**Communication and Sport** Michael L. Butterworth, 2021-07-19 Sport is a universal feature of global popular culture It shapes our identities affects our relationships and defines our communities It also influences our consumption habits represents our cultures and dramatizes our politics In other words sport is among the most prominent vehicles for communication available in daily life Nevertheless only recently has it begun to receive robust attention in the discipline of communication studies The handbook of Communication and Sport attends to the recent and rapid growth of scholarship in communication and media studies that features sport as a central site of inquiry The book attempts to capture a full range of methods theories and topics that have come to define the subfield of communication and sport or sports communication It does so by emphasizing four primary features First it foregrounds communication as central to the study of sport This emphasis helps to distinguish the book from collections in related disciplines such as sociology and also points readers beyond media as the primary or only context for understanding the relationship between communication and sport Thus in addition to studies of media effects mediatization media framing and more readers will also engage with studies in interpersonal intercultural organizational and rhetorical communication Second the handbook presents an array of methods theories and topics in the effort to chart a comprehensive landscape of communication and sport scholarship Thus

readers will benefit from empirical interpretive and critical work and they will also see studies drawing on varied texts and sites of inquiry Third the handbook of Communication and Sport includes a broad range of scholars from around the world It is therefore neither European nor North American in its primary focus In addition the book includes contributors from commonly under represented regions in Asia Africa and South America Fourth the handbook aims to account for both historical trajectories and contemporary areas of interest In this way it covers the central topics debates and perspectives from the past and also suggests continued and emerging pathways for the future Collectively the handbook of Communication and Sport aspires to provide scholars and students in communication and media studies with the most comprehensive assessment of the field available

**Sports Law in New Zealand** Elizabeth Toomey,2023-05-20 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of sports law in New Zealand deals with the regulation of sports activity by both public authorities and private sports organizations The growing internationalization of sports inevitably increases the weight of global regulation yet each country maintains its own distinct regime of sports law and its own national and local sports organizations Sports law at a national or organizational level thus gains a growing relevance in comparative law The book describes and discusses both state created rules and autonomous self regulation regarding the variety of economic social commercial cultural and political aspects of sports activities Self regulation manifests itself in the form of by laws and encompasses organizational provisions disciplinary rules and rules of play However the trend towards more professionalism in sports and the growing economic social and cultural relevance of sports have prompted an increasing reliance on legal rules adopted by public authorities This form of regulation appears in a variety of legal areas including criminal law labour law commercial law tax law competition law and tort law and may vary following a particular type or sector of sport It is in this dual and overlapping context that such much publicized aspects as doping sponsoring and media and responsibility for injuries are legally measured This monograph fills a gap in the legal literature by giving academics practitioners sports organizations and policy makers access to sports law at this specific level Lawyers representing parties with interests in New Zealand will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative sports law
