Vocabulary of Soviet Society and Culture Irina H. Corten, 1992 Irina H. Corten's Vocabulary of Soviet Society and Culture is an experiment in what Soviet scholars call lingvostranovedenie the study of a country and its culture through the peculiarities of its language Not a conventional dictionary Corten's lexicon is selective offering a broad sampling of culturally significant words in the areas of politics ideology the economy education arts and letters social problems and everyday life as well as language associated with the personalities and activities of individual Soviet leaders The entries are listed alphabetically in English transliteration followed by the Cyrillic although readers familiar with Russian may prefer to use the Cyrillic alphabet listing included in this volume In each entry the author provides a succinct but full explanation of the term and whenever possible cross references to other entries authentic examples of its use and samples of relevant Soviet jokes A reader may approach the lexicon either sequentially or with the aid of a subject thesaurus that divides the material into specific topics A listing of complementary sources of reference appears in a useful bibliography With this fascinating lexicon of Sovietisms Corten provides an invaluable and easily accessible medium for those general readers and scholars of the Russian language and Soviet culture interested in understanding contemporary Soviet life Selected entries

from the Vocabulary of Soviet Society and Culture Anekdotchik anekdotchitsa cyrillic spelling n 1 A person who tells jokes anekdoty 2 coll since the late Stalin era a person arrested and given a prison sentence for the telling of political jokes The phenomenon indicates the important role of the political joke in Soviet culture and specifically in the dissident movement See iazychnik sident The following jokes were popular during the Brezhnev era 1 Comrade Brezhnev what is your hobby Collecting jokes about myself And how many have you collected so far Two and a half labor camps 2 Question What is a marked down joke Answer A joke which under Stalin got you ten years in a labor camp and now gets you only five ego stiki cyrillic n pl Lit little egotists coll since the 1970s referring to headsets worn by music lovers especially teenage fans of rock music The idea is that by wearing headsets one shuts out the world and becomes indifferent to everything except oneself zhr lnia cyrillic n Der zhrat to gorge devour vulg coll since the 1970s denoting an eating establishment with inexpensive and often bad tasting food In the late 1980s the term also has been applied to new fast food restaurants which have been built in Soviet cities by Western concerns for example McDonald's See amerikanka stekliashka stoichachka **Japanese Language and Soft Power in Asia** Kayoko Hashimoto, 2019-02-01 This cutting edge collection considers how the Japanese language functions as a key element of Japanese soft power in Asia Within Japanese culture itself the promotion of language has been an area of ambivalence This interdisciplinary book looks across the fields of language policy language teaching socio linguistics cultural studies and history to identify the links between Japan's language policies and broader social economic and political processes It examines the challenges that undermine Japan's potential soft power by identifying a gap between the official Japan portrayed by the Japanese government and the cultural Japan that foreigners perceive It also reveals historical continuity in the way Japanese language is perceived and promoted by policy makers and how the current practices of Japanese language teaching in Asian countries have been shaped within the framework of international exchange which has been a key concept in Japanese foreign policies since the 1970s It particularly considers the concept of Cool Japan as a symbol of Japan's interpretation of its cultural power and offers a thoughtful assessment of the future of Japanese as a form of soft power in Asia as the country prepares for the 2020 Tokyo Olympics
