The Road to Dallas David Kaiser,2009-11-30

Neither a random event nor the act of a lone madman the assassination of President John F Kennedy was an appalling and grisly conspiracy This is the unvarnished story With deft investigative skill David Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government s campaign against organized crime which began in the late 1950s and accelerated dramatically under Robert Kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate Fidel Castro The seeds of conspiracy go back to the Eisenhower administration which recruited top mobsters in a series of plots to assassinate the Cuban leader The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions The agency s links with the Mafia continued in the Kennedy administration although the President and his closest advisors engaged in their own efforts to overthrow Castro thought this skullduggery had ended Meanwhile Cuban exiles right wing businessmen and hard line anti Communists established ties with virtually anyone deemed capable of taking out the Cuban premier Inevitably those ties included the mob The conspiracy to kill JFK took shape in response to Robert Kennedy s relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement Pushed to the wall mob leaders merely had to look to the networks already in place for a solution They found it in Lee Harvey Oswald the ideal character to enact their desperate revenge against the Kennedys Comprehensive detailed and informed by original sources *The Road to Dallas* adds surprising new material to every aspect of the case It brings to light the complete frequently shocking story of the JFK assassination and its aftermath *Saving Ruby King* Catherine Adel West,2020-06-16 Named a Most Anticipated Book of 2020 by Ms Magazine USA Today Book Riot The Rumpus Library Journal PureWow The Every Girl Parade and more Forever and to the end That s what they say instead of I love you When Ruby King s mother is found murdered in their home in Chicago s South Side the police dismiss it as another act of violence in a black neighborhood But for Ruby it s a devastating loss that leaves her on her own with her violent father While she receives many condolences her best friend Layla is the only one who understands how this puts Ruby in jeopardy Their closeness is tested when Layla s father the pastor of their church demands that Layla stay away But what is the price for turning a blind eye In a relentless quest to save Ruby Layla uncovers the murky loyalties and dangerous secrets that have bound their families together for generations Only by facing this legacy of trauma head on will Ruby be able to break free An unforgettable debut novel *Saving Ruby King* is a powerful testament that history doesn t determine the present and the bonds of friendship can forever shape the future *Dinner at Sam's, A Ruby's Novel* DL White,2018 Vanessa Jackson is just trying to get her life together after her ex abandoned her and their two young daughters The last thing she needs is drama but Warren Jackson won t let go of the stripper he rescued All Vanessa wants is a divorce so she can move on but Warren is determined to make it difficult Enter Gibson Kincaid the youngest and newest addition at prestigious Kincaid Family Law Gibson has never done what his overbearing mother Sylvia the Silver Shark wants and his rebellious nature may cost him his career But when he
