Runaway Waltz A Memoir From Vienna To New York:

Runaway Waltz Frederic Morton, 2010-06-15 One of the most revered essayists and novelists of his generation Frederic Morton has captured with matchless immediacy the glamour of Vienna before World War I and the storied opulence of the Rothschild family in his bestselling and award winning works Now in his first book in more than fifteen years he delivers a luminous look at his own unique pursuit of the American dream Like many Austrian boys in 1936 the author idolizes Fritz Austerlitz the Austrian American who went to Hollywood and emerged as Fred Astaire When his family is forced to flee Vienna Fritz Mandelbaum becomes Fred Morton and immigrates to New York City Though he does not learn English until he is sixteen years old Morton nonetheless goes on to succeed as a writer The author sets out ten scenes from his pilgrim life and his remarkable road to success from watching a poorly dubbed Astaire in Vienna to delivering apricot tarts as a baker's assistant in New York from Salt Lake City where as a young English instructor he met Vladimir Nabokov to a Christmas spent with the Rothschilds at Chateau Mouton Runaway Waltz is a soulful beautifully written portrait of one man's extraordinary quest for fulfillment and enduring transformation

Quiet Invaders Revisited Günter Bischof, 2017-07-12 österreichische Einwanderung in die USA Die vorliegende Publikation beleuchtet das Thema der Migration von Österreichern in die USA genauer das bis heute ein immer noch sehr unerforschtes Gebiet ist Seit kurzer Zeit erlebt die Forschung allerdings einen neuen Aufschwung es herrscht großes Interesse vor allem in der Biografieforschung Die vorliegenden Beiträge basieren auf einer Tagung die im Juni 2015 in Wien zum gleichnamigen Thema stattgefunden hat Es handelt sich hauptsächlich um Fallstudien über emigrierte Österreicher die ihre Heimat aus wirtschaftlichen politischen oder karrieretechnischen Gründen verlassen haben Alle mussten sich mit einer schwierigen Einwanderungspolitik der USA auseinandersetzen trotzdem ist den meisten von ihnen eine erfolgreiche Integration in die amerikanische Gesellschaft gelungen The essays in this book argue that the United States served as a great attraction for economic betterment to Austrian migrants before and World War I yet a third of these migrants actually remigrated Remigration was less likely after World War I as the economic situation deteriorated in Europe and the political situation landscape became desperate for Jews and the opponents of the Hitler regime Most of the Austrians migrating to the U S in the World War II era stayed For the roughly 30 000 Jews who had been brutally kicked out of their homes after the Anschluss and managed to snag immigration papers to the U S returning to desperately poor and still anti Semitic Austria was not an option These case studies show that integrating and assimilating into the American mainstream often was a difficult process that might take two generations Many of the intellectuals and academics never fully felt at home in the U S as they viewed American culture shallow and American values too materialistic

a mysterious piece of stone comes into his possession he and his wife believe their prayers have been answered the stone may be a holy fragment of Jerusalem s Wailing Wall This relic no larger than a brick proves to transfigure the couple s lives They make Turk Place their home and three generations of Turk Place residents share the legacy of the Brick For six decades the family perseveres in the face of tumultuous events World War I the shattering of the Austro Hungarian Empire and the Great Depression But Hitler s final solution forces them to make an impossible choice flee the Nazis or remain and perish
