THE JUNGLE BOOK & THE SECOND JUNGLE BOOK (With the Original Illustrations) Rudyard

Kipling,2017-08-07 The Jungle Book is a collection of stories The tales in the book are fables using animals in an anthropomorphic manner to give moral lessons The verses of The Law of the Jungle for example lay down rules for the safety of individuals families and communities Kipling put in them nearly everything he knew or heard or dreamed about the Indian jungle The best known of them are the three stories revolving around the adventures of an abandoned man cub Mowgli who is raised by wolves in the Indian jungle The most famous of the other four stories are probably Rikki Tikki Tavi the story of a heroic mongoose and Toomai of the Elephants the tale of a young elephant handler As with much of Kipling s work each of the stories is preceded by a piece of verse and succeeded by another The Second Jungle Book is a sequel which features five stories about Mowgli and three unrelated stories all but one set in India most of which Kipling wrote while living in Vermont Rudyard Kipling 1865 1936 was an English short story writer poet and novelist He wrote tales and poems of British soldiers in India and stories for children He is regarded as a major innovator in the art of the short story his children s books are classics of children s literature and one critic described his work as exhibiting a versatile and luminous narrative gift *The Undersea Network* Nicole Starosielski,2015-03-02 In our wireless world it is easy to take the importance of the undersea cable systems for granted but the stakes of their successful operation are huge as they are responsible for carrying almost all transoceanic Internet traffic In *The Undersea Network* Nicole Starosielski follows these cables from the ocean depths to their landing zones on the sandy beaches of the South Pacific bringing them to the surface of media scholarship and making visible the materiality of the wired network In doing so she charts the cable network s cultural historical geographic and environmental dimensions Starosielski argues that the environments the cables occupy are historical and political realms where the network and the connections it enables are made possible by the deliberate negotiation and manipulation of technology culture politics and geography Accompanying the book is an interactive digital mapping project where readers can trace cable routes view photographs and archival materials and read stories about the island cable hubs *Fired Up or Burned Out* Michael L. Stallard,2009-03-22 Indisputable evidence reveals that the greatest threat to America s economy isn t off shoring labor the need for downsizing or unethical corporate practices it s employee disengagement This widespread malady is the cause of billions of dollars lost hours of dissatisfaction and work lives lacking true value In this game changing

guide author Michael Stallard shares the three essential leadership actions necessary to transform even a lethargic disconnected organization or office into an impassioned innovative and thriving workplace By teaching readers what motivates their teams providing essential tools for effective leadership and analyzing the methods of twenty of the world s greatest leaders Fired Up or Burned Out offers everything you need to influence motivate and inspire your team to achieve greatness Complete with a twenty day learning plan and an assessment that will help you determine the health of your organization s culture this must read book provides the key to establishing a happier healthier workplace that s not only good for business it s invigorating to the people who make it happen *Knowledge and Critical Pedagogy* Joe L.

Kincheloe,2008-06-19 In a globalized neo colonial world an insidious and often debilitating crisis of knowledge not only continues to undermine the quality of research produced by scholars but to also perpetuate a neo colonial and oppressive socio cultural political economic and educational system The lack of attention such issues receive in pedagogical institutions around the world undermines the value of education and its role as a force of social justice In this context these knowledge issues become a central concern of critical pedagogy As a mode of education that is dedicated to a rigorous form of knowledge work teachers and students as knowledge producers anti oppressive educational and social practices and diverse perspectives from multiple social locations critical pedagogy views dominant knowledge policies as a direct assault on its goals Knowledge and Critical Pedagogy An Introduction takes scholars through a critical review of the issues facing researchers and educators in the last years of the first decade of the twenty first century Refusing to assume the reader s familiarity with such issues but concurrently rebuffing the tendency to dumb down such complex issues the book serves as an excellent introduction to one of the most important and complicated issues of our time **Disney Animation** Frank

Thomas,Ollie Johnston,1987-12-01 A must for collectors and fans of all ages this is the most exciting comprehensive and thorough examination of what the Disney magic is all about More than 2 700 illustrations 489 in full color **America in the British Imagination** J. Lyons,2013-12-18 How was American culture disseminated into Britain Why did many British citizens embrace American customs And what picture did they form of American society and politics This engaging and wide ranging history explores these and other questions about the U S s cultural and political influence on British society in the post World War II period *Family Firm* Edward Owens,2019 *The Mummy* Max Allan Collins,1999 Now a major motion picture from Universal Pictures starring Brendan Fraser Dashing American and legionnaire Rick O Connell is in Egypt looking for a good time His discovery of the Lost City of the Dead is a fluke but to British librarian Evelyn Carnarvon it s the archaeological find of the century Leading Evelyn s expedition deep into the Sahara isn t exactly easy money as Rick comes face to face with an evil from long ago returned from the grave with a taste for human flesh *Children's Books in Print*, 2007 ,2006
