relates the truths of Scripture to everyday life The Disciple Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts **Deep and Wide** Andy Stanley, 2012-09-25 Nearly 2 000 years ago Jesus started a movement that has grown like wildfire throughout history Author and pastor Andy Stanley draws from Scripture and over 25 years of pastoral experience to bring to life the irresistible nature of this movement known as the Church With surprising candor and transparency pastor Andy Stanley explains how one of America's largest churches began with a high profile divorce and a church split But that's just the beginning Deep and Wide provides church leaders with an in depth look into North Point Community Church and its strategy for creating churches unchurched people absolutely love to attend Andy writes Our goal is to create weekend experiences so compelling and helpful that even the most skeptical individuals in our community would walk away with every intention of returning the following week with a friend Later he says I want people to fall in love with the Author of Scripture And while we can't make anyone fall in love we can certainly arrange a date For the first time Andy explains his strategy for preaching and programming to dual audiences mature believers and cynical unbelievers He argues that preaching to dual audiences doesn't require communicators to dumb down the content According to Stanley it's all in the approach You'll be introduced to North Point's spiritual formation model The Five Faith Catalysts Leaders responsible for ministry programming and production will no doubt love Andy's discussion of the three essential ingredients for creating irresistible environments For pastors willing to tackle the challenge of transitioning a local congregation Andy includes a section entitled Becoming Deep and Wide If your team is more concerned with who you are reaching than who you are

keeping Deep it will be a resource you come back to over and over Couldn't be prouder of my son Andy And I couldn't be more excited about the content of this book I wish a resource like this existed when I was starting out in ministry Dr Charles Stanley Founder In Touch Ministries Deep and Wide pulls back the curtain for all of us to see what is required behind the scenes to build a prevailing church I was both challenged and inspired by this book Bill Hybels author of Just Walk Across the Room The most common question I get from pastors is How do I get the people in my church to be open to change From now on my answer will be Read Deep and Wide by Andy Stanley Thanks Andy Great book Craig Groeschel Pastor LifeChurch TV author It How Churches and Leaders Can Get It and Keep It No one has given me more practical handles for establishing a focused vision than Andy Stanley Deep and Wide is a rich resource to help all of us stay intentional about the main thing building a church that reaches people who are far from God Steven Furtick Lead Pastor Elevation Church
