The Springboks and the Holy Grail Dan Retief,2011-06-27 This is the epic story of South Africa s amazing quests for the Rugby World Cup which resulted in triumph at Ellis Park in 1995 and in Paris in 2007 while there was heartbreak in 1999 and shame in 2003 The Springboks and the Holy Grail is no mere narration of matches and scores The author was closely involved in all four RWC campaigns while working for the Sunday Times and SuperSport and he provides behind the scenes reportage on the great cast and incredible incidents that made for such riveting drama This is a story of human heroism and frailty of great dignity and patent jealousy that transcends the mere realm of sport The book contains numerous interviews with key players and administrators as well as well known figures who were touched by these campaigns and provides a fascinating insight into an event which is now one of the biggest in the world of sport This is a candid glimpse behind the scenes that often reads like pure fiction
