unworthy we're all sinners I know and feeling I would never be saved or go to Heaven So please thank God and Jesus with me for such help As you know I
