The Rule of Faith George Sumner, 1998-06-15 This collection of essays presented at the 1997 Scholarly Engagement with Anglican Doctrine SEAD Conference counters some of today's New Testament scholarship particularly that of the Jesus Seminar Asserting that only canon and creed can render knowledge of God two generations of scholars speak for a retrieval of more traditional modes of interpretation by and for today's church The Rule of Faith features three keynote addresses by eminent New Testament scholar the Rev Dr Brevard S Childs Sterling Professor of Divinity at Yale University one of the most notable Biblical theologians in contemporary American Christianity It also contains works by several younger scholars many of whom studied with Dr Childs and represent an emerging generation of orthodox Christian leadership for the Episcopal Church including Ephraim Radner George Sumner Kathryn Greene McCreight Stephen Holmgren R R Reno Christopher Seitz Kendall Harmon William Witt and Chris Brown Their writings give voice to scholarly engagement with the creedal Christian faith in the Episcopal Church The Rev Dr Ephraim Radner is Rector of Church of the Ascension Pueblo Colorado and co editor of Reclaiming the Faith Essays on Orthodoxy in the Episcopal Church and Inhabiting Unity Theological Perspectives on the Proposed Lutheran Episcopal Concordat The Rev Dr George Sumner is Rector of Trinity Church Geneva New York and co editor of Reclaiming the Faith Essays on Orthodoxy in the Episcopal Church The Rule of Faith Everett

Ferguson, 2015-07-28 The rule of faith was a summary of apostolic preaching and teaching made by writers of the early Christian centuries As such it carries great importance for what the early church considered basic to its being and identity It was not a fixed text like a creed but varied in wording and content according to circumstances Yet despite this flexibility and diversity there is a clear Christ centered Trinitarian core at the heart of the rule shared by the early apostolic churches In this short guide Everett Ferguson introduces readers to the primary sources of our knowledge of the rule the variety of ways in which ancient Christian authors spoke of the rule and different scholarly attempts to interpret this ancient evidence Ferguson argues that statements of the rule of faith were used to instruct new or potential converts to combat false teachings and to provide a framework for interpreting the Scriptures He maintains that the rule retains considerable importance for churches of the twenty first century **The Rule of Faith** Ephraim Radner, George Sumner, 1998-06-15 This

collection of essays presented at the 1997 Scholarly Engagement with Anglican Doctrine SEAD Conference counters some of today's New Testament scholarship particularly that of the Jesus Seminar Asserting that only canon and creed can render knowledge of God two generations of scholars speak for a retrieval of more traditional modes of interpretation by and for today's church The Rule of Faith features three keynote addresses by eminent New Testament scholar the Rev Dr Brevard S Childs Sterling Professor of Divinity at Yale University one of the most notable Biblical theologians in contemporary American Christianity It also contains works by several younger scholars many of whom studied with Dr Childs and represent an emerging generation of orthodox Christian leadership for the Episcopal Church including Ephraim Radner George Sumner

Kathryn Greene McCreight Stephen Holmgren R R Reno Christopher Seitz Kendall Harmon William Witt and Chris Brown Their writings give voice to scholarly engagement with the creedal Christian faith in the Episcopal Church *The rule of faith : Scripture, canon, and creed in a critical age* Ephraim ; Sumner Radner (George),1998 *The Creed: Professing the Faith Through the Ages* Scott Hahn,2016-05-26 Why were the early Christians willing to die to protect a single iota of the creed Why have the Judeans Romans and Persians among others seen the Christian creed as a threat to the established social order In *The Creed Professing the Faith Through the Ages* bestselling author Dr Scott Hahn recovers and conveys the creed s revolutionary character Tracing the development of the first formulations of faith in the early Church through later ecumenical councils *The Creed* tells the story of how the very profession of our belief in Christ fashions us for heavenly life as we live out our earthly days

Theological Exegesis in the Canonical Context Chen Xun,2010 Modern Christian theology has been problematic with the schism between the Bible and theology and between biblical studies and systematic theology Brevard Springs Childs is one of those biblical scholars who dismiss this iron curtain separating the two disciplines *Theological Exegesis in the Canonical Context* Brevard Springs Childs s *Methodology of Biblical Theology* analyzes Childs s concept of theological exegesis in the biblical canons Childs disregards negative influences of the historical critical method by establishing canon based theological exegesis that leads into confessional biblical theology He demonstrates forcefully the inadequacies of the historical critical method in practicing biblical theology His canonical approach establishes post critical Christian biblical theology and works within the traditional framework of faith seeking understanding Childs s biblical theology has a double task descriptive and constructive the former connects biblical theology with exegesis the latter with dogmatics He uses a comprehensive model that combines a thematic investigation of the essential theological contents of the Bible with a systematic analysis of the contents of the Christian faith Childs s theological exegesis in the canonical context offers a new interpretation in the modern history of Christian theology

