A Theology of Biblical Counseling Heath Lambert, 2016-04-05 A landmark textbook for Christian counselors that unpacks the core theological convictions behind sound counseling and outlines practical wisdom for counseling today Since the beginning of the biblical counseling movement in 1970 biblical counselors have argued that counseling is a ministry of the Word just like preaching or missions As a ministry counseling must be defined according to sound biblical theology rather than secular principles of psychology For over four decades biblical theology has been at the core of the biblical counseling movement Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling and bad theology leads to bad counseling A Theology of Biblical Counseling is an ideal resource for use in training biblical counselors at colleges seminaries and training institutes In each chapter doctrine comes to life in real ministry to real people dramatically demonstrating how theology intersects with the lives of actual counselees

A Christian Approach to Counseling and Psychotherapy Siang-Yang Tan, 2022-07-19 What does a Christian approach to counseling and psychotherapy involve The 2021 Fuller Integration Symposium Lectures by Dr Siang Yang Tan published in this book cover this topic with the overall title of A Christian Approach to Counseling and Psychotherapy Christ Centered Biblically Based and Spirit Filled The three lectures in three chapters are on 1 A Christian Perspective on Human Nature and Effective Counseling and Psychotherapy 2 Implicit and Explicit Integration in Christian Counseling and Psychotherapy Christian Faith in Clinical Practice and 3 The Role of the Holy Spirit in Christian Counseling and Psychotherapy

Solution-focused Pastoral Counseling Charles Allen Kollar, 1997 This groundbreaking book now updated and expanded furthers its original effective time saving approach that benefits pastors overtaxed by counseling demands Dr Charles Kollar presents a departure in pastoral counseling showing that counseling need not be long term or depend on psychological manipulation to produce dramatic results In most cases the solution lies with the counselees themselves Using the tested methods found in Solution Focused Pastoral Counseling pastors apart from counselors will be well equipped to help their counselees discover a solution and put it in motion speedily and productively SFPC is short term typically one to five sessions in which the counselor seeks to create solutions with not for the counselee The focus is on the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive The goal is healthy change sooner rather than later by helping the counselee see and work on the solution with God's activity already present in his or her life The solution focused approach does not require the counselor to be a highly trained psychological expert It requires biblically based sensitivity and common sense Yet this approach also recognizes its limitations and understands that there are situations in which other professional and or medical help is required
