Rumble Of Distant Thunder:

Rumble of Distant Thunder B. Kristoff Jakksen, 2001-05-18 Our young people are dying constantly being murdered by senseless acts of violence They are dying in unprecedented numbers not on the battleground of foreign lands but in the schools and on the streets of their very own cities RUMBLE OF DISTANT THUNDER is a story born out of love and compassion for these children For already in the distance an ominous cloud has formed forecasting destruction wars and global famine for their future No one seems to care enough and so they are become the forgotten ones Violence is robbing our youth of the simplicity of pleasure their childhood RUMBLE paves a way from such gloom that threatens to destroy our children and our society It teaches self respect and the value of human life Within the first chapters you will meet SOJOURNER a star ship that is one of the principal characters Its primary function is to travel the galaxies while monitoring the Chosen Ones stationed throughout the universe You will meet Darius a seventeen year old inner city youth who is forced to ward off everyday events that threatens his survival Through a series of events and prophecies he learns that there is a special call on his life and an inescapable destiny Young Darius and his friends have seen the results of living in such a violent and moralless society He has seen childhood friends senselessly gunned down others trying to escape by way of drugs leaving to mourn their shattered lives friends and loved ones Darius is troubled and saddened by all that is happening around him Powerless to do anything about it for the moment he pledges that somehow he WILL make a difference The unsuspecting youth learns through an age old prophecy that he is a prince and direct descendant of the Wantu Wazuri a supremely advanced race that had once visited our world over twelve thousand years ago In their observation of human development they were overwhelmed with concern for the children they were to leave behind Upon their departure they endowed the lives of these children with positive effects and indelible marks of more advanced and intelligent civilizations Unbeknownst to Darius the prophecy is unfolding itself Elsewhere in the Universe the Council of Elders are convening and collectively using their telepathic powers to summon and prepare him for the leadership of his people As Darius appointed time draws near he begins to speak out of love and self respect to all that will listen while Jamaal a young ruthless killer and leader of a powerful drug gang is determined to protect his own interests The escalating violence surrounding him continues to fill Darius with questions as he struggles to understand why and the call on his life Through Ganna his spiritual guardian and mentor Darius knows he must accept his fate The decision to leave Earth even temporarily is tough but he knows that if his world is to survive at all he must go Arriving with his family and some of his closest friends on Wantu Wazuria the Central Seat of government for the vast expanding empire the struggle intensifies as Efuru the evil and manipulating wife of the late Emperor Nkombe the Great attempts to thwart his ascension to the throne This humble yet lion hearted youth learns that for the last five hundred years the Wantu Wazurians were peaceful and prosperous people Now after the Emperor s death his wife fights to have her evil and treacherous son rule despite the prophecies that the throne would be torn from her grasps

and given to an off worlder Ignoring the ancient prophecies Efuru continues her campaign for her son's rights against the Will of God and the Council of Elders who had refused to reinstate him honoring the request of his father on his deathbed Prince Naamesis extremely bitter over that decision rebels and leads a revolt against Darius But while on Khorsabad a world outside the Empire he is killed during an assas *Earthheart* RoseMarie Mallek,2013-05-30 ARLISS Glasstar's humdrum existence is changed forever as she finds herself running for her life accompanied by three rather odd looking characters as they are they're pursued by a frightening band of men on horseback rapidly bearing on them She has no choice but to enter the well between the worlds and travel to Earthheart *The Bishop's Son* Hall Caine,1910 *Stories in the Stepmother Tongue* Josip Novakovich,Robert Shapard,2000 These stories by immigrant writers remind us that in a way we are all immigrants **The Oregon Trail, Yesterday & Today** William Hill,2014 Here lies a description of the history of the Oregon Trail from past to present It is a unique blend of maps guides emigrant diaries and journals old drawings and paintings together with recent photographs This book tells the story of the Oregon Trail in an interesting easy to read manner and is packed with information for everyone the armchair traveler the tourist the historian and the Oregon Trail buff **In Ole Virginia** Thomas Nelson Page,1896 *Technical Paper*,1945 *Barbarian Crowns* Barbwire Butterfly Books,2015-07-14 Join the authors of Barbwire Butterfly Books as they lay down a world based on the fictional lands of legendary writer Robert E Howard Barbarians takes swords to hand as quests are forged with resolve and are successful by the cut of steel to flesh These are the eras of man yet unspoken of the times of legend and lore relayed to you now in the pages of this anthology These are the tales of those strong enough to rise above the rest to earn themselves the right to claim their Barbarian Crown **Salami's Fire** James V. Shubert,2011-10-26 The hot August sun shone upon the southern slopes of Echo Gulch Wisps of hot smoke filtered through the duff of dead vegetation igniting into a small flame The flame kindled dry vegetation around it quickly growing bigger and bigger Energized by fresh oxygen the fire increased into a ruddy blaze A light breeze whisked the fire along It spread rapidly igniting everything in its path as it dashed up the mountainside The raging inferno climbed into the treetops propelling tongues of fire and firebrands hundreds of feet into the sky The burning brands settled into the forest miles away starting spot fires as they landed Salami's home was in imminent danger Chatters had to take quick action to warn the forest critters of the massive fire and to save his family from devastation Salami and Bozzo teamed up to assist Mom and Dad in saving the family farm This is a heartwarming story of Salami Bozzo and Chatters who faced realistic and life threatening challenges of fire and ice Salami a lovable chubby potbellied pig shared the farm with Mom Dad and his best friend the family dog Bozzo Their friend Chatters the pine squirrel lived in the nearby forest **The Human Touch** Michael Frayn,2008-01-22 With wit charm and brilliance this epic work sets out to make sense of our place in the scheme of things Surveying the spectrum of philosophical concerns from the existence of space and time to relativity and language Frayn attempts to resolve what he calls the oldest mystery the world is what we make of it **Goodbye, My Tribe**

