Qui sont les leaders congolais? Pierre Artigue (spécialiste du Congo.),1960 **Politics in Congo** Crawford Young,2015-12-08 The process of decolonization the development of the nationalist movement and the salient aspects of the emerging post independence policy in the Congo since 1954 are studied Special emphasis is given to the forces set loose by the Leopoldville explosion Originally published in 1965 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Political Awakening in the Congo Rene Lemarchand,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1964 **Les nouveaux cadres congolais** Joseph-Roger Mazanza Kindulu,Cornelis Nlandu-Tsasa,2005-03-01 Apr s la signature de l Accord de Pretoria fin 2002 s est instaur un nouvel ordre politique en R publique d mocratique du Congo avec l installation des animateurs de la nouvelle structure institutionnelle de transition Il s est alors manifest une n cessit d informations sur la nouvelle classe des dirigeants congolais C est cette architecture du paysage politique congolais qui constitue le fil conducteur de l ouvrage Un document qui permet un grand nombre de congolais d avoir un clairage suffisant et savoir qui est qui dans ce d dale sociopolitique Qui sont les leaders congolais? ,1961 **The Congo from Leopold to Kabila** Georges Nzongola-Ntalaja,2013-10-10 The people of the Congo have suffered from a particularly brutal colonial rule American interference after independence decades of robbery at the hands of the dictator Mobutu and periodic warfare which continues even now in the East of the country But as this insightful political history makes clear the Congolese people have not taken these multiple oppressions lying down and have fought over many years to establish democratic institutions at home and free themselves from foreign exploitation indeed these are two aspects of a single project Professor Nzongola Ntalaja is one of his country s leading intellectuals and his panoramic understanding of the personalities and events as well as class ethnic and other factors make his book a lucid radical and utterly unromanticized account of his countrymen s struggle His people s defeat and the state s post colonial crisis are seen as resulting from a post independence collapse of the anti colonial alliance between the masses and the national leadership This book is essential reading for understanding what is happening in the Congo and the Great Lakes region under the rule of the late President Kabila and now his son It will also stand as a milestone in how to write the modern political history of Africa **Congo 1964** Jules Gerard-Libois,Benoit Verhaegen,2015-12-08 This is the sixth in an annual series of Congolese

documents that have been compiled but this is the first time that they are available in French with an English introduction Originally published in 1966 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
