Larry Hite,2019-10-01 The empowering story of Larry Hite's unlikely rise to the top of the hedge fund world with critical insights and lessons you can take to the bank In The Rule legendary trader and hedge fund pioneer Larry Hite recounts his working class upbringing in Brooklyn as a dyslexic partially blind kid who was anything but a model student and how he went on to found and run Mint Investment Management Company one of the most profitable and largest quantitative hedge funds in the world Hite's wild success is based on his deep understanding that markets are flawed just like people Through his early life struggles and failures Hite came to know himself well his fears his frustrations his self doubt and his tolerance for all of the above This motivational book reveals that by accepting the facts of his life and of himself he was able to accept markets as they are And that was the key to his success In these pages you'll walk of the footsteps of an investing legend who imparts smart practical trading lessons throughout the journey Making a successful living in trading isn't about beating the markets It's about meeting markets where they are embracing the fact of risk knowing yourself and playing it strictly by the numbers The Rule shows that investing decisions are not only bets or gambles but investments in time energy and attention By focusing on realistic returns on your investments versus what you expect or hope to get you immediately improve your probability for success **The Art of Trend Trading** Michael Parness,2015-12-02 Look inward for the missing piece to your trading strategy The Art of Trend Trading bucks the trend of technicality to show readers how

instinct and strategy can unite to bring about consistent investment success Rather than diving ever deeper into the overdone world of complicated modeling and forecasting techniques trader CEO and bestselling author Michael Parness explains how making intuition a part of your investment strategy tends to result in more long term profit Using animal spirits as a metaphor and tool Parness helps readers understand how their natural tendencies may run counter to their strategy and how this dichotomy may be the shackle holding them back from true market success Readers will learn how this perspective lifted Parness from homelessness to making millions in both Bull and Bear markets and will start developing their own market instinct as they refine and tune into their own natural intuition Everyone s looking for the ultimate system a way to game the market and uncover the secret to successful investing Over the years Parness has observed that the best traders those who consistently make money are the ones that use instinct and intuition as well as strategy This book shows you how to identify the natural trader within and use your gut to inform an ever evolving investment plan Follow the author s journey from homelessness to millionaire Identify and understand your own strengths and weaknesses Develop your instinct alongside your strategy Take a lesson from traders making consistent money There s no substitute for good strategy but it s no secret that some strategies seem to be more profitable than others The Art of Trend Trading helps you find that missing piece and turn it into more consistent investment success
