
A photograph of a dirt path leading through a forest. The trees on either side have autumn-colored foliage in shades of orange, yellow, and brown. The path is light-colored and leads towards a bright, hazy opening in the distance. The overall mood is peaceful and hopeful.

If you can't fly then run, if you can't
run then walk, if you can't walk
then crawl, but whatever you do
you have to keep moving forward.

Run If Yu Can:

Run If You Dare Randy Powell, 2006-03-21 A teenager's eye view of parental desperation What do you do when your dad has a midlife crisis This is the dilemma of fourteen year old Gardner whose father's been laid off and is now expressing boredom with his life and even talking to Gardner about leaving the family Gardner has all along thought he'd like to grow up to emulate his father whom he has idolized since childhood But with this disappointment and possible betrayal haunting his family Gardner isn't so sure anymore Eventually through old and new friendships and a dedicated endeavor to become physically strong Gardner finds the emotional strength and identity to survive whatever upset may be in store for him and his family's future In scenes both comical and heartbreaking Randy Powell demonstrates once more that he is one of the foremost contemporary writers for young adults
