The Quick Or the Dead? Amélie Rives, 1889 **Quick Or Dead** William L. Cassidy, 1978 Called one of the most important volumes ever written in the field of combat handgunning Quick or Dead is a timeless history and study of combat point firing Learn the practical effective realistic gunfighting techniques developed by combat vets like Fairbairn Sykes Applegate Askins Cooper and Jordan **The Quick and the Dead** Joy Williams, 2002-01-08 PULITZER PRIZE FINALIST From one of our most heralded writers comes the poetic disturbing yet very funny The Washington Post Book World life and death adventures of three misfit teenagers in the American desert Alice Corvus and Annabel each a motherless child are an unlikely circle of friends One filled with convictions another with loss the third with a worldly pragmatism they traverse an air conditioned landscape eccentric with signs and portents from the preservation of the living dead in a nursing home to the presentation of the dead as living in a wildlife museum accompanied by restless confounded adults A father lusts after his handsome gardener even as he is haunted literally by his dead wife a heartbroken dog runs afoul of an angry neighbor a young stroke victim drifts westward his luck running from worse to awful a sickly musician for whom Alice develops an attraction is drawn instead toward darker imaginings and solutions and an aging big game hunter finds spiritual renewal through his infatuation with an eight year old the formidable Emily Bliss Pickless With nature thoroughly routed and the ambiguities of existence on full display life and death continue in directions both invisible and apparent Gloriously funny and wonderfully serious The Quick and the Dead limns the vagaries of love the thirst for meaning and the peculiar paths by which all creatures are led to their destiny A panorama of contemporary life and an endlessly surprising tour de force penetrating and magical ominous and comic this is the most astonishing book yet in Joy Williams's illustrious career Joy Williams belongs James Salter has written in the company of C line Flannery O Connor and Margaret Atwood **The Quick and the Dead** Mairtin O Cadhain, 2021-01-01 A collection of the finest stories from the Irish author of The Dirty Dust published fifty years after his death Every sentence is packed with explosive power not a word wasted and the whole is almost unbearably moving Hilary Mantel These colorful tales from renowned Irish author Mairtin O Cadhain 1906-1970 whisk readers to the salty western shores of Ireland where close knit farming communities follow the harsh rhythms of custom family and land even as they dream together of a kinder world In this collection the resilient women and men of the Gaeltacht regions struggle toward self realization against the brutal pressures of rural poverty and later the hollowing demands of modern city life Weaving together tradition and modernity and preserving the earthy cadence of the original language this rich and heart rending collection by one of Ireland's most acclaimed fiction writers is a composite portrait of a country poised at the edge of irreversible transformation **The Quick and the Dead** Louis L'Amour, 1982-05-01 When Duncan McKaskel decided to move his family west he knew he would face dangers and he was prepared for them He knew about the exhausting terrain and he was expecting the punishing elements What he worried about was having to use violence against other men men who

would follow him and try to steal the riches that he didn't even possess Yet bandits were only part of McKaskel's worries For a mysterious stranger Con Vallian had appeared one night and saved his life But was Vallian's true interest Duncan's wife Susanna And more important how did she feel about him As they push on into the wilderness Duncan must discover who is the greater threat the thieves outside his camp or the enigmatic stranger within **The Quick and the Dead** Andrew Gordon, Calvin Schwabe, 2004-11-01 This volume uses a cross disciplinary approach to examine the origins of ancient Egyptian medicine in the domestication care and sacrifice of cattle Ritual cattle sacrifice in Egypt led to a rudimentary understanding of animal anatomy and physiology which was then applied to humans Two original theories developed from this comparative medicine Life as movement especially seen in the fasciulations of excised limbs and the male's role in reproduction Discussions include Egypt as a cattle culture the ka as an animating force living flesh the possible animal origins of the ankh djed and was hieroglyphs the bull's foreleg and the Opening of the Mouth ritual Egypt's healing establishment and veterinary medicine as it relates to the origin of human medicine **Dead Girls Are Easy** Terri Garey, 2009-10-13 There's something about almost dying that makes a girl rethink her priorities Take Nicki Styx she was strictly goth and vintage until a brush with the afterlife leaves her with the ability to see dead people Before you can say boo Atlanta's ghosts are knocking at Nicki's door Now her days consist of reluctantly cleaning up messes left by the dearly departed leading ghouls to the Light and one on one anatomy lessons with Dr Joe Bascombe the dreamy surgeon who saved her life All this catering to the deceased is a real drag especially for a girl who'd rather be playing hanky panky with her hunky new boyfriend who's beginning to think she's totally nuts But things get even more complicated when a friend foolishly sells her soul to the devil and Nicki's new gift lands her in some deep voodoo As it turns out for Nicki Styx death was just the beginning **Did Jesus Really Rise from the Dead?** Thomas A. Miller, 2022-04-22 How can a respected scientist believe in the resurrection Can I trust the Bible's account that Jesus actually rose from the dead If the resurrection really occurred of what importance is it to you and me Our ready embrace of the authority of science has left many doubting that Jesus's resurrection was a verifiable historical event Yet Thomas Miller an experienced scientist and well respected surgeon challenges the notion that modern medicine has disproved the possibility of the resurrection Through careful investigation of the evidence and evaluation of its reliability Dr Miller demonstrates that science and religion are not incompatible and makes a compelling case for the reality of the resurrection **The Dead** James Joyce, 2024 One of the greatest short stories in world literature He single handedly killed the 19th century T S Eliot James Joyce revolutionized 20th century literature Time Magazine After a visitation from the dead through something as concrete as someone singing a particular Irish song Gabriel Conroy is struck by the profound realization of how superficially he has always loved his wife Gretta The image of the falling snow around them deepening into a cosmic metaphor for life and death as the story progresses has been called the most beautiful snowfall in literary history JAMES JOYCE 1882 1941 Irish author is a key figure in modernist literature with works

Richardson, 2014-12-14 This book creates a scripture by scripture model that addresses a very important topic and answers questions many of us have regarding what happens when we die Where do we go at the time of our death The process begins when we depart from this earth and takes us to a waiting place called Sheol or Hades From there we go on to judgement and then to our final abode of either Heaven or Hell Along the spiritual journey the book will cover some commonly held misconceptions many may have had about what happens when we die **The Quick Or the Dead?** Amélie Rives Chanler Troubetzkoy, 1888 *The Things They Carried* Tim O'Brien, 2013
