Rudy Giuliani emerged from the smoke of 9 11 as the unquestioned hero of the day America's Mayor the father figure we could all rely on to be tough to be wise to do the right thing In that uncertain time it was a comfort to know that he was on the scene and in control making the best of a dire situation But was he really *Grand Illusion* is the definitive report on Rudy Giuliani's role in 9 11 the true story of what happened that day and the first clear eyed evaluation of Giuliani's role before during and after the disaster While the pictures of a soot covered Giuliani making his way through the streets became very much a part of his personal mythology they were also a symbol of one of his greatest failures The mayor's performance though marked by personal courage and grace under fire followed two terms in office pursuing an utterly wrongheaded approach to the city's security against terrorism Turning the mythology on its head *Grand Illusion* reveals how Giuliani has revised his own history casting himself as prescient terror hawk when in fact he ran his administration as if terrorist threats simply did not exist too distracted by pet projects and turf wars to attend to vital precautions Authors Wayne Barrett and Dan Collins also provide the first authoritative view of the aftermath of the 9 11 attacks recounting the triumphs and missteps of the city's efforts to heal itself With surprising new reporting about the victims the villains and the heroes this is an eye opening reassessment of one of the pivotal events and politicians of our time      Queen Bess Jennifer Preston, 2016-03-29

New York neighborhoods and an in depth look at the dynamics of the NYPD and of the city's administration itself Vitale explains why Republicans have won the last four New York mayoral elections and what the long term impact Giuliani's zero tolerance method has been on a city historically known for its liberalism **Surviving Autocracy** Masha Gessen, 2021-06-01

When Gessen speaks about autocracy you listen The New York Times A reckoning with what has been lost in the past few years and a map forward with our beliefs intact Interview As seen on MSNBC's Morning Joe and heard on NPR's All Things Considered the bestselling National Book Award winning journalist offers an essential guide to understanding resisting and recovering from the ravages of our tumultuous times This incisive book provides an essential guide to understanding and recovering from the calamitous corrosion of American democracy over the past few years Thanks to the special perspective that is the legacy of a Soviet childhood and two decades covering the resurgence of totalitarianism in Russia Masha Gessen has a sixth sense for the manifestations of autocracy and the unique cross cultural fluency to delineate their emergence to Americans Gessen not only anatomizes the corrosion of the institutions and cultural norms we hoped would save us but also tells us the story of how a short few years changed us from a people who saw ourselves as a nation of immigrants to a populace haggling over a border wall heirs to a degraded sense of truth meaning and possibility **Surviving Autocracy** is an inventory of ravages and a call to account but also a beacon to recovery and to the hope of what comes next **Reign of Terror** Spencer Ackerman, 2022-08-09

A New York Times Critics Top Book of 2021 An impressive combination of diligence and verve deploying Ackerman's deep stores of knowledge as a national security journalist to full effect The result is a narrative of the last 20 years that is upsetting discerning and brilliantly argued The New York Times One of the most illuminating books to come out of the Trump era New York Magazine An examination of the profound impact that the War on Terror had in pushing American politics and society in an authoritarian direction For an entire generation at home and abroad the United States has waged an endless conflict known as the War on Terror In addition to multiple ground wars the era pioneered drone strikes and industrial scale digital surveillance weakened the rule of law through indefinite detentions sanctioned torture and manipulated the truth about it all These conflicts have yielded neither peace nor victory but they have transformed America What began as the persecution of Muslims and immigrants has become a normalized feature of American politics and national security expanding the possibilities for applying similar or worse measures against other targets at home as the summer of 2020 showed A politically divided and economically destabilized country turned the War on Terror into a cultural and then a tribal struggle It began on the ideological frontiers of the Republican Party before expanding to conquer the GOP often with the acquiescence of the Democratic Party Today's nativist resurgence walked through a door opened by the 9/11 era And that door remains open **Reign of Terror** shows how these developments created an opportunity for American authoritarianism and gave rise to Donald Trump It shows that Barack Obama squandered an opportunity to dismantle the War on Terror after killing Osama bin Laden By the end of his tenure the war had metastasized

into a bitter broader cultural struggle in search of a demagogue like Trump to lead it Reign of Terror is a pathbreaking and definitive union of journalism and intellectual history with the power to transform how America understands its national security policies and their catastrophic impact on civic life
