**The Leader in Me** Stephen R. Covey, 2012-12-11 Children in today s world are inundated with information about who to be what to do and how to live But what if there was a way to teach

children how to manage priorities focus on goals and be a positive influence on the world around them The Leader in Me is that programme It is based on a hugely successful initiative carried out at the A B Combs Elementary School in North Carolina To hear the parents of A B Combs talk about the school is to be amazed In 1999 the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students The parents reported an incredible change in their children who blossomed under the programme By the end of the following year the average end of grade scores had leapt from 84 to 94 This book will launch the message onto a much larger platform Stephen R Covey takes the 7 Habits that have already changed the lives of millions of people and shows how children can use them as they develop Those habits be proactive begin with the end in mind put first things first think win win seek to understand and then to be understood synergize and sharpen the saw are critical skills to learn at a young age and bring incredible results proving that it is never too early to teach someone how to live well

**Paul Among the People** Sarah Ruden, 2010-02-16 It is a common and fundamental misconception that Paul told people how to live Apart from forbidding certain abusive practices he never gives any precise instructions for living It would have violated his two main social principles human freedom and dignity and the need for people to love one another Paul was a Hellenistic Jew originally named Saul from the tribe of Benjamin who made a living from tent making or leatherworking He called himself the Apostle to the Gentiles and was the most important of the early Christian evangelists Paul is not easy to understand The Greeks and Romans themselves probably misunderstood him or skimmed the surface of his arguments when he used terms such as law referring to the complex system of Jewish religious law in which he himself was trained But they did share a language Greek and a cosmopolitan urban culture that of the Roman Empire Paul considered evangelizing the Greeks and Romans to be his special mission For you were called to freedom brothers and sisters only do not use your freedom as an opportunity for self indulgence but through love become slaves to one another For the whole law is summed up in a single commandment You shall love your neighbor as yourself The idea of love as the only rule was current among Jewish thinkers of his time but the idea of freedom being available to anyone was revolutionary Paul regarded by Christians as the greatest interpreter of Jesus mission was the first person to explain how Christ's life and death fit into the larger scheme of salvation from the creation of Adam to the end of time Preaching spiritual equality and God's infinite love he crusaded for the Jewish Messiah to be accepted as the friend and deliverer of all humankind In *Paul Among the People* Sarah Ruden explores the meanings of his words and shows how they might have affected readers in his own time and culture She describes as well how his writings represented the new church as an alternative to old ways of thinking feeling and living Ruden translates passages from ancient Greek and Roman literature from Aristophanes to Seneca setting them beside famous and controversial passages of Paul and their key modern interpretations She writes about Augustine about George Bernard Shaw's misguided notion of Paul as the eternal enemy of Women and about the misuse of Paul in the English Puritan Richard Baxter's strictures against flesh pleasing Ruden makes

clear that Paul's ethics in contrast to later distortions were humane open and responsible Paul Among the People is a remarkable work of scholarship synthesis and understanding a revelation of the founder of Christianity Rising Up and Rising Down: pt.
