our business plan looked like ten years ago and what it should look like now I will show you what my boarding contract looks like and what you should have in your contract Running a horse boarding facility is about so much more than feeding and cleaning stalls In fact that is the easy part In this book I will discuss subjects like herd management and the boarder What do you do when two horses don't get along and how do you know when it's time to move a horse How do you give a 30 day notice to a boarder When do you raise your rates and how much What are the boundaries between the barn owner and the client How to write a business plan for the equine industry Boarding contracts and barn rules No drama policy at the barn How to find the right trainer for your facility Are you willing to ask a boarder to leave barn hours and why they are important What do you do when a horse gets hurt on your property and the owner wants to blame someone Special request and when to say Sorry but we do not offer that here You will not find another book on the market that addresses these real situations in the horse business I will share with you what we have learned over the years through many trials and errors I will give you the tools to handle the most stressful situations If you feel sometimes like you are alone in running your farm and no one else would understand the problems you are having than read this book You will find out very quickly that what you are dealing with is very common in most barns Let me teach you how to become a leader and take control of your business To this day I love going out to the barn every morning for work It wasn't like that the first couple of years Learning to become a barn owner and business person takes time and sometimes a few years I will share all that we have learned over the years with our business This book will educate and inspire you and I hope to help you in your day to day life of running your barn We made many mistakes in the beginning and it was because we didn't go to anyone for advice I tried to find the answers in books but was not able to Let me help you start off with the tools you need to become a successful business person in the equine industry It is a great life when I step into my office and hear nickers every morning It can be a great life for you too