Vic Sizemore, 2020-04-14 Goodbye My Tribe An Evangelical Exodus is Vic Sizemore's collection of personal essays chronicling two simultaneous transformations One is the gathering of unconnected and nonpolitical evangelical congregations across the nation into the political juggernaut called the Religious Right the other is the author's own coming to terms with the emotional and spiritual trauma of his life deep inside fundamentalist Christianity and his struggle to free himself from its grasp Sizemore whose father was a preacher and professor at a small West Virginia Bible college attended Liberty University in Lynchburg Virginia arguably the crucible of American evangelical Christianity Sizemore began writing these essays with the aim of exploring and understanding what happened when the mythology of his tribe crumbled from beneath his feet He draws heavily on his upbringing and his family history as a framework for how his tribe of white evangelicals have found ways to reconcile Christianity with what the author finds to be troubling stances on many social issues among them race gender sexuality materialism anti intellectualism and white supremacy In a clear eyed and eloquent voice Sizemore grapples movingly with his own bewilderment and chagrin as he struggles to reconcile the essential philosophical and moral decay that he believes many evangelicals have come to embrace His insights arranged topically and thematically and told through graceful and accessible prose toggle between memoir and literary journalism along a spectrum that touches on history philosophy theology and personal reflections

The Lost Country, Episode Three: "The Primeval World" Wayne Kyle Spitzer, 2021-02-12 First came the time storm which erased half the population Then came the Dinosaur Apocalypse How did it all begin Well that depends on where you were and who you ask In some places it started with the weather which quickly became unstable and began behaving in impossible ways In still others it started with the lights in the sky which shifted and pulsed and could not be explained Elsewhere it started with the disappearances one here a few there but increasing in occurrence until fully three quarters of the population had vanished Either way there is one thing on which everyone agrees it didn't take long for the prehistoric flora and fauna to start showing up often appearing right where someone was standing in which case the two were fused spliced amalgamated It didn't take long for the great Time displacement called the Flashback which was brief but had aftershocks like an earthquake to change the face of the earth Nor for the stories some long and others short some from before the maelstrom and resulting societal collapse and others after to be recorded Welcome to the Lost Country From The Primeval World I stood abruptly and raised the back of my hand but was restrained by Linda who had inserted herself between us That's enough Please Chris Enough She's not going to tell us She backed me away from the girl But I have an idea if you want to hear it I yanked away from her and began pacing furious at the stranger but really angry with myself for losing my cool in front of my crush whom I'd liked since the moment we'd met at the Coke machine in the Community Room about a month before the Flashback And for sending them Penny and Fred to the food mart in the first place ostensibly to save time but really just so I could be with Linda I'm sorry Jesus It's just that She came to me and put a finger to my lips Shhhh Forget it All right I tried to look away but she forced me to look at

her All right Listen We know which direction they went So why don t we just take Valerie here and go looking for them She turned to face the young woman She ll point us in the right direction won t you Little Miss Sunshine She glared at her menacingly If she ever wants to see home again And she was right of course I knew it and the girl knew it And so I reconfigured her bonds so she could travel and we doused ourselves in rex urine including Valerie for who knew how far we d have to go or how long we d be exposed to potential predators and we headed out walking up South Union Avenue toward the capitol even as Compies watched from the undergrowth and I thought I saw a face simian yet strangely human animal and yet somehow not peeking at us briefly from between two fronds Staring at us passively almost meditatively like a great ape behind glass or a manatee through green hazy water *The Thundering Herd* Zane Grey,1925 When the buffalo ranged the plains and the Comanche nation was on the war path Country-side ,1908 Science gossip and Country queries and notes are incorporated with this *Igloo Tests, Navel Proving Ground, Arco, Tdaho, 1945* United States. Army-Navy Explosives Safety Board,1947 **The Nightmares of God** Michael Davies,2008 A new spiritual force is approaching Earth This force is greater than anything seen on Earth before and as it nears the world changes dramatically and sometimes catastrophically People begin to discover new powers and awareness in them and religious institutions shake and sometimes collapse Nothing can ever be the same again But this force an Infinite Soul has a mission Humanity as a species is sick and must be healed before the single biggest event since the Big Bang can occur The entity we have known as God is beginning to awaken from many millions of years of sleep and without a healed Humanity it cannot happen But other forces are also awakening forces of immense evil and power and the Universe is heading for the ultimate battle between good and evil the battle for the Throne of Heaven itself and if the forces of evil triumph then all of Creation will be lost in a night of eternal blackness The story begins in the present and runs through the near future later in this century before heading many thousands of years ahead then millions of years before the final cataclysmic confrontation as the Universe dies