Introducing Theological Interpretation of Scripture Daniel J. Treier,2008-07-01 Theological interpretation of Scripture is a growing trend in biblical interpretation with an emphasis on the contexts of canon creed and church This approach seeks to bridge the gap between biblical studies and theology which grew wide with the ascendancy of critical approaches to Scripture *Introducing Theological Interpretation of Scripture* is the first clear systematic introduction to this movement for students The book surveys the movement s history themes advocates and positions and seeks to bring coherence to its various elements Author Daniel Treier also explores what he sees as the greatest challenges the movement will have to address as it moves into the future This helpful book is appropriate for pastors and lay readers interested in biblical interpretation

Canon and Biblical Interpretation Zondervan,2010-10-05 Drawing on a broad array of contributors volume seven of the *Scripture and Hermeneutics Series* assesses the current state of canonical interpretation and uses that as a starting point for exploring ingredients in theological interpretation of the Bible today *Canon and Biblical Interpretation* begins with a masterful examination of the canonical

approach and the various criticisms that have been leveled against it Additional chapters look at canonical interpretation in relation to different parts of the Bible such as the Pentateuch the Wisdom books the Psalms and the Gospels Articles address such issues as canonical authority and the controversial relationship between canonical interpretation and general hermeneutics A unique chapter explores the relationship between academic exegesis and lectio divina Editors Craig Bartholomew Robin Parry Scott Hahn Christopher Seitz Al Wolters

The Substance of Psalm 24 Philip Sumpter, 2015-02-26 This book contributes to the theory and practice of Biblical interpretation by engaging in an interpretation of Psalm 24 inspired by a particular understanding of Brevard Childs canonical approach an understanding centred on the concept of theological substance Sumpter shows how the literary historical and theological dimensions of Psalm 24 cohere into a single vision by reading the text according to the previously discussed dialectic An initial synchronic analysis of the psalm's poetic structure related to a diachronic reconstruction of the tradition history that lead to the final form The question is then posed concerning the primary forces at work in this history of composition a question which leads to reflection on the Trinity first in se and then pro nobis This latter dimension takes us back to the text as its Davidic nature is further analysed in relation to the books of Samuel the Psalter and Isaiah Finally Patristic exegesis is turned to for further stimulation concerning the mysterious subject matter of the text

Introducing Biblical Hermeneutics Craig G. Bartholomew, 2015-11-10 2016 Word Guild Award Academic category Honorable mention Grace Irwin Prize Renowned scholar Craig Bartholomew coauthor of the bestselling textbook The Drama of Scripture writes in his main area of expertise hermeneutics to help seminarians pursue a lifetime of biblical interpretation Integrating the latest research in theology philosophy and biblical studies this substantive hermeneutics textbook is robustly theological in its approach takes philosophical hermeneutics seriously keeps the focus throughout on the actual process of interpreting Scripture and argues that biblical interpretation should be centered in the context and service of the church an approach that helps us hear God's address today

Within My Heart Michael A. Van Horn, 2017-03-14 This book illustrates how Christianity in the modern era has been shaped in the direction of subjectivity In the Enlightenment after Locke required faith to submit to reason's judgment Kant argued that religion should remain within the bounds of reason only Schleiermacher shifted attention away from belief to devotion to Christ and a feeling of absolute dependence on God Rejecting Hegel's system Kierkegaard summoned his readers to a unique subjective approach to justification by faith Revivalist Evangelicalism has been perceived and portrayed itself as a rejection of modernism This study argues instead that the Evangelical revivalist movement is unmistakably modern in its assumptions regarding the nature of faith The Pietist impulse fueled in part by modern anthropocentrism and subjectivism in religious belief was appropriated by the Evangelical revivalists such as John Wesley George Whitefield Jonathan Edwards and later Charles Finney In short Christianity today is a religion of the heart

Redemptive Change R. R. Reno,2002-04-01 Change is a daily fact of life one that people often have a hard time embracing But when change does come people do want it to be meaningful to them and to have some enduring value for their lives In Redemptive Change R R Reno argues that modern culture fails to offer people the hope of meaningful and enduring change He shows how modern philosophers have argued that people are self sufficient that they do not need God to complete their identities and that whatever changes they experience are momentary and of no ultimate significance Countering modern philosophy Reno contends that the only meaningful change occurs in Christ At the moment of atonement people experience an enduring change that has momentous consequences for their lives We matter he says only insofar as we are more dependent upon and changed by Christ R R Reno is Associate Professor of Theology Creighton University Omaha Nebraska and co author of Heroism and the Christian Life Reclaiming Excellence

