Moody PhD,2023-09-18 Dr Moody offers a compelling and sometimes humorous call to live a joyful hopeful life as a Christian and as a Citizen even when dealing with myriad personal problems discouraging political division and global challenges such as recession pandemic or even war Basing his encouragement out of a fresh reading of Paul s Epistle to the Philippians this experienced pastor parent and scholar invites you to draw inspiration from this ancient letter for our living in the modern often chaotic and confusing world These short essays on Christian living will bless you and make you a stronger wiser person *Soaring Hope* Lynn Thrush,Perry Engle,2012-10-16 See the world with hopeful eyes Reading the Bible with an open imagination allows you to see the world as God intends In much of the world the good news of God has been reduced to a personal private psychological interaction with God that gets one ready to go to Heaven This version of the gospel does not envision God s Kingdom coming on earth and His will being done here as it is in Heaven thus hope for what might be is aborted If you believe that Christian faith is largely irrelevant to world events and that Christians have little to offer history Soaring Hope is a thrilling clarion call to reality the reality of life more wonderful than you have ever imagined When assumptions of what cannot be done on earth are removed and the Scriptures are allowed to speak their great hope that God is reconciling all things to Himself then faith arises Jesus said According to your faith may it be to you Matt 9 29 As faith rises the closer you move toward God With Soaring Hope you can snuggle right up into the arms of your heavenly Father today **Redeeming How We Talk** Ken Wytsma,A.
