Run Run Its Scary Poo:

Run! Run! It's Scary Poo! Susan Gates, Charles Fuge, 2004 Panther poo means scary poo to shrews. If they smell scary, panther poo they have to run like mad because panthers love to snack on shrews. Unfortunately, Tiny Shrew can't smell anything much; he can't even tell the difference between a butterfly and poo. Naturally, his mother is worried about his chances of survival in the deep dark jungle, and Tiny Shrew becomes too ashamed and scared to venture out of his burrow. But when his brother is in mortal danger from an almost silent creeping panther, Tiny Shrew thinks nothing of dashing outside to scare away the panther. How did he know it was there? His super sharp hearing detected it, and more than makes up for his lack of olfactory sense.

Run! Run! It's Scary Poo! Susan Gates, 2005 Panther poo is scary poo, and that means danger to shrews, so Tiny Shrew needs to know exactly what it smells like. If he can't sniff out danger, he could end up as a panther's lunch. But he soon discovers that he can't smell anything at all. So how will he survive in the jungle? A very funny story, perfect for reading aloud about survival, being different, and scary poo.

Women are Scary Melanie Dale, 2015-03-24 Let's see this is the part where I convince you that you need this book. This book will massage your feet. This book will bring you a fuzzy blanket at the end of a long day of parenting your tiny little insanazoids. I promise to make you snort laugh at least once. After reading this book, you'll rock jazz hands, be able to sing on key, and never ever have to fold laundry again. Okay, they told me I'm actually supposed to tell you a little about the book. Um, right. Look, here's the thing: Too many of us women are frazzled and lonely, isolated in our minivans while schlepping bags, strollers, and munchkins to and fro across town. It doesn't have to be this way. In this guide to momlationships, I use a dating analogy to take us around the bases to our home run friendships, the ones that last a lifetime, not just a soccer season. This is our journey to each other, to finding our people and being other people's people, learning how to bless each other and not destroy each other. It's sometimes scary and always awkward. Let's have some fun.

Unicorns Are the Worst! Alex Willan, 2020-09-29 Perfect for fans of Dragons, Love Tacos, and Unicorn. Thinks He's Pretty Great, this wildly funny and imaginative picture book celebrates the value of differences as a grumpy goblin gets to know his new unicorn neighbors. It's an undeniable fact that unicorns are the worst. Magic is serious business, but all unicorns do is frolic around, have tea parties, and leave glitter all over the place. They're nothing like goblins: practical and hard working, who can put magic to good use. Unicorns aren't helpful at all. Or are they?

No, David! David Shannon, 2006-02 Have you met David yet? If not, you're in for a treat, and children will be tickled pink by his antics and amusing scrapes. See what happens to David in a typical day at home. He doesn't mean to misbehave, but somehow he just can't help but get into trouble. Amusing matching of picture and text will have children laughing out loud and happy to read and re-read the story for a long time to come.

Pigs, Poultry and Poo Jason Gibbs, 2012-10-01 Pigs Poultry and Poo is the story of two people who change their lives and discover a whole new world Their first step is a move from living and working in the city to rural life and a two hour commute Over the five years recounted in the book they mature from feckless beginners to hardened country folk shedding only the occasional tear when an animal dies Their animal adventures start with a cat before they move on to goats and then chickens Slowly building confidence they haphazardly add cows pigs alpacas geese and ducks to their smallholding before reaching a limit On their journey they discover that cats like to sleep that goats are poor predictors of the weather and

that there is a serious possibility that a cow could jump over the moon They pick up new skills such as fencing which they get to practise again and again as various animals helpfully demonstrate where they have gone wrong There is occasionally the semblance of a plan but often events overtake the couple and they have to learn to be resilient in the face of adversity The animals have plenty of character from the nervous goat and the grumpy cow to the randy pig Looking after animals is often not easy but at least for one newly countrified pair it s deeply satisfying **Only the Devil Is Here** Stephen
