## Runaway Randy:

*Randy's Ride* Barbara Taylor Blomquist, 2009-10 Randy never felt like he fit in Adopted when he was young he never found his place within his family Because of this disconnected feeling Randy decided to set out on his own Author Barbara Blomquist invites readers to come along on Randy's Ride a touching story of one young man's journey to self discovery During his travels Randy meets interesting people who teach him many life lessons There's Ellie a hard woman struggling with the death of her mother Bill the teacher who encourages Randy to make something of himself and Mindy a young girl who touches Randy's heart Through his encounters with these individuals and others Randy learns a very important lesson your life is what you make it

**Runaway Randy** Bruce Sigmon, 1988-06-01

**Runaways** Maryanne Raphael, Jenifer

Wolf, Anaïs Nin, 2000 This is an important book Nowhere else have I seen the theme of the runaways treated as thoroughly honestly unflinchingly It not only describes the various stories fully but it offers suggestions for improving a tragic situation

Anais Nin *Breadcrumbs for Beginners*: Dr. Sherry L. Meinberg, 2013-04-23 *Breadcrumbs for Beginners* provides a practical and entertaining umbrella approach to the world of the writer It covers the process from just thinking about writing to actually putting pen to paper and then revising and finally info as to what to do to get a manuscript published and promoted

*To Walk The Winding Road - A Story of Abuse and Survival* Gene Stiles, 2005-07-20 Abuse is insidious Like a silent serpent it slithers into your soul spreading its venom Be it substance sexual physical or emotional abuse wraps you in a constricting embrace crushing the hope the joy and sometimes the life from all it touches It traps you in a prison from which few escape For most who live through it the poison left in their soul most often spreads out affecting all who touch them turning the abused into the abuser 1968 A year of violence war unrest and fear King and Kennedy are assassinated There are riots in all across America Thousands of young American men are killed maimed and wounded in Viet Nam Thousands more live in fear of the Draft Amid this turbulent time in Simi Valley on the outskirts of Los Angeles a group young people are bonded together by mutual backgrounds of abuse tragedy and violence Together they must learn to break the coils that surround them and forge new futures or be condemned to a cycle of destruction

*Haunted house* Elias J.

Connor, 2022-01-10 An autumn night in a southern English province while fleeing from his dreary life 18 year old Jaden discovers a small apparently uninhabited house in a piece of forest There he meets Leila who is the same age an opaque young woman whom he gets to know and love Together they decide to stay here in this deserted place for a while They have no idea how dangerous that is because the mysterious incidents and occurrences are increasing day by day The strange house seems to develop a somber life of its own in a creepy way and soon the lives of Jaden and Leila are in great danger Dark fantasy with horror elements from the pen of Elias J Connor and his girlfriend Sweetie Willow *The Runaway's Diary* Marilyn Harris, 1971 A diary of a young girl's experiences during the three months she spends in Canada after running away from her troubled home
