Jethani, 2011-08-22 With explores the narrative of the Bible to show that we were created to be with God and that restoring this connection is his mission Instead of life over under from or even for God what leads us into freedom and restoration is life with God Why are American Christians who have more access to biblical teaching than any other people in history failing to experience the freedom of the Christian life Why are pastors those closest to the work and ministry burning out at an alarming rate Why do many church members who give large amounts of their time and wealth to Christ and his kingdom secretly question the legitimacy of their efforts And why are spiritual seekers dismissing the validity of the Christian message Is it possible we've misunderstood the call of the Christian life A life lived in rich communion with God cultivates faith hope and love in a way that transforms both us and the broken world we inhabit In With you ll find illustrations of concepts in the book to aid understanding recommendations for how to practice communion with God including three helpful practices and a discussion guide for use when continuing the conversation with others in small groups Endorsements If we've grown weary of Christianity if we find most any local church uninspiring maybe the problem lies not in the Christian faith or these faithful bodies but in our own disgruntled hearts In With Skye Jethani tenderly unmasks the clichéd posturing that too often masquerades as genuine communion with Christ More importantly he takes readers to the humble place they must occupy in prayer studying Scripture with the Church if faith hope and love are to truly mark our lives James H Gilmore author The Experience Economy It doesn't matter as old theologians were rumored to argue how many angels can dance on a pinhead But it does matter which preposition governs your faith over after against for from under with Who knew what huge worlds turn on such tiny words Who knew what theological riches were laced into the bones of grammar Skye has done a great service to the church In prose elegant and clear with insights keen and deep he shows how everything changes with just one word With It's a book I want my whole church to read Mark Buchanan author of Spiritual Rhythm Who knew that a preposition had so much influence Skye's book will challenge the way that you think about God and faith digging deep into our motivations and heart issues You can't read this book and not see yourself and others differently Margaret Feinberg author of Scouting the Divine and Hungry for God **Finding God In Unexpected Places** Philip Yancey, 2005 Presents the unexpected places where God can be found and which present Christians with opportunities to make him visible such as in slums prisons animal reserves artworks and events which occur in the news **If God Were Real** John Avant, 2009-07-07 In this provocative book pastor John Avant encourages readers to uphold a consistent practice of what they believe not just a verbalization of what they believe If Christians truly believe in God they should live genuinely changed lives as the ultimate proof that He is real Many Christians live their lives as if they do not believe in God They go to church and praise His name on Sundays but in their daily lives they don't think about the Lord that often They don't show much concern or charity for others They don't feel gratitude to the Lord for His blessings They don't allow God's love to be reflected in their actions giving Christianity a bad name in the process In their practical day to day lives many Christians are almost living as though

they are atheists Pastor Avant witnesses many Christians not living up to their claims and he asserts that there is not much Christ left in that form of Christianity In *If God Were Real* he challenges Christians to consider whether or not they believe in God If they do Pastor Avant wants readers to consider what life would be like if they lived as if they believed in God He advocates for the pursuit of a new Jesus movement that resembles Christ's original followers followers who were so steadfastly devoted to Him that their every action reflected His glory With *If God Were Real* readers will embark on an adventure of discovery of the real God and a life lived in praise of Him

How Jesus Became God Bart D. Ehrman, 2014-03-25 New York Times bestselling author and Bible expert Bart Ehrman reveals how Jesus's divinity became dogma in the first few centuries of the early church The claim at the heart of the Christian faith is that Jesus of Nazareth was and is God But this is not what the original disciples believed during Jesus's lifetime and it is not what Jesus claimed about himself *How Jesus Became God* tells the story of an idea that shaped Christianity and of the evolution of a belief that looked very different in the fourth century than it did in the first A master explainer of Christian history texts and traditions Ehrman reveals how an apocalyptic prophet from the backwaters of rural Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty Creator of all things But how did he move from being a Jewish prophet to being God In a book that took eight years to research and write Ehrman sketches Jesus's transformation from a human prophet to the Son of God exalted to divine status