The Bible: Culture, Community, Society Angus Paddison,Neil Messer,2013-04-11 What kind of authority does Scripture have How is Scripture's authority to be negotiated in relation to other sources of authority And what are the implications of confessing the Bible to be authoritative The Bible Culture Community and Society seeks to answer these questions covering three core themes First reading the Bible in the context of modernity the challenges the intellectual history of modernity has posed to the Bible's authority and how historical work can co exist with a commitment to the Bible as the Word of God Secondly the Bible as a text that forms the church community how the Bible as an authoritative text shapes a culture Thirdly reading the Bible as a public text and the challenges posed by holding to the Bible as the Word of God in a religiously diverse context The highly distinguished contributors include Ben Quash David Ferguson Angus Paddison and Zo Bennett

Christology, Hermeneutics, and Hebrews Jon C. Laansma,Daniel J. Treier,2012-03-01 This book discusses the history of the interpretation of the Letter to the Hebrews across the last two millennia Beginning with the Patristic period essays go on to examine the responses of Thomas Aquinas Martin Luther John Calvin as well as more recent figures such as Karl Barth and contemporary global interpreters The premise behind the work is to move study of Hebrews away from the perennial arguments about its authorship and provenance and to instead engage with it from a theological perspective focusing upon

the text's reception history. Consequently the issue of the Christological message in Hebrews is at the forefront and is considered both in terms of the interpreter's context and historical setting. At the end of the book the investigations are summarised and responded to by leading scholars Harold Attridge, Donald A. Hagner and Kathryn Greene-McCreight, providing a fitting conclusion to a radical academic project.

Go Figure! Stanley D. Walters, 2008-01-01. Without turning naively to the past scholars and preachers of the Old Testament are once again making use of figuration something the church had always done until the modern period. This enlargement of method comes about partly out of disappointment with the exclusive use of historical methods for to read the Bible theologically for the guidance of its present readers requires more than historical description. The 2006 Tyndale Conference on Biblical Interpretation held at Tyndale University College in Toronto, Canada, focused on figuration in biblical interpretation. The authors are the conference keynote speakers Christopher Seitz and Ephraim Radner as well as Tyndale faculty members in philosophy, history, Bible and theology. There are also a few additional invited papers illustrating figural interpretation. This volume is a window onto the current hermeneutic ferment within biblical studies and its title is an invitation to sample and share the excitement.

From Canonical Criticism to Ecumenical Exegesis? Peter-Ben Smit, 2015-07-14. This study explores and compares the role of the canon in the work of Brevard S. Childs, James A. Sanders, Peter Stuhlmacher, Joseph Ratzinger, Benedict XVI and the Amsterdam School of exegesis, thus offering a broad overview of approaches and perspectives within the spectrum covered by canonical criticism. In doing so, both the theory of canonical criticism offered by each of the five is analysed and a sample of an actual exegesis is discussed. Observing that the interplay between text, reader and community of interpretation is key to all of these approaches, the study proceeds to create a dialogue between canonical criticism and ecumenical hermeneutics which leads to a proposal for an approach to exegesis that integrates elements of canonical hermeneutics, ecumenical hermeneutics and intercultural perspectives.

Trinity, Time, and Church Colin E. Gunton, 2011-01-01. With the publication of his two-volume *Systematic Theology*, Robert W. Jenson has established himself as a distinctive voice in Christian theology. In *Trinity, Time, and Church*, leading scholars from around the world and from diverse faith traditions critically engage the major themes of Jenson's thought. These rich essays both celebrate Jenson's theological achievement and probe what some of the authors regard as the more contentious of his contributions.

Rendering the Word in Theological Hermeneutics Mark Alan Bowald, 2016-04-08. This book proposes an original typology for grasping the differences between diverse types of biblical interpretation, fashioned in a triangle around a major theological and philosophical lacuna: the relation between divine and human action. Despite their purported concern for reading God's word, most modern and postmodern approaches to biblical interpretation do not seriously consider the role of divine agency as having a real influence in and on the process of reading Scripture. Mark Bowald seeks to correct and clarify this deficiency by demonstrating the inevitable role that divine agency plays in contemporary proposals in relation to human agency enacted in the composition of the biblical text and the reader.

This book presents an important contribution to the emerging field of theological hermeneutics. Bowald discusses in depth the hermeneutics of George Lindbeck, Hans Frei, Kevin Vanhoozer, Francis Watson, Stephen Fowl, David Kelsey, Werner Jeanrond, Karl Barth, James K. A. Smith, and Nicholas Wolterstorff. **Ephraim Radner, Hosean Wilderness, and the Church in the Post-Christendom West** Amy J. Erickson, 2020-03-23. Ephraim Radner's *Hosean Wilderness and the Church in the Post-Christendom West* offers the first monograph-length treatment of the compelling and perplexing contemporary Anglican theologian Ephraim Radner. While unravelling his distinctive approach to biblical hermeneutics and ecclesiology, it queries the state of today's secularized church through a theological interpretation of an equally enigmatic writer, the prophet Hosea. It concludes that an eschatological posture of waiting and a heuristic of poesis should dictate the church's shape for an era in which God is stripping the church of its foregoing institutional forms.
