Twenties and had pervaded every aspect of American life was reeling under the weight of a massive depression and a world made weary by militarism The response was a rediscovery in America of the pioneer virtues of cooperation and solidarity American Anxieties provides a collective portrait of an era that blend of fear hope excitement anger and joy that everyone who lived in that time will feel again for those too young for that time it links the 1990s with the emergence of a powerful black culture studies on women by men and women and the rediscovery on a large scale of ethnicity Far from being a stereotypical statement of the proletarian thirties Filler s work is in his own words and in those of great writers of the time a multicultural and multifaceted tool of broad pedagogical and personal use Included in the volume are major writings of Albert Jay Nock John Dewey Edmund Wilson Meyer Levin Milton Hindus John Dos Passos S J Perelman John Steinbeck and many others Louis Filler is the author of the classic Muckrakers best selling Crusade Against Slavery Dictionary of American Social Reform Unknown Edwin Markham Dictionary of American Conservatism among many others as well as biographies of Randolph Bourne and David Graham Phillips Long associated with Antioch College he also visited some 200 other academic institutions as faculty member or lecturer