at his resurrection Only when some of Jesus s followers had visions of him after his death alive again did anyone come to think that he the prophet from Galilee had become God And what they meant by that was not at all what people mean today Written for secular historians of religion and believers alike How Jesus Became God will engage anyone interested in the historical developments that led to the affirmation at the heart of Christianity Jesus was and is God **Sun Stand Still** Steven Furtick,2010-09-21 If you re not daring to believe God for the impossible you may be sleeping through some of the best parts of your Christian Life This book is not a Snuggie The words on these pages will not go down like Ambien I m not writing to calm or coddle you With God s help I intend to incite a riot in your mind Trip your breakers and turn out the lights in your favorite hiding places of insecurity and fear Then flip the switch back on so that God s truth can illuminate the divine destiny that may have been lying dormant inside you for years In short I m out to activate your audacious faith To inspire you to ask God for the impossible And in the process to reconnect you with your God sized purpose and potential Steven Furtick from Sun Stand Still **What Does the Bible Really Teach?.** ,2005 Biblical theology and doctrines of Jehovah s Witnesses

The Impossible Way: The Way, The Truth & The Life (The Complete Trilogy) Marcus A. Allen,2020-03-23 The words of this book are based upon Christ s declaration I am the way the truth and the life St John 14 6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God s Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven t been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you shall learn the truth of your God and Creator and of his Son Jesus Christ You shall learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what s your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16 16 18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with

signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don t miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way The Ministry, Vol. 11, No. 02 Various Authors,2007-02-01 This issue of The Ministry contains a complete record of the nine messages given during the International Training for Elders and Responsible Ones held in Whistler British Columbia Canada October 5 7 2006 The general subject of the training was Shepherding the Flock of God These messages are a continuation of the training given in the spring of 2006 see The Ministry Vol 10 No 5 The burden of these messages is not about the technique of shepherding but about what we are in our person and how we behave in the church This is according to Paul s word to the elders in Ephesus in Acts 20 He said Take heed to yourselves and to all the flock v 28 We first need to take care of ourselves to be shepherded in our own person before we take care of all the flock Messages 1 and 2 show us that our shepherding must be according to the plan of God and the word of God according to the teaching of the apostles and according to God These form the basis of our shepherding Messages 3 5 and 7 show us that our shepherding is in our living by the grace of God in an organic way according to His initiation and with our cooperation and in dealing with peculiarity These are the conditions of our shepherding Messages 4 6 and 8 show us that our goal must be to shepherd the saints into the faith of the truth into a life of living through dying and into a life of prayer for the organic practice of the God ordained way in the vital groups Finally in Message 9 if the elders are constituted with the basis the conditions and the goal of shepherding the flock of God will be shepherded to know the Body of Christ May the Lord speak to us His light shedding and life imparting word Last of all we include letters and reports concerning the recent gospel move in the Russian speaking world Everything We Need for Life and Godliness Sara E. Gulino,2012-06-19 Why do we read the Psalms We read them because we find comfort in them We identify ourselves with the ups and downs of the writer his feelings and emotions They show the struggles of the writer with Gods activities how long before you The psalmist says and our cry to the Lord mixes with his They show his fears when he writes though I walk through the valley of the shadow of death and our fear becomes one with his The theologian reads them because of their prophetic and Messianic teachings But do we ever read them because they teach us how we relate to God See how the Psalms teach us what a person in a right relationship with God does in his relationship with Him Experience a thrilling growing and often convicting journey in God while being richly blessed as you learn what it means He establishes the work of our hands and see the Apostle Pauls example We know that our times are in Gods hands and see how God created time for our salvation and why He determines our days We consider all precepts right and see the problems of the pick and choose theology We are devoted to God and see

how were little burning bushes walking the streets of this world We trust in God and see how little we do and much more
