Run From Danger:

Run Towards the Danger Sarah Polley, 2022-03-01 A visceral and incisive collection of six propulsive personal essays Vanity Fair A New York Times Book Review Editors Choice Named a Most Anticipated Book by Entertainment Weekly Lit Hub and AV Club New York Times Paperback Row From the Academy Award winning screenwriter of *Women Talking* and the acclaimed director and actor Sarah Polley *Run Towards the Danger* explores memory and the dialogue between her past and her present These are the most dangerous stories of my life The ones I have avoided the ones I haven't told the ones that have kept me awake on countless nights As these stories found echoes in my adult life and then went another better way than they did in childhood they became lighter and easier to carry In this extraordinary book Sarah Polley explores what it is to live in one's body in a constant state of becoming learning and changing Each of these six essays captures a piece of Polley's life as she remembers it while at the same time examining the fallibility of memory the mutability of reality in the mind and the possibility of experiencing the past anew as the person she is now but was not then As Polley writes the past and present are in a reciprocal pressure dance Polley contemplates stories from her own life ranging from stage fright to high risk childbirth to endangerment and more After struggling with the aftermath of a concussion Polley met a specialist who gave her wholly new advice to recover from a traumatic injury she had to retrain her mind to strength by charging towards the very activities that triggered her symptoms With riveting clarity she shows the power of applying that same advice to other areas of her life in order to find a path forward a way through Rather than live in a protective crouch she had to run towards the danger

Running Toward Danger Michael S. Malone, 2015-11-16 *Running Toward Danger* is the first book that tells the extraordinary saga of Scouting's Honor Medal recipients and how the award itself transformed American life It is the product of extensive original research into the BSA's national archives vintage newspaper accounts and interviews of recent recipients The narrative includes more than 150 accounts of the most remarkable and hair-raising Honor Medal rescues of the last century Also it uncovers the crisis in the early days of the award that ultimately changed the direction of Scouting and brought intensive first aid lifesaving and safety training to the nation's youth *Running Toward Danger* is filled with extraordinary characters First among equals is the buckskinned sophisticate co-founder of Scouting and friend of U.S. presidents Daniel Carter Beard who created the Honor Medal and then nearly drove it to disaster But there also are hundreds of young men and women who find themselves in the most terrifying situations imaginable fly into action and not only to survive but also to save others in the process It is a narrative that swings from a lonely lightning scorched mountain top to an isolated farmhouse to crowded urban neighborhoods to shark-filled waters each story presenting its own dangers that demands a clear minded and smart strategy requiring an abundance of bravery from its young rescuers For Scouts and

their families these stories are the best lesson imaginable on what makes Scouting great and what the character building training programs of the Boy Scouts of America develop in young people But this also is a book for all Americans that celebrates the courage and resourcefulness of our nation s youth You never will forget these remarkable stories of young people who when met with the ultimate challenge don t hesitate to run toward danger to help others *Run for Your Life* Silvana Gandolfi,2018-06-12 A 2019 Batchelder Honor Book 2021 Global Literature in Libraries Translated YA Book Prize Shortlist From one of Italy s favorite authors of young adult literature comes a gripping true to life thriller of a Sicilian boy s fight to survive after his family is torn apart by the Mafia A talented young runner Santino lives in Palermo Sicily a beautiful region of Italy that s dominated by the Mafia With Santino s first communion approaching his father and grandfather carry out a theft to pay for the party but they steal from the wrong people A young cocky Mafioso summons them to a meeting and they bring the boy As Santino wanders off into the old abandoned neighborhood he hears shots and runs back to see two armed men and his father and grandfather slumped over in the car The boy barely escapes with his life Now he s left with a choice cooperate with police and be a rat or maintain Omert the code of silence Twelve year old Lucio lives in the northern Italian city of Livorno and dreams of sailing when not taking care of his his young sister Ilaria and his sick mother who is convinced that a witch has cursed her One day Lucio s mother goes missing and he receives a mysterious text Come to Palermo Mamma is dying Panicked Lucio grabs Ilaria and rushes to Sicily where Lucio s and Santino s stories converge with explosive results Inspired by a real life Mafia episode Silvana Gandolfi s *Run for Your Life* is a powerful survival story of young people finding the courage to do the right thing when faced with the cruel realities of the adult world *Danger at Every Turn* Devon Vaughn Archer,2012-04-24 When retired FBI forensic psychologist Spencer Berry breaks up a scuffle between gang members a chase ensues leading Spencer to a creek where he discovers the nude remains of a young woman Deidre Lawdrence who lives behind this creek finds herself drawn to Spencer Berry as someone she could have a real future with assuming they can get past disturbing events that threaten to come between them ***Run Away to Danger*** Sandy Norris,2005 For readers 8 12 years *Danger in a Red Dress* Christina Dodd,2009-03-03 Home care nurse Hannah Grey is dedicated to her patient an aging widow still tainted by the financial scandal her late husband perpetrated She makes Hannah promise that upon her death she ll right the family s wrongs and gives Hannah her offshore account s access codes But Carrick Manly will do anything to discover where his family s fortunes lie including kill his own mother Fearing for her life and desperate not to betray the widow Hannah flees And when Carrick s half brother Gabriel tracks her down in Houston Hannah must trust her own instincts and her heart to survive ***The Best Kind of People*** Zoe Whittall,2016-08-27 A finalist for the Scotiabank Giller Prize and a national bestseller Zoe Whittall s *The Best Kind of People* is a stunning tour de force about the unravelling of an all American family George Woodbury an affable teacher and beloved husband and father is arrested for sexual impropriety at a prestigious prep school His wife Joan vaults between denial and rage as the community
