Hollywood in Wide Angle Jack Rothman, 2004 This unique collection of interviews covers the broad spectrum of film directing experience from first timers to award winning veterans Allowed to respond with anonymity the directors provide

candid answers to a wide variety of topics that convey the challenges and rewards of the filmmaking process      **Life is Beautiful, But Not for Jews** Kobi Niv, 2003-09-29 With sharp uncompromising logic and eye opening insight Niv analyzes the film and its script scene by scene to show why Life is Beautiful is very far from being the innocent charming and heartwarming film it appears to be The author argues that the film not only lends support to the central arguments of Holocaust deniers but is actually a quasi theological Christian parable which seeks to justify the extermination of Jews in the 20th century as divine punishment for the sin of the crucifixion of Jesus two thousand years ago      **Body and Soul** Tony Williams, 2004 Body and Soul explores the work of Robert Aldrich a producer and director responsible for several notable films including The Flight of the Phoenix The Dirty Dozen Too Late the Hero The Longest Yard and Whatever Happened to Baby Jane Author Tony Williams examines the relationship of Aldrich s films to the Cultural Front movement of the 1930s as well as to the blacklist of the 1950s He also delineates Aldrich s attempts to follow the progressive ideals of such mentors as Jean Renoir Lewis Milestone and Charlie Chaplin From the noir classic Kiss Me Deadly to the controversial thriller Twilight s Last Gleaming Body and Soul focuses on the dilemmas both personal and political that affect individuals in all of Aldrich s films      **George Arliss** Robert M. Fells, 2004 By any reasonable expectation George Arliss should not have succeeded as a star either on stage or in film Yet he achieved a career enjoyed by very few in the performing arts An actor author playwright and filmmaker George Arliss won acclaim for his work first on the stage and then later most improbably as a Hollywood movie star His films achieved the rare distinction of being both artistic and financial successes Though he was neither young nor handsome Arliss found popular acclaim for his many historical characterizations such as Voltaire Nathan Rothschild Cardinal Richelieu and Benjamin Disraeli Robert Fells traces Arliss s life and times through his film work providing a thoroughly researched and entertaining view of one of the most important yet neglected figures in film history The book also reviews the actor s uneasy relationship with screenwriters his clashes with British film producer Michael Balcon his championing of young unknowns such as Bette Davis and James Cagney and his prosecution by the British Government during World War II It also includes a complete filmography and a selected stageography of Arliss s work Includes 20 photos      **William Beaudine** Wendy L. Marshall, 2005 In this detailed biography Marshall chronicles Beaudine s swift rise through the ranks his triumph as one of the most successful directors of British comedies accumulation and loss of personal fortunes and prolific work in television William Beaudine From Silents to Television also corrects much misinformation that has been written about the director With the most complete list of his directorial credits to date this volume serves as the ultimate authority on Beaudine s life and career Jacket      **Leo McCarey** Wes D. Gehring, 2005 Early in his Hollywood career Leo McCarey honed his skills by working with some of the great names of comedy including Laurel and Hardy W C Fields and The Marx Brothers whose 1933 classic Duck Soup McCarey directed Later as a writer and or director McCarey was responsible for a number of classic films including Ruggles of Red Gap The Awful Truth Love Affair Make Way for Tomorrow

My Favorite Wife and An Affair to Remember McCarey's 1944 film *Going My Way* was nominated for ten Academy Awards and won seven including the first triple crown awarded to the same person for writing producing and directing Its sequel *The Bells of St Mary's* would receive eight nominations including Best Picture and Director Despite all of his commercial and artistic successes McCarey has been sadly neglected by film historians and scholars While many of his contemporaries have been elevated to auteur status McCarey's contributions to film have not sparked the same level of interest or esteem Film scholar Wes Gehring seeks to rectify this with *Leo McCarey From Marx to McCarthy* the first full length biography of this underappreciated artist By exploring the director's life as filtered through his art Gehring maintains that McCarey's films were often a reworking of his antiheroic self In addition the apparent diversity of his films actually represents an interrelated web of various comedy genres and a pattern of antiheroic characters and themes The author makes the convincing case that throughout his life and career McCarey was driven to entertain any audience from a single person to movie millions always trying to tell a better story McCarey's own long overdue story is finally revealed in this biography about one of the most fascinating figures to ever come out of the Hollywood dream factory

**Scorsese Up Close** Ben Nyce, 2004 Unlike other books on Martin Scorsese that favor the discussion of broad themes and plot summaries *Scorsese Up Close A Study of the Films* also looks at the cinematic text of the great director's films With a scrutiny comparable to the detail Scorsese brings to the shooting and editing process author Ben Nyce examines particular shots or sequences of shots in many of the director's works By focusing on these key components Nyce explains how the visual and aural elements of such scenes dramatize Scorsese's singular vision Nyce first discusses several of the early works that established Scorsese as a filmmaker beginning with a short student film *What's a Nice Girl Like You Doing in a Place Like This* Subsequent chapters focus on individual films in the Scorsese canon including *Mean Streets* *The Last Temptation of Christ* *The Age of Innocence* *Bringing Out the Dead* *Taxi Driver* and *Raging Bull* Nyce's close attention to the details within each of these films will satisfy fans and students alike especially those who share a passion for Scorsese's artistry and an appreciation for the craft of his filmmaking Illustrated with photos
