## **Rudyard Kipling In Vermont Birthplace Of The Jungles:**

*Rudyard Kipling in Vermont* Stuart Murray,1997 Chronicles the four years writer Rudyard Kipling spent in Vermont and discusses his work on The Jungle Books the family feud that forced him to leave the United States his relationship with his family and friends and other related topics      **The Day's Work** Rudyard Kipling,1905 First published in Great Britain by Macmillan 1898      The Jungle Book Rudyard Kipling,1894      The Second Jungle Book Rudyard Kipling,1897 Presents the further adventures of Mowgli a boy reared by a pack of wolves and the wild animals of the jungle Also includes other short stories set in India      The Jungle Books Rudyard Kipling,2012-06-30 The Jungle Books tell the story of the irrepressible Mowgli who is rescued as a baby from the jaws of the evil tiger Shere Khan Raised by wolves and guided by Baloo the bear Mowgli and his animal friends embark on a series of hair raising adventures through the jungles of India      **If** Christopher Benfey,2019-07-09 A New York Times Notable Book of 2019 A unique exploration of the life and work of Rudyard Kipling in Gilded Age America from a celebrated scholar of American literature At the turn of the twentieth century Rudyard Kipling towered over not just English literature but the entire literary world At the height of his fame in 1907 he was awarded the Nobel Prize for Literature becoming its youngest winner His influence on major figures including Freud and William James was pervasive and profound But in recent decades Kipling s reputation has suffered a strange eclipse Though his body of work still looms large and his monumental poem If is quoted and referenced by politicians athletes and ordinary readers alike his unabashed imperialist views have come under increased scrutiny In If scholar Christopher Benfey brings this fascinating and complex writer to life and for the first time gives full attention to Kipling s intense engagement with the United States a rarely discussed but critical piece of evidence in our understanding of this man and his enduring legacy Benfey traces the writer s deep involvement with America over one crucial decade from 1889 to 1899 when he lived for four years in Brattleboro Vermont and sought deliberately to turn himself into a specifically American writer It was his most prodigious and creative period as well as his happiest during which he wrote The Jungle Book and Captains Courageous Had a family dispute not forced his departure Kipling almost certainly would have stayed Leaving was the hardest thing he ever had to do Kipling said There are only two places in the world where I want to live he lamented Bombay and Brattleboro And I can t live in either In this fresh examination of Kipling Benfey hangs a provocative what if over Kipling s American years and maps the imprint Kipling left on his adopted country as well as the imprint the country left on him If proves there is relevance and magnificence to be found in Kipling s work      Captains Courageous Rudyard Kipling,2023-07-15 Once more the door banged and a slight slim built boy perhaps fifteen years old a half smoked cigarette hanging from one corner of his mouth leaned in over the high footway His pasty yellow complexion did not show well on a person of his years and his look was a mixture of irresolution bravado and very cheap smartness He was dressed in a cherry coloured blazer knickerbockers red stockings and bicycle shoes with a red flannel cap at the back of the head After whistling between his teeth as he eyed the

company he said in a loud high voice Say it s thick outside You can hear the fish boats squawking all around us Say wouldn t it be great if we ran down one FROM THE BOOKS *Mowgli (Movie Tie-In)* Rudyard Kipling,2018-12-04 Rudyard Kipling s best loved book is now the basis for the Netflix film Mowgli Legend of the Jungle starring Christian Bale Cate Blanchett Benedict Cumberbatch Freida Pinto and Rohan Chand The story of Mowgli the abandoned man cub who is brought up by wolves in the jungles of Central India is one of the greatest literary myths ever created As he embarks on a series of thrilling escapades Mowgli encounters such unforgettable creatures as the bear Baloo the graceful black panther Bagheera and Shere Khan the tiger with the blazing eyes Other animal stories in The Jungle Books range from the dramatic battle between good and evil in Rikki tikki tav to the macabre comedy The Undertakers With Mowgli Rudyard Kipling drew on ancient beast fables Buddhist philosophy and memories of his Anglo Indian childhood to create a rich symbolic portrait of man and nature and an eternal classic of childhood **Rudyard Kipling in Vermont** Stuart Murray,1997 Chronicles the four years writer Rudyard Kipling spent in Vermont and discusses his work on The Jungle Books the family feud that forced him to leave the United States his relationship with his family and friends and other related topics **Many Inventions** Rudyard Kipling,1916

**The White Seal** Rudyard Kipling,1985 A story about a white seal named Kotick who learns how to get along in his Arctic environment during his herd s first migration For elementary grades *The Kingdom of Art: Willa Cather's First Principles and Critical Statements, 1893-1896* Willa Cather,1967-01-01 The Kingdom of Art attempts to give a summary of the first elementary principles on which one writer based her art and then to present a collection of critical statements personal and occasional as well as theoretical that seem to give a realistic view of Willa Cather as she was in the years 1893 1896

*Imperial Subjects, Imperial Space* John McBratney,2002 Why was Rudyard Kipling so drawn in his fiction to the figure of the foreign born Briton what Kipling called the native born The answer lies in McBratney s Imperial Subjects Imperial Space the first full length study of a figure central to Kipling s major imperial fiction the native born In these narratives Kipling sees the native born fulfilling two important roles model imperial servant and ideal imperial citizen The special abilities that allow the native born to play these roles derive from his identity as neither exclusively British nor simply native This study also provides the most thorough analysis of that figure s hybrid casteless selfhood in relation to shifting attitudes toward racial identity during Britain s New Imperialism In its endeavor to place the liminal subject within a particular moment in British discourses about race and nation this book illuminates both the complexities of subject construction in the late Victorian and Edwardian periods and the struggles today over identity formation in the postcolonial world Rudyard Kipling's Vermont Feud Frederic Franklyn Van De Water,2012-07 Little House in the Ozarks Laura Ingalls Wilder,1996 A collection of writings by the author of the Little House series **The Naulahka** Rudyard Kipling,Charles Wolcott Balestier,1892 Naulahka is the name Kipling gave to his home in Brattleboro Vermont though the Naulahka of the book title refers to a most precious jeweled necklace It is also a story he wrote with a co author Wolcott Balestier a Brattleboro man and Kipling s

brother in law Balestier died of typhoid shortly after they began the collaboration so what remains is mostly Kipling

Connerney,2009 India s future will be determined not only by economic development but also by a dynamic traditional culture that continues to develop along its own lines sometimes in concert and sometimes in conflict with material enrichment India develops not as one writer has suggested in spite of the gods Rather the seed for the creation and the fuel for the sustenance of India s economic boom lay in its traditions and I will argue the animating spirit of its future lies there as well I have neither the expertise nor the access to operate as a political correspondent nor the desire to posture as a political pundit During eighteen years of research however I have seen what I perceived as a pervasive misrepresentation of recent developments in Indian politics More specifically a number of recent books consistently paint the Hindu right wing in India as essentially fascist or theocratic My observations show that these claims are untenable and misrepresent a positive development in the history of Indian democracy To think clearly about the changes in today s India we require a new model the bi directional banyan tree a symbol borrowed ironically from ancient Sanskrit verses Pindar claimed Custom is King of all and this serves as a succinct expression of the central thesis of this book Publisher s website
