Lee, 2011-07-27 Chasing Hepburn is the story of the Lee family a saga spanning four generations two continents and a century and a half of Chinese history In the masterful hands of acclaimed author Gus Lee his ancestors stories spring vividly to life in a memoir with all the richness of great fiction From the time of her birth in 1906 it was expected that Gus Lee s mother Tzu Da tsien would become an elegant bride for a wealthy provincial man But she was shunted onto a less certain path by age three when her warmhearted father rescued her from her foot binding ceremony in response to her terrified screams This dramatic rejection of tradition was the first of many clashes that would lock the family in a constant struggle between Chinese customs and modern ways Later with the Chinese countryside in the grip of civil war the Tzu family moved to Shanghai seeking financial stability There Da tsien met Lee Zee Zee the dashing son of the Tzus landlord who lived across the street With their patriarch succumbing to opium addiction Zee Zee s family was on the brink of ruin and Da tsien s mother was working hard to secure her big footed daughter s marriage to a wealthy older man But not even the protests of both families could keep the lovers apart and these two socially displaced clans were reluctantly united Over the course of their courtship and marriage Zee Zee and Da tsien would encounter the most important movements and figures of the times including underworld gangsters Communist students and workers revolutionary armies Christian missionaries and legions of invading Japanese soldiers Zee Zee became an ardent anti Maoist and an ally of the highest ranking leaders in the Chinese Nationalist movement But his flights from tradition took him away from his young family first into Chiang Kai shek s air force and later to America in search of his idol Katharine Hepburn Faced with this abandonment and with the chaos of the Japanese occupation Da tsien would rely on all of her resources traditional and modern faith superstition tremendous courage and her strong feet in an attempt to preserve her family Gus Lee takes us straight into the heart of twentieth century Chinese society offering a clear eyed yet compassionate view of the forces that repeatedly tore apart and reconfigured the lives of his parents and their contemporaries He moves deftly from recounting intimate household conversations to discussing major historical events and the resulting story is by turns comic harrowing heroic and tragic For most of her life Da tsien prayed for a son who would honor his family and respect his Chinese heritage In this enthralling tribute Gus Lee lovingly accomplishes both

The Boy at the Gate Danny Ellis, 2013-09-01 Danny Ellis is a survivor strong and resilient An acclaimed singer songwriter he is proud of the way he handled his difficult past poverty in the 1950s Dublin slums and the brutality of the Artane Industrial School He felt as though he had safely disposed of it all until one night while writing the powerful song that would launch his highly praised album 800 Voices A searing testament Irish Times Danny s past crept back to haunt him Confronted by forgotten memories of betrayal and abandonment he was stunned to discover that his eight year old self was still trapped in a world he thought he had left behind Although unnerved by his experience Danny begins an arduous journey that leads him back to the streets of Dublin the tenement slums and ultimately the malice and mischief of the Artane playground What he discovers with each twist and turn of his odyssey will forever change his life Elegantly

As I Run Toward Africa Molefi Kete Asante, 2015-12-03 As I Run Toward Africa is Molefi Kete Asante's memoir of his extraordinary life. He takes the reader on a journey from the American South to the homes of kings in Africa. Born into a family of 16 children living in a two-bedroom shack, Asante rose to become director of UCLA's Centre for Afro American Studies, editor of the Journal of Black Studies, and university professor by the age of 30. The government of Ghana designated Asante as a traditional king in 1996. Asante recounts his meetings with personalities such as Wole Soyinka, Cornel West, and others. This is an uplifting real-life story about hope and empowerment.

[The Boy Who Lived with Ghosts](#) John Mitchell, 2013-07-01 A disturbing though often hilarious memoir told uniquely through the eyes of a young child. This is a coming-of-age story of a boy growing up in 1960s England. As shocking as it is, this is a story of survival and a boy's desperate attempts to save his mother from the madness and the horror. Mitchell's overview of then-rundown Portsmouth, England, in the 1960s shocks as he deftly bypasses all the clichéd elements of the 60s via gruesome images of destitution, a cast of unbelievably crazy misfits, and the smells, local language, and music of a bleak and impoverished part of England. It's a wakeup call that not everyone experienced the summers of love. The most amazing aspect of the book is his ability to recapture his own voice at ages 5, 7, 8, and 13. John Mitchell's debut memoir dazzles. It's original, clever, and amid all the horror, funny.

IndieReader The title suggests a ghost story, but a boy witnessing firsthand the onset and evolution of a mental breakdown is as bloodcurdling as anything supernatural, perhaps more so. A startling, sometimes chilling tale of mental illness and familial abuse. Kirkus Reviews The Boy who Lived with Ghosts is a brilliant read. John's story triggered a lot of emotions for me when I was reading, and it brought me close to tears. I think it's simply brilliant. I am going to recommend this book to you because it offers an insight into John's heart-breaking childhood, which will make you appreciate all that you have a lot more. The Boy who Lived with Ghosts is definitely a worthwhile read.

Online Book Club [The Boy with the Perpetual Nervousness](#) Graham Caveney, 2018-07-03 An enthralling emotional memoir that recounts the ups and downs of coming-of-age set against the music and literature of the 1970s. Raised in a small town in the north of England, known primarily for its cotton mills, football team, and its deep roots in the Respectable Working Class, Graham Caveney armed himself against the confusing nature of adolescence with a thick accent, a copy of Kafka, and a record collection including the likes of the Buzzcocks and Joy Division. All three provided him the opportunity to escape, even if just in mind, beyond his small town borders. But when those passions are noticed and preyed upon by a mentor, everything changes. Now, as an adult, Caveney attempts to reconcile his past and present, coming to grips with both the challenges and wonder of adolescence, music, and literature. By turns angry, despairing, beautifully written, shockingly funny, and ultimately redemptive, The Boy with Perpetual Nervousness is a tribute to the power of the arts and a startling original memoir that feels as if it had to be written and demands to be read.
